DO YOU HAVE ACTIVE AND ADVENTUROUS upscale clients who don’t fit the mold of the average cruiser? Ones who favor small groups over crowds, and who care less about impressing people than about making authentic connections with them? For this type of client, no ordinary cruise will do. You need a cruise that is 180 degrees from ordinary.

Our small, upscale ships take guests where larger ships can’t, surround them with understated luxury and warm camaraderie, and bring them back not just with snapshots but with the most precious of souvenirs — stories of amazing unscripted encounters and unexpected discoveries.

We’re a cruise line for travelers, not tourists. And our commitment to exceptional travel experiences begins with you.

We rely on your skill to identify prospective Windstar cruisers and we want to support you any way we can. That begins with our 4-point Star Promise, consisting of Extraordinary Guest Experience, Excellent Agent Service, Fresh Sales Tools & Support, and Outstanding Educational Programs. Since we first made that promise last year we’ve added more options than ever for your clients, including new destinations in Asia, Alaska, Canada and New England along with new back-to-back Star Collector voyages. On board, our exclusive partnership with the James Beard Foundation has enhanced our already outstanding culinary program.

Of course, the best way to understand what Windstar is all about is to cruise with us, so we encourage you to do just that through our robust FAM experiences and TA Appreciation Specials, which you’ll find at our completely redesigned Agent Hub. Our dedicated travel agent website is where you’ll also find many helpful sales tools. And if you don’t have time to sail with us, our new online Star Specialist training program will turn you into a Windstar expert in no time. But of all our innovations in the past year, the biggest was the introduction of bookWINDSTAR ONLINE, our brand new online booking tool that lets you make and access your reservations at any time.

Partners like you make a huge difference to a small cruise line like ours. We look forward to enhancing our partnership even further in the months to come.

Delightfully Different

NO ONE ELSE GOES SO FAR TO GET TRAVELERS SO CLOSE

Leave the crowds and commonplace behind and make your way to places where the beauty and magic of your destination is equaled only by the intimate ship that takes you there. Follow yachts and fishing boats to small ports off the beaten path, to castaway islands, and up waterways too shallow for larger ships to follow. Experience the freedom of unscheduled days, the delight of good friends newly made, and service and surroundings that are warm and welcoming, never pretentious or stuffy.

WINDSTAR STYLE

180 DEGREES FROM ORDINARY

• Leave the crowds and clichés behind on small, elegant ships that carry fewer than 310 travelers.
• Our personalized and immersive approach brings you closer to each destination and every port.
• An intimate and welcoming ambiance makes it easy to connect with fellow travelers and crew.
• Taste the essence of local cultures with the Official Cruise Line of the James Beard Foundation.
• Enjoy unfailingly attentive service with a staff-to-guest ratio of 1:1.5.
Perfectly Sized

Banish cliché, toss aside regimen, steer clear of stuffy. Our perfectly sized ships make it possible to flip the script on cruising. Free yourself from crowds and indulge all your senses, especially your sense of wonder. Experience cultures in ways that are personal and authentic, with the power to change your perspective. With 148–310 guests, a Windstar ship is large enough to pamper, yet small enough to explore secluded coves and remote islands, and dock in the heart of charming villages and sparkling cities.

Travel to undeveloped gems like Ko Kut, Thailand, Little Bay on Montserrat, Isla Parida in Panama. See the spectacular Pitons in St. Lucia, the delicate green-and-brown mantle of Iceland’s Surtsey Island, the diver’s paradise at Fakarava in the South Pacific. Laugh at the tree goats of Morocco. Explore the medieval alleyways of Monemvasia, Greece. Discover the hidden wonders, unique ports of call, and less-traveled waterways that Windstar calls home.

Get Closer

Dive Below the Surface

Yes, our ships are beautiful, but their real beauty lies in how close they get you to the kind of authentic, immersive experiences you’re looking for. Our small-group shore excursions are incomparable, once-in-a-lifetime adventures. Dine with a Croatian family in their village home, and see what life is like from a local perspective. Take a culinary tour in Da Nang, and discover the cultural role food plays in Vietnam. Then back on board, listen as our carefully curated onboard lecturers deepen and enhance your experience with an insider’s look at intriguing local topics like the Monte Carlo Grand Prix.

