AT WINDSTAR, NEW DISCOVERIES ARE OUR SPECIALTY ...

Just one of the many things we love about Windstar guests: their burning desire to explore new places. In 2019–2020 we indulge that wish to a degree that is nothing short of thrilling, with fresh, new itineraries and an astonishing number of maiden ports of call. New discoveries and exciting experiences await you throughout our wonderful world. What’s your next adventure?

WHAT’S NEW IN 2019-2020

ASIA : Cruise Tours combine popular cruise itineraries with “must see” sights inland to make your Asia experience complete. See highlights like the Great Wall of China, Terracotta Warriors, Angkor Wat, and Kyoto along with less-visited ports like Ko Kut, Pulau Menyawakan, Kuching, and Tamano.

CARIBBEAN : The Dominican Republic, Jamaica, the Cayman Islands ... we’ve found more of the best hidden beaches, towns, and natural beauty off the tourist radar. Explore colonial history in San Juan, or check out Soufriere, another secret corner of the Caribbean.

TAHITI & SOUTH PACIFIC : Our Tahiti cruises are perennial favorites, so by popular demand we now offer itineraries throughout the far-flung islands of the South Pacific. Cruise to tiny island nations like Niue, and to exotic Vanuatu. Explore the Cook Islands, Tonga, and French-flavored New Caledonia.

STAR COLLECTOR VOYAGES : Star Collector Voyages combine back-to-back itineraries to give you a more in-depth look at the areas that interest you. Visit more out-of-the-way ports of call. Enjoy more scenic cruising. Lounge on more hidden beaches. And extend your pleasure to 50 days or more on our new “grand” Star Collectors in the Mediterranean, the Americas, or the Caribbean.

U.S. WEST COAST : Make your way down the U.S. West Coast sampling foodie favorites from Portland microbrews to San Francisco sourdough, and visit vibrant communities like Sausalito and Monterey.

CENTRAL AMERICA : Our adventures south of the border now extend to the west coast of Mexico, the Sea of Cortez, and Central America’s Gulf of Honduras. Make a rare excursion to Cayo Holandes in Panama’s San Blas Islands or hard-to-reach Isla San Andres. Board *Wind Surf* for a partial transit of the Panama Canal.

CULINARY CRUISES : Choose from six new James Beard Foundation culinary-themed cruises in 2019, from Southeast Asia or the Dalmatian Coast to the Caribbean, Costa Rica, and the U.S. West Coast.

YOU'RE CLOSER THAN EVER

NO ONE ELSE GOES SO FAR TO GET TRAVELERS SO CLOSE

You're closer to secluded coves, tiny villages, misty fjords. To ancient ruins, medieval alleyways, quaint marinas. To unspoiled beaches, unfamiliar cultures, undiscovered atolls. To enlivening your curiosity and awakening your sense of wonder. You're closer than ever to the kind of authentic and unforgettable experiences that you travel to find in the first place. You're about to board Windstar. And you're closer to all the places that larger ships can't reach.

SEE A WORLD FEW WILL EVER SEE

Welcome to a world of understated luxury and uncommon beauty. A world that leaves crowds and commonplace behind to find unique ports of call, and local, exotic cultures that are at once fascinating and wondrous. A world that's equal parts intimate, indulgent, and inspiring. Where the allure and beauty and magic of the places you sail to is equaled only by the ship that takes you there.

PERFECTLY SIZED

HARDLY A CRUISE FOR EVERYONE, BUT LIKELY THE CRUISE FOR YOU

Banish cliché, toss aside regimen, steer clear of stuffy. Our perfectly sized ships make it possible to flip the script on cruising. Free yourself from crowds and indulge all your senses, especially your sense of awe. Experience cultures in ways that are personal and authentic, with the power to change your perspective. With 148–310 guests, a Windstar ship is large enough to pamper, yet small enough to explore secluded coves and docks in the heart of charming villages, sparkling cities, and remote islands.

Wind Spirit in Tahiti

BEYOND THE REACH OF ORDINARY

The undeveloped beauty of Ko Kut, Little Bay on Montserrat, Isla Parida in Panama. The spectacular Pitons in St. Lucia, the delicate green-and-brown mantle of Iceland's Surtsey Island, the diver's paradise at Fakarava. Medieval alleyways of Monemvasia. These are the hidden wonders, unique ports of call, and less-traveled waterways that Windstar's elegant ships can find, and the source of memories that will stay with you forever.