From certified SCUBA dives to rejuvenating baths in volcanic hot springs, from UNESCO wonders to regional wine tastings, it’s an unparalleled way to explore the world from a new perspective.

Beyond the Reach of Ordinary

• Only 148–310 well-traveled guests on 6 ships
• Unique ports and waterways reserved for small ships, including Metlakatla, Alaska; Trollfjord, Norway; Germany’s Kiel Canal; Portofino, Italy
• No crowds or long lines
• Fleet of 3 Wind Class sailing ships and 3 Star Class all-suite ships

Not Exactly Your Typical Immersion

• Engage and connect with locals from chefs and vintners to farmers and former diplomats
• Concierge Collection excursions offer intimate small-group experiences — bypass long lines and get personal answers to questions
• Windstar Signature Expeditions program in Alaska features six full-time onboard experts who lead kayak and Zodiac tours directly from the ship
• Learn more from onboard lecturers and local entertainers

“... The staff was so very kind and gracious. The food was amazing! The tours were interesting and well executed ... The ship truly is stunning ... and a wonderful experience! ... Impeccable Taste
AN APPETITE FOR INSPIRATION

Portofino, St. Kitts, Taipei ... no matter what destination beckons you, local culture is deliciously captured when you dine on board your Windstar ship. Culinary ingenuity and fresh, local ingredients — often selected by your ship’s chef on a trip to the local market — go into each perfectly presented dish. The result is transformative. Yellowtail snapper with mango-butter sauce in the Caribbean. Tagliatelle with truffles in Italy. Grilled tilapia with Peanut Pesto in Vietnam.

JAMES BEARD FOUNDATION AND WINDSTAR: A MOST DELICIOUS PAIRING

The James Beard Foundation is dedicated to recognizing and celebrating the chefs, writers and restaurateurs who advance culinary arts. And now that passion is onboard Windstar sailings, gracing your table with some of the most innovative cuisine in the world. Talk about a perfect pairing. It has allowed us to expand our culinary events, demonstrations and restaurant menus, giving more Windstar guests opportunities to indulge in memorable meals prepared with locally sourced ingredients by some of the most recognized culinary talent in the world.

Intimately Yours

MEET YOUR NEW FAMILY

Windstar’s unique small ship cruising style creates a warm, welcoming atmosphere and a close-knit community of travelers who are just as curious, adventurous, and interesting as you are.

Everything from dining to daily activities to shore excursions is better shared with new friends. Split wines and appetizers with the couple sitting next to you in Candles. Congratulate your steward on his performance in the crew show. Join a conga line with the Captain. Enjoy a special camaraderie with fellow guests as you find yourselves sharing the same excursions. And don’t be surprised if the special memories lure you back again to the same ship, the same crew, the same friends.

Free to Explore

NEW WORLDS, NEW FRIENDS

Cruising on a Windstar small ship is like going to your favorite neighborhood restaurant, where you see friends at the table across the way and the staff knows exactly what you’ll order. It’s an intimate experience where you’ll share stories with like-minded travelers as you explore the world together. None of the formalities or stuffiness of other cruise lines, just authentic encounters leading to enduring memories.

NO JACKETS OR TIES REQUIRED

Look around the ship’s main dining room, AmphorA, and you will see people dressed tastefully yet comfortably in khakis and polo shirt, slacks, or a breezy sundress. Not a jacket or tie in sight. That’s the beauty of cruising in “resort casual” style.

OPEN DINING

There’s no rush to get back for an early dining time, no need to leave your new friends to sit at an assigned table. On Windstar, you dine when, where, and with whomever you want, with no assigned tables or seatings.

OPEN BRIDGE

Come up to the Open Bridge for coffee with the First Mate, or to see the sunrise over the bow. Watch the Captain navigate into a small port of call, and see how the computerized sails on our sailing ships are unfurled. There’s always something going on, and you always have a front row seat.

WATERSPORTS PLATFORM

Our ingenious Watersports Platform at the stern is your floating dock, letting you launch a paddle board, sailboat, or whatever toy tickles your fancy into that warm, turquoise lagoon right from the ship. All complimentary, of course.

(On select itineraries and ports of call.)

ONBOARD ENTERTAINMENT

Listen to an amazing musical duo in the Lounge.

Draw a queen to fill a royal straight in the Casino.

Get an insider’s scoop on the Monte Carlo Grand Prix from a guest lecturer. Activities, demonstrations, local performances and more make your time on board beyond ordinary.

SIGNATURE SAIL AWAY

Feel the hairs on your arms rise and a shiver climb your spine as the majestic strains of 1492: Conquest of Paradise by Vangelis announce your ship’s departure from every port.

THE RELAXING WINDSPA

Aches and worries vanish as you relax in the tranquil WindSpa. Let a soothing massage erase those tight calves from your hike ashore, soak in an aromatic spa bath, or get ready for an evening out with a new hair style, facial, and manicure.

FITNESS CENTER

Working out hardly feels like work in our 24/7 Fitness Center with floor-to-ceiling views of the sea. Watch for whales as you power walk on a treadmill. Lift free weights to a gorgeous sunset. Join a complimentary instructor-led fitness class with new friends.
Your Private Retreat

All the comforts of home, all around the world

Imagine the perfect retreat, where everything from the soft lighting and seascape colors to the invitingly comfortable bed soothe and seduce you. Run your hand over leather headboards as soft and supple as a luxury car seat. Hold court over cocktail hour in the generous seating area with an in-suite bar stocked with your favorite beverages. Go ahead and slip into your cozy waffle-weave robe and slippers and surrender to the mesmerizing ocean view from your private viewing balcony. There’s so much more awaiting you tomorrow.

All staterooms include:

- Fresh flower and fruit baskets
- Luxurious Egyptian cotton linens
- L’Occitane en Provence® bath products
- Bose® Sound Dock
- Comfy waffle-weave robe

Suites on Star Class ships also include:

- Spacious walk-in closets
- Marble bathrooms
- Full-sized tub

When in Rome

We bring your destination on board

At Windstar, we don’t just take you to fascinating destinations, we take you into them, giving you unique access to ports and scenic waters where large ships can’t go, and enhancing your understanding of the places you visit.

Have you ever wanted to learn about the meaning of intricate Polynesian tattoos or the inner workings of the Monte Carlo Grand Prix? On select Windstar voyages, guest lecturers turn your cruise into thought-provoking explorations. From wild striped bass with tomato sage “fondue” to lobster risotto, our Windstar chefs take your taste buds on a journey through local cuisine, created from fresh local ingredients. You’ll also be treated to traditional cultural entertainment as local performers come on board to dance, sing, and share their stories.

TRAVEL PROTECTION – Commissionable at 10%

Windstar Cruises offers guests the opportunity to purchase either our Full Sail or Full Sail Plus Protection Plan. Both of these plans are optional and must be paid for at time of deposit. Payments are not refundable. Both plans are available for U.S. residents.

Because cancellation fees apply regardless of the reason for cancellation, including medical and family matters, we strongly recommend the purchase of either the Full Sail Plan, which protects guests if their trip is canceled or interrupted for covered reasons — or Full Sail Plus Plan, which provides the added protection of a future cruise credit if they cancel for uncovered reasons.

Both Plans include:

• Trip interruption benefit
• Travel delay benefit

Primary Medical expense/emergency assistance benefit
One call 24-hour travel services network

For further information ask for the plan certificate which fully details the coverage, provisions, limitations, and exclusions of the plan offered and is available upon request at any time. The certificate will be included in the cruise documents. You may view the Travel Protection Plan at www.tripmate.com/wpf429W.

GIFTS & SERVICES

Arrange for a spectacular send off with an appealing selection of onboard gifts that include champagne, wine, flowers, WindSpa treatments, chocolate-dipped strawberries, and much more. Guests may purchase these items on board on the first day of the cruise, or in advance. When ordering a gift for a guest, call at least 7 days before the sailing date.