BEYOND SIGHTSEEING

PREPARE TO BE SURPRISED

Yes, our ships are beautiful, but their real beauty lies in how close they can get you to the kind of authentic, immersive experiences you're looking for. Have dinner with a Croatian family in their village home, and see what life is like from a local perspective. Take a culinary tour in Da Nang, and see the cultural role food plays in Vietnam. Launch a kayak directly from the ship on one of our Signature Expeditions in Alaska. And our carefully curated onboard lecturers deepen and enhance your experiences with an insider's look at intriguing local topics. Get closer to each destination through the best small ports and hidden harbors, for access to different cultures and far-off lands.

NOT EXACTLY YOUR TYPICAL EXCURSION

Unless you think an excursion to see goats in trees is typical. Our shore excursions are incomparable, once-in-a-lifetime adventures. We'll help you select shore experiences that are suited to you, from certified SCUBA dives and rejuvenating

baths in volcanic springs, to archaeological wonders and regional wine tastings. Small group excursions can take you to meet locals eager to share their homes, cuisines, and cultures. It's an unparalleled way to experience other lands and see the world from a new perspective.

TRUE AUTHENTICITY

GET TO THE HEART OF LOCAL CULTURES WITH WINDSTAR SHORE EXCURSIONS

You don't want to just dip a toe in local culture, you want to dive into the deep end, and that's exactly what Windstar shore excursions are designed to do. All of our excursions are created to provide authentic local experiences – the kind travelers like you are looking for. And with more than 1850 excursions to choose from (150 new for 2019), you can experience your destination in whatever way is most meaningful to you whether you're an outdoor enthusiast, a foodie, a history buff or someone who loves to get to know the faces behind the many places we travel.

"We will never put a guest on a tour we haven't personally designed or curated."

~Kelly Hubbard, Director of Product Development

WE MAKE SURE THE HOT SPRINGS ARE HOT AND THE PINOT GRIGIO IS CHILLED

How do we find these authentic experiences, you ask? Our product managers travel to each destination and personally go on each shore excursion to make sure it makes the grade. (So yes, that Open Course Canopy Challenge in Falmouth Harbour, Antigua?

They went on that.) And because we travel in small groups, we can adjust tours in real time based on guest feedback, whether that means finding a different place for lunch or spending more time at a particularly fascinating historical site. We take the time and make the investment because we want your hard-earned vacation to be unforgettable.

4 REASONS TO CHOOSE WINDSTAR SHORE EXCURSIONS

- 1. Immersion in regional culture.** Local guides reveal insider highlights, and smaller groups – like our Signature Expeditions in Alaska – let you skip the crowds.
- 2. Personal tours.** You can choose a private English-speaking guide and vehicle, and design your own, unique tour.
- 3. Safety and convenience.** Every Windstar excursion coordinates with your ship's schedule and is fully insured, licensed, and bonded.
- 4. Quality.** Our guests consistently rate their shore excursion experiences as excellent.

JUST WHAT YOU'RE LOOKING FOR

Choosing the right excursion is easier than ever – just pick the tier that's right for you.

ANTICIPATING WISHES

EVERYTHING IS PERSONAL WITH US

It's knowing to bring you the exact right thing at the exact right time. An exquisitely made hand-crafted cocktail when you're savoring the sea breeze from your deck chair. A perfect chocolate soufflé, as you contemplate what the lovely night has in store. A welcoming smile and warmed refresher towel waiting for you after seeing sights you still can't quite believe you saw. Every moment we'll be near at hand, making sure you're the favored recipient of unprecedented, award-winning service.

NOTHING MAKES US HAPPIER

The moment you board you'll feel it: an ever-attentive crew at your service, providing you with what you want and need, when you want and need it. Delighting in your smile. Taking pure pleasure in your contentment. The Windstar staff-to-guest ratio is 1:1.5, and it shows. It's why Windstar was named for Best Service last year in the Cruise Critic Cruisers' Choice Awards.

FREEDOM TO EXPLORE

WE DON'T BELIEVE IN KILLING TIME

That's why we don't have jam-packed onboard programs filled with bingo and black jack tournaments. Instead, visit local markets with our Chef. Have the Yacht Club prepare sandwiches to take ashore. Drop by the Open Bridge for an impromptu lesson in chart reading. Share bottles of wine and appetizers with the couple sitting next to you in *Candles*. Listen to live music in the Lounge. Dive directly off the ship from our Watersports Platform. And most of all, do more of the things you want to do when you travel.