For more information and to book packages, please call Windstar Vacation Planning at 800-258-7245, or select options and packages using bookWINDSTAR ONLINE or Agent Hub.
OVERNIGHTS & EXTENDED STAYS
Full day calls, late departures, and overnight stays are a great way to attract new cruisers who may not have considered cruising before due to the perception of limited time in port. Windstar itineraries often have very few days at sea, focusing on taking your clients to exotic and interesting places and providing them with an elegant mobile hotel during their journey.

NOT YOUR MASS MARKET CRUISE
With fewer than 310 guests, Windstar ships help your clients escape from crowds and long lines and gives them more personal space and personal attention. It usually takes only a day or two for the officers and crew to learn names and preferences, and guests quickly form friendships that often endure far beyond the end of the cruise.

IT’S ALL ABOUT THE DESTINATION
Windstar’s port-intensive itineraries make the most of a traveler’s time. Ships often travel at night so guests can wake in a new port with a full day to explore, and by carefully planning the distance between port calls we offer more ports and fewer at-sea days. When guests are on board, regional culinary demonstrations, local cuisine, and cultural enrichment opportunities help bring them closer to their destinations.

STAR COLLECTOR VOYAGES
Windstar itineraries often offer your clients the opportunity to enjoy a back-to-back cruise experience, with more ports and few repeated ports of call. Star Collector voyages combine our most popular back-to-back itineraries at an exceptional value and help your clients make the most of their time in a given region.

This is truly a win-win: your clients remain in the same stateroom or suite for both segments, and Windstar offers free laundry and discounts for booking Star Collector cruises, which brings more value to your clients and more commissions to you.

NOT YOUR AVERAGE CRUISE, NOT YOUR AVERAGE CRUISER
According to the 2015-2016 Cruise Industry News Annual Report, the luxury market niche could see a 53 percent increase in passenger capacity from 2015 to 2018. And in CLIA’s 2015 State of the Cruise Industry Report, specialty segments including small ships continue to experience double-digit passenger growth. This means that the market for Windstar — and your potential for revenue from selling Windstar — is stronger than ever.

Here’s how to identify a potential Windstar guest and a few ways to close the sale on a cruise that is recognized as one of the industry’s best values.

"Our Regional Sales Manager, has been great helping with a group I have on the Wind Surf for March, 2018. She is quick to respond and answers all my questions. I asked for resources and they were mailed to me immediately. I asked if we could do marketing together and she asked me what I needed. I love working with people like her, who want me to succeed and will do everything to help.”

A UNIQUE TASTE OF THE ORIENT

Windstar in Asia is pure magic, taking your clients to the heart of cosmopolitan marvels like Singapore, Hong Kong, Bangkok, and Tokyo and to the exotic shores of small villages and unspoiled islands in Thailand, Malaysia, Vietnam, and the Philippines. Itineraries range from 7 to 56 days, filled with once-in-a-lifetime experiences: cherry blossoms blooming in Japan, World War II history in Japan and the Philippines, wild Borneo, the Mekong Delta, the jungles and still villages of Brunei.

- Your clients can enjoy evening activities and explore further afield with overnights in Singapore, Phuket, Manila, Halong Bay, Shanghai, Kyoto and more.
- Guests can explore fascinating UNESCO World Heritage Sites including Halong Bay’s spectacular limestone outcrops; Penang’s colonial heart, George Town; Shuri Castle, and the subterranean river on Palawan.
- Unique Star Collector voyages like our 56-day Odyssey of the Orient offer a more in-depth exploration of each region by combining back-to-back itineraries with few repeated ports of call. (Many other itineraries can also be combined.)
- The tiny sultanate of Brunei with its maze of wooden boardwalks, the most beautiful mosque in Southeast Asia … amazing sights and experiences are on every itinerary.
- A guest favorite: Cruising through the Hundred Islands National Park on an outrigger boat and swimming in the idyllic crystal waters.
- Make your clients’ dreams come true as they snorkel or SCUBA dive the well-preserved World War II Japanese wrecks off of Busuanga Island.
- Help them check off bucket list destinations and extend their stay with Land Tours to Angkor Wat, the Terra Cotta Warriors, and the Great Wall.