WINDSTAR FAMILY

On a small ship, it's a more intimate group, so it's no surprise that you're able to build friendships that last a lifetime. It's something Windstar is known for — part of the warm,

welcoming atmosphere you'll find on board all our ships. Laugh your way through the crew show. Join a conga line with the Captain. And discover common ground with fellow guests as you share travel adventures in the Lounge or encounter them on excursions time and again.

OUR SECRET RECIPE

YOU DIDN'T COME ALL THIS WAY FOR THE BURGERS

Discover the essence of Tahiti's pure waters in fresh ahi tuna, Vietnam's enduring mystique in colorful dragon fruit, the terroir of Tuscany in delicious prosciutto. No matter what destination calls your name, the local culture is deliciously reflected in the meals you enjoy on your Windstar ship. Fresh, local ingredients – often selected by your ship's chef on a trip to the local market – go into each perfectly presented dish. It's just one more way we help you devour local life and community, and whet your appetite for travel.

**FINE DINING HAS ALWAYS
BEEN ONE OF THE PILLARS OF
THE WINDSTAR EXPERIENCE.**

We've taken that talent and expertise one step further by partnering with the James Beard Foundation to bring you culinary experiences that are truly 180 degrees from ordinary. Now guests can dine on dishes created by not just one celebrity chef, but by a list of all-stars recognized by the James Beard Foundation, an organization committed to culinary education and achievement. This partnership also extends beyond the dining room to a wide range of culinary events and activities that help guests connect more intimately with local cultures.

CRUISE WITH A CULINARY SUPERSTAR

Imagine visiting a local market with your favorite chef to shop for the freshest local ingredients, then learning firsthand how they turn those ingredients into mouthwatering Sicilian Cannoli or Mushroom Polpettine. **THIS IS THE
PERFECT SHIP.**

**NO, THIS IS THE
PERFECT SHIP.**

THE RIGHT SHIP FOR THE RIGHT JOURNEY. PERFECT.

Windstar was voted the World's Best mid-size ship ocean cruise line by the readers of *Travel + Leisure* in 2018. Our fleet of small ships carry between 148-310 guests. So, wherever you go, you can slip past the crowds to discover smaller ports and get to know the local culture on more intimate excursions. We offer two different ship styles, and design journeys that highlight their unique attributes, whether that might be island hopping in Tahiti or sailing through the Norwegian Fjords.

THE STAR CLASS – Three identical, all-suite cruise ships with expansive interiors, perfect for island hops or longer journeys

Settle in and prepare to feel pampered. Expansive, impeccably appointed ocean view suites with balconies make the Star Class the best way to explore parts of the world in any type of weather when there's more distance between ports.

All ocean view suites

Stretch out in what is considered a very large suite by cruising standards at 277+ square feet. Relax in the stylish comfort of your exquisite private quarters while taking in expansive ocean views from a picture window or French balcony.

The comfort of home

Every aspect of your suite is designed to enhance your journey. You'll enjoy a comfortable bed, luxurious white marble bathroom, and a walk-in closet for your belongings.

Any destination, any climate

In nice weather, enjoy alfresco dining and breathtaking views on the ample outdoor deck. As evening approaches, retreat to beautiful indoor spaces and enjoy the view outside from floor-to-ceiling windows.

Fewer guests, more space

Carrying just 212 guests, these small, yet spacious ships let you truly experience the personalized approach Windstar is famous for. With plenty of room to stretch out, these ships offer beautiful open spaces with a lounge and Yacht Club, plus the popular Star Bar.

THE WIND CLASS – Sleek sailing ships, perfect for warm weather adventures

Depart from the everyday on a truly yacht-like experience. An abundance of wide open decks and elegant outdoor spaces to take in stunning coastlines make the Wind Class a perfect way to experience warm seas and tropical breezes.

Ocean view staterooms

The Wind Class boasts gracious ocean view staterooms with queen beds and roomy showers with massage shower heads. Beautifully appointed with seascape colors and gorgeous art-work, it's more than a room, it's a personal retreat.

The flying bridge

An unforgettable highlight of the Wind Class journey is to experience the flying bridge. This deck is designed in the style of a traditional unsheltered navigation point. You can relax on deck chairs next to a captain's wheel while taking in the ships' sails and views of the sea and shoreline from above it all. Don't forget to snap some pics. This is a one-of-a-kind photo op.

Wind Surf

This is Windstar's flagship sailing ship and the world's largest sailing vessel. Offering a yacht-like experience, it carries 310 guests, has six decks, yet is still small enough to dock in the world's smallest ports. *Wind Surf* features the most beautiful public spaces at sea, including an additional restaurant, *Stella Bistro*, which whips up French cuisine. You can book an ocean view stateroom or ocean view suite.

Wind Star and Wind Spirit

These two sailing ships capture the essence of small ship sailing, each carrying just 148 guests. They feature wide open teak decks with plenty of nooks for private moments, making it feel like you're on your private veranda. These ships were made to pull into secret lagoons and dock at secluded beaches.

WHAT ALL OUR SHIPS HAVE IN COMMON IS NOT COMMON AT ALL.

Made for relaxation, our ships boast ample decks and a Watersports Platform that lets you dive right into the ocean from the ship. All staterooms and suites offer ocean views in casual, elegant style. Special touches such as L'Occitane® bath products, and waffle weave robes and slippers turn your room into a private oasis. With three world-class restaurants, *AmphorA*, *Veranda* and *Candles*, and the most personalized service at sea, you have everything you need right on board.

“From the perfect symmetry of Mount Fuji to the towering limestone pillars and emerald waters of Halong Bay, the splendor of the Great Wall to the world-renowned beaches of the Philippines, Asia is simply magical.”

~ Anna Ferma, Assistant Destination Manager, *Star Legend*

INTOXICATING NATURAL BEAUTY, seductive cuisines, exhilarating cities. Asia has something to satisfy every traveler, and Windstar serves it all up on a beautiful ship-shaped platter. Anchor overnight in Phuket’s Patong Bay, the main attraction, while big ships dock on the far side of the peninsula. Cruise up the mouth of the Chao Phraya River to dock in the heart of Bangkok, not in the big ship cruise port of Laem Chabang hours away. And on beautiful Ko Kut, tender to a private pier for Windstar’s Signature Beach Party and Barbecue.

WHY WINDSTAR’S ASIA:

- Meet geishas in Osaka, baby elephants in Bangkok, and Vietnamese chefs in Ho Chi Minh City
 - Go off the beaten track to smaller hidden harbors like Karatsu, Ko Kut, and Pulau Menyawakan
 - Stay late into the evening or even overnight in major destinations like Shanghai, Phuket, and Hong Kong
 - Dock or anchor in the most coveted parts of Ho Chi Minh City, Bangkok, and Phuket — closer than big ships can get you
- Get insider tips on where to go and what to see as we visit the crew’s home countries of Indonesia and the Philippines

Kagoshima, Japan

DAY 1 • Yokohama (Tokyo), Japan

There are as many Tokyos to discover as there are interests. Cuisine? It has more Michelin stars than any other city. Culture? Kabuki theater and sumo wrestling are just the beginning. Shopping? The posh boutiques of Ginza lie on one end of the spectrum, workshops that hand-craft samurai swords at the other.

DAY 2 • Shimizu, Japan

Frame the perfect portrait of Mount Fuji from a hundred perfect angles, or just savor its symmetry sans lens. Either way, consider your day here well spent.

DAY 3 • Shingu, Japan

Pilgrims have been climbing the Kii Mountain Range for a thousand years, but few visitors to Japan even know about the trio of sacred shrines that compose this UNESCO World Heritage Site. The most striking, Kumanonachi Taisha, includes a fiery orange pagoda posing next to Nachi Falls, the tallest waterfall in Japan. Don’t fail to turn around and look back down the often mist-shrouded valley.

DAY 4 • At Sea

DAY 5 • Kagoshima, Japan

This castle town with its signature Sakurajima volcano dates to the 14th century. Time-travel back to the days of the samurai in Chiran’s picturesque samurai district, its views unsullied by telephone poles or parked cars. Go “sand bathing” in the naturally heated sands of Ibusuki.

DAY 6 • Scenic Cruising Hashima Island/ Nagasaki, Japan

Explore World War II’s legacy in the Atomic Bomb Museum and Peace Memorial Park, or discover the historic Dutch trading post on Dejima Island where Japan attempted to keep its finger in the dike of western influence.