WE’RE TAKING CRUISING IN A DIFFERENT DIRECTION
MEDITERRANEAN

- Scenic cruising along the Mediterranean’s most picturesque coastlines from the Balearic Islands and Sardinia to the Rivieras and Italy’s beautiful Amalfi Coast.
- Your clients get a personal look at local culture with one-on-one excursions such as a cooking challenge at a Maltese farmhouse in Valletta, a photo safari in Split, Croatia, and the chance to make their own Greek vase in Rhodes.
- On board, they learn more about the world around them from onboard experts on oceanography, history, foreign policy, and more.
- Overnight in fascinating ports like Nice, St. Tropez, Mykonos, Monte Carlo, and more.
- As one of the few cruise lines with a significant presence in Greece in 2018, Windstar’s guests enjoy a complimentary Destination Discovery Event, dining at the ancient Celsus Library in Ephesus on Greece itineraries.

NORTHERN EUROPE

- Take your clients beyond the highlights and help them discover places in-depth as they circumnavigate Iceland, explore the Isle of Man, and visit remote villages and islands custom-made for small ship access.
- Guests can follow in the wake of the Vikings as their small ship takes them through enchanting fjords and forgotten archipelagos.
- Give your clients a personal look at local culture with unique excursions: they can make their very own Gouda cheese at a Dutch dairy farm near Amsterdam, take a cooking class in Bordeaux, ride an Icelandic horse in Akureyri, or go on a RIB boat adventure at Geiranger Fjord.
- Guests learn more about the world around them from onboard experts on oceanography, glaciology, Russian culture, and more.
- Access destinations that are difficult to reach by land, and regions few people will ever visit: the impossibly narrow Trollfjord, accessible only to small ships, and Honningsvåg, Europe’s northernmost port and home to the Midnight Sun.
- Visit a wide range of ports from big cities like Copenhagen, Reykjavik, Dublin, and Oslo to small cities like Mariehamn and Tobermory.
- Overnight in northern jewels like St. Petersburg, Bordeaux, Oslo, Seydisfjordur, Edinburgh, and more.

VIVE LA DIFFÉRENCE

Windstar shows your clients a Europe few people ever see. Traveling with fewer than 310 guests, they dock right in the heart of Old World cities and visit villages off the beaten path where larger ships can’t go. They’ll also spend more time in port, where their small numbers ensure a more authentic experience. Local performers bring entertainment on board, they can swim right off the Watersports Platform into cerulean waters brimming with legends, and your clients can choose from unique culinary explorations that take them deep into local culture and history.
CARIBBEAN

- Your clients will discover unspoiled beaches, hidden harbors, and small towns that can only be experienced on a small ship.
- Let them escape the crowds and long lines of the mass market cruises on a ship carrying fewer than 310 guests.
- Give them a stunning sampler of Caribbean islands with port calls including St. Barthélemy, Barbuda, Antigua, St. Maarten, the British Virgin Islands, St. Lucia, Montserrat, and more. Many itineraries offer stunning views of the magnificent Pitons as they leave St. Lucia.
- Let them go where few others go, like Little Bay, Montserrat – the “Pompeii of the Caribbean” – an island that is half lush and green, half gray and covered in ash from the 1995 volcanic eruption.
- Late night stays in Gustavia and overnights in Jost Van Dyke and Virgin Gorda let them spend more time in port and explore the many bars and beaches in the area.
- They’ll experience Windstar’s Signature Beach Party, complete with jerk chicken, crystal-clear waters, and stand-up paddleboarding.