DAY 7 • Busan, South Korea

Hot springs, 1,500-year-old Tongdosa Temple, and the UNESCO World Heritage Site of Gyeongju — once the capital of the Shilla

Okonomiyaki pancake

Kingdom — are just a few highlights of South Korea’s second-largest city. For something different, visit Gamcheon Culture Village where terraced homes pour over the slopes like a rainbow-hued waterfall.

DAY 8 • Karatsu, Japan

Karatsu is about as close as Japan gets to the Korean Peninsula, and it was a potter from Korea who introduced the city to its now-famous ceramics industry. The pottery is sturdy, solid, often in muted earth tones inspired by the natural beauty all around. Cherry trees and wisteria bloom around graceful white Karatsu Castle. Niji no Matsubara, a road skirting Karatsu Bay, tunnels through arching pine trees planted as a seawall in the Edo Period. Waterfalls drape the hillsides south of town.

DAY 9 • Hiroshima, Japan

Fold a paper crane to leave at the Atomic Dome, a UNESCO World Heritage Site, and visit Hiroshima Castle to see three trees that survived the bombing that destroyed the castle itself. Or head to Miyajima, one of the most scenic spots in Japan, for a look at the vermilion Itsukushima Shrine floating in the sea — yet another World Heritage site.

DAY 10 • Takamatsu, Japan

Every visit to Takamatsu must include at least two things: Dining on udon noodles and Ritsurin Garden. It took 120 years to create Ritsurin Garden, an Edo-period strolling garden of ponds, bridges, artificial hills, and pavilions, with Mount Shiun thoughtfully placed in the background. Even without knowing it’s earned three Michelin stars you can’t help but be impressed, especially right now when the park’s cherry trees are in bloom. Take a wasen boat across the main pond and savor views once reserved for feudal lords.

DAY 11 • Osaka (Kyoto), Japan

Kimono-clad geishas scurry through the Gion District. Zen gardens with raked sand invite contemplation. Himeji Castle (White Heron Castle) echoes with the footsteps of ancient samurais and ninjas. Old Japan lives on in Kyoto, the historic capitol, just waiting for your discovery.

Motu Mahaea, Tahaa, French Polynesia

Locals greet you with a cheerful “La orana!” when you arrive, just a taste of the friendliness you can expect to find wherever you go on the island. Between the island’s lagoon and open sea is a sprinkling of uninhabited motus, each more delightful than the last ... culminating in the finest of all, Mahaea. This is the destination

for our exclusive Signature Beach Party. Swim, snorkel, and enjoy a variety of water sports in the crystal-clear waters. Learn how to dance the Tahitian *tamure* or explore the island of Tahaa with optional excursions to vanilla plantations and sacred sites.

FEATURED SHORE EXCURSIONS:

Bora Bora: Snorkel Safari and Stingray Encounter

Glide across the lagoon on your cruiser to a shallow sandbar just past Motu Tapu. Don your snorkel gear and enter the drinking glass-clear water seemingly lit from below by the stunning white sand. This is a favorite haunt of several stingrays, and if and when they arrive you can touch these gentle creatures as they perform their effortless ballet around you. Harmless black tip sharks may also make an

appearance. Next, explore the unspoiled coral gardens by the barrier reef watching for butterfly fish, groupers, and hundreds of other vibrant species.

Raiatea: Harvest Your Own Pearl

Drive along Raiatea’s coast to the local wharf where a skiff transports you to the over-the-water reef house and pearl farm. The reef house is perched over Raiatea’s turquoise, pristine lagoon and offers breathtaking panoramic views of the ocean and island.

Swim over the oyster beds and through the coral garden to find your own personal oyster. Then back at the reef house, watch as the pearl grafter opens your oyster to reveal its Tahitian black pearl treasure — yours to take with you as a memento of your visit to Tahiti.

DAY 1 • Papeete, Society Islands

Arrive a few days early to get your first taste of sunrises and sunsets in colors from banana to hibiscus and to casually assume your Tahitian *aita pea pea* (not to worry) attitude.

DAY 2 • At Sea

DAY 3 • Fakarava Biosphere Reserve, Tuamotu Islands

Here is a rare opportunity to experience one of earth’s most beautiful — and most rare — places. Fakarava, a place so stunning, an ecosystem so diverse it has been named a UNESCO Biosphere Reserve. This diver’s paradise welcomes you to a world of magnificent cauliflower coral, sleek grey sharks, and neon schools of tropical fish. This “Island of Dreams” is home to rare species of nesting birds and rare marine life living in tranquil harmony.

DAY 4 • Rangiroa, Tuamotu Islands

Some people call this place heaven. You will call it perfect. The huge lagoon surrounded by beautiful coral and filled with colorful fish, rays, and dolphins is a diver’s dream. Explore in a glass bottom boat, take a dive that matches your level of expertise, or enjoy the magic of drift snorkeling. This is a place like no other on earth.

DAY 5 • At Sea

DAY 6 • Motu Mahaea (Tahaa), Society Islands

We will spend the day on a private island complete with swaying palm trees and white-sand beaches. Swim, snorkel, and enjoy a variety of water sports in the crystal-clear waters. Fakarava

FAKARAVA

LIKE NOWHERE ELSE ON EARTH

A UNESCO Biosphere Reserve

If you’re looking to get away from it all, there’s no better place than Fakarava, nicknamed “End of the World.” It’s a place that has only recently appeared on the radar of intrepid travelers, with uninterrupted coral gardens, two tiny villages, and rare species.

The inner lagoon of this remote outpost is a unique ecosystem that’s still revealing its mysteries, while one of the two passes that feed the lagoon has its own claim to fame — it’s a world-famous SCUBA diving site known for large pelagics like grey sharks. There are no banks or ATMs. No casinos or duty-free shops. Just paradise, *Wind Spirit*, and you.

- Experience the magic with Windstar’s Dive and Snorkeling Options.
- Visit a lovely Catholic church built entirely of coral in the late 1800s.
- Discover impossibly pink-sand beaches and uninhabited motus fringed with coconut trees.

SPOILED BY UNSPOILED BEAUTY

ON THE U.S. WEST COAST adventure has always loomed large and nature has always been ready and willing to set the table. And whether you’re exploring Kenai Fjords by Zodiac on an intimate Windstar Signature Expedition or dining on farm-to-table cuisine prepared by a James Beard Foundation chef, you’ll discover why adventurous souls from John Muir to Alice Waters have lost their hearts to this place.

Our Signature Expeditions get you closer, traveling into the wilderness by foot, kayak, or Zodiac in groups of no more than six guests.”

Denali, Alaska

BRING ALASKA’S WILD BEAUTY INTO FOCUS as you discover small towns and big cities, cruise far up narrow fjords to the twin Sawyer Glaciers or Dawes Glacier, and launch Zodiacs right from the ship into pristine wilderness on Windstar Signature Expeditions. *Star Legend* will get you closer to scenic shorelines along the Inside Passage, Kenai Fjords and the wildlife-rich Inian Islands, and you’ll enjoy the best wildlife viewing opportunities as we adjust our schedule to linger whenever whales are present. Is food your passion? Take a look at our James Beard Foundation voyage, combining colorful towns along the U.S. west coast with the flavors that have earned this region accolades around the world.

FEATURED PORTS:

Tracy Arm Fjord, Alaska

Sheer mountain peaks loom some 7,000 feet above you and waterfalls too numerous to count stream off the sheer rock cliffs. As you follow the route taken by John Muir by canoe in 1880, mountain goats watch from above and harbor seals with their pups watch from ice floes below. Harbor seals use this as a nursery since the ice interferes with whales’ sonar,

and the prolific twin Sawyer Glaciers produce plenty of ice. If we’re lucky enough to reach the glacier face you may witness a huge chunk of ice calving, a sight that will take your breath away.

San Francisco, California

Attractions in San Francisco range from its famous cable cars to one of the nation’s most trend-setting foodie cultures. Head to the historic Mission District for amazing

Mexican cuisine from upscale restaurants to taquerias. Sample the serenity of the Japanese Tea Garden at Golden Gate Park, built for the World’s Fair in 1894. Taste world-class wines in Napa and Sonoma. And learn about popular food movements from Asian fusion cuisine to Slow Food, all fueled by the city’s propitious location at the intersection of fertile farm land and world trade.

FEATURED SHORE EXCURSIONS:

Haines, Alaska: Chilkat Bald Eagle Float

Board your raft and enjoy a scenic float down the Chilkat River through the famous Chilkat Bald Eagle Preserve. Your expert guide will push the raft along, leaving your hands free for your binoculars or camera. Along the way, your guide will interpret the natural history of the area and share exciting stories of life in the Alaskan wilderness. Learn to spot bald eagles and gain an

appreciation for the challenges they face to survive. Early in the summer, resident eagles are often seen coming and going from their nest to feed their young.