TAHITI

- Explore up to 8 islands, including Bora Bora, Moorea, Raiatea, Huahine, Fakarava, and more.
- Choose from year-round Tahiti voyages, traveling on our lovely white sailing ships with fewer than 148 guests.
- Your clients will learn about Polynesian culture with onboard music, dance, and flower presentations.
- Guests discover each island’s unique Tahitian spirit as they take in the rugged mountain peaks, spectacular coral reefs, turquoise blue lagoons and unspoiled motus (islands).
- A complimentary Destination Discovery Event lets guests feast on a specially prepared dinner on a secluded motu in Bora Bora with fire dancers and more.
- Guests explore remote Fakarava, a place so stunning and with such a diverse ecosystem that it has been deemed a UNESCO Biosphere Reserve.
- Voted Most Romantic Cruise (2016) by Brides magazine.
- Simplify logistics with convenient packages including air + hotel + transfers.

COSTA RICA & PANAMA

- The perfect way to visit many of Costa Rica’s national parks and search for wildlife including scarlet macaws, sloths, howler monkeys.
- Includes a daylight transit of the massive Panama Canal, one of the 20th century’s greatest feats of engineering, on a small ship where they can experience the Canal’s inner workings close up.
- A Costa Rican Naturalist is on board throughout the cruise to give presentations, answer questions, and guide hikes.
- Destinations include the rich ecosystem of Golfo Dulce, famous Manuel Antonio National Park, and the Osa Peninsula with some of the best SCUBA and snorkeling in Costa Rica.
- Optional land tours extend your clients’ explorations to Arenal Volcano, Monteverde’s cloudforest, and Tortuguero, a major nesting site for green sea turtles.
- Active itineraries include wet landings by Zodiac and hikes through the lush rainforest.
- Extended 10- and 11-day voyages showcase more of this spectacular region from the tropical dry forest on the north Pacific coast of Costa Rica to the Osa Peninsula, tropical rainforest to bustling Panama City, small beach islands and abundant marine life.
- Every cruise includes Windstar’s Signature Beach Party at Isla Parida, an island they’ll have all to themselves, complete with water toys, volleyball, full bar, and an impressive buffet.
A FRESH LOOK AT A FAMILIAR CONTINENT

Our Alaska and Canada & New England cruises are filled with all the things your clients want to see — towns brimming with American history, majestic scenery, fascinating native cultures. Plus, they’ll visit unique ports of call and waterways reserved for small ships like ours, including Misty Fjords and Kenai Fjords in Alaska, and Cape Cod and the Canso Canal in New England. The difference is not only in where they go, but in what they experience along the way, with informative guest speakers and Signature Expeditions that get them closer to the people and places they visit. Our Star Promise to you is to help you fulfill your clients’ North American wish lists from glaciers to lighthouses, whales to lobster tails.

ALASKA

• An ice-fortified all-suite ship that brings your clients closer to glaciers, and into the heart of Misty Fjords National Monument and Kenai Fjords National Park.
• With scenic cruising through Grenville Channel, your clients will see the true Canadian Inside Passage, a place unfrequented by larger crowds.
• Book your clients on Windstar’s Signature Expeditions featuring lectures, whale watching, and guided kayak and Zodiac tours launching directly from the ship led by onboard experts providing insight and education.
• Guests have the opportunity to mingle with expedition experts throughout the entirety of their cruise.

• Your clients will absorb views of the glaciers from the comfort of their spacious suite, with voyages designed to maximize scenic cruising and observation of wildlife as it happens.

CANADA/NEW ENGLAND

• Help your clients explore this historic region in-depth with longer 9- to 16-day itineraries offering unique ports like Rockland and Provincetown.
• Onboard lecturers give them an insider’s perspective on Inuit culture, while excursions like scenic hikes let them take in amazing views of the breathtaking landscape.
• A northern transatlantic crossing features rare calls to Red Bay, Labrador; Gros Morne National Park, Newfoundland; and L’Anse Aux Meadows, Newfoundland.
• Your clients can explore at their own pace with overnights in Quebec and convenient arrival/departures in Montreal, a port only accessible to small ships.
• Sail off the beaten path through Cape Cod and the Canso Canal — two experiences few cruise lines offer due to the size of their ships.
• Cruise the scenic waters of Prince Christian Sound, only accessible three months of the year.