Juneau, Alaska: Dog Sledding on the Mendenhall Glacier

Get fitted with glacier boots before boarding a state-of-the-art helicopter bound for the main attraction, mighty Mendenhall Glacier. Touch down at the dog mushing camp where you’ll meet professional dog mushers and their energetic Alaskan huskies,

then experience the unique thrill as these athletes pull you through the snow that blankets the glacier. Take turns directing the dogs with your musher and relaxing in the sled. Afterwards, take some time to cuddle with puppies and chat with your dog musher before boarding your helicopter to return to base.

SIGNATURE EXPEDITIONS BRING ALASKA TO LIFE

Imagine seeing the Great Land as John Muir saw it, from ground and sea level, not looking down on it from several stories high (or from miles away) as you would on a big cruise ship.

And while other cruise lines bring speakers aboard for a day, you'll enjoy the company of a half dozen experts for the full length of your voyage. You can ask questions and interact with these authorities on marine biology, botany, history, glaciology, and more whenever your curiosity is aroused.

In addition to formal presentations and getting to know our guest interests better, they lead small groups of guests on hikes and on expeditions by kayak and Zodiac — sometimes launching straight from the ship in remote places like Misty Fjords and Kenai Fjords where excursions aren't usually offered.

That's the intimate and engaging experience you get on a Windstar Signature Expedition.

*15-day itineraries do not cruise through Inian Islands or visit Icy Strait.

†Jul 2 and Jul 25 departures will visit Prince Rupert instead of Ketchikan.

Day 1 • Fairbanks

Rivers, mountains, emerald wilderness, and milky blue glacial lakes pass below during the flight to Fairbanks. After meeting your Alaskan Guide and transferring to your comfortable hotel, the rest of the day is yours to rest up or explore downtown Fairbanks' unique blend of old and new.

Day 2 • Fairbanks to Denali

Board the *Riverboat Discovery* for a trip back in time on the Chena River, stopping along the way to learn frontier living skills at an Athabaskan Indian village, watch an Alaskan bush pilot use the river as a runway, and visit Iditarod champion Susan Butcher's kennels. After a scenic drive to Denali National Park, get a taste of old-time Alaska at Alaska Cabin Nite Dinner Theater, complete with an all-you-can-eat salmon and barbecue ribs dinner.

Day 3 • Full Day at Denali

Spend a full seven or eight hours in the park famous for its wildlife, searching for moose, Dall sheep, caribou, grizzlies, and wolves. If you have energy to spare, finish the day with an ATV, zipline or horseback adventure.

Day 4 • Denali to Talkeetna

Board your deluxe domed train for a scenic ride to the quaint village of Talkeetna at the foot of Denali. Settle into your hotel, then listen to colorful tales of the area's history before your Farewell Dinner.

Day 5 • Talkeetna to Anchorage to Seward

The Seward Highway is one of the most breathtaking routes in Alaska, following along Turnagain Arm and through the Kenai Mountains. Pause in Anchorage for a visit to the Anchorage Museum before finishing the drive to *Star Legend*.

DAY 6 • Scenic Cruising Kenai Fjords National Park, Alaska

One of Alaska's most popular attractions, Kenai Fjords will take your breath away. Most cruise guests must leave their ship behind and board a smaller excursion boat to take in the scenery, but not you. You cruise past it all surrounded by the comforts of *Star Legend*, sipping cocoa on deck or relaxing by the windows in the Lounge.

Day 7 • At Sea

Day 8 • Sitka, Alaska

You can't miss the copper-domed St. Michael's Cathedral, one of 22 historic buildings that tell of Sitka's fascinating past. Looking around at the colorful harbor and brace of mountain peaks behind, it's hard to imagine how the Russians could have given up such priceless property for such a pittance.

Day 9 • Scenic Cruising Inian Islands/Icy Strait Point, Alaska (On 16-day only)

Alaska's largest Huna Tlingit village is just down the road. Or discover the island's other superlatives — Point Adolphus is home to Alaska's largest summer population of humpback whales, and the nearby Spasski River Valley is famous for having one of the highest densities of coastal grizzlies in the world.

Day 10 • Haines, Alaska

White-headed bald eagles, brown bears, pink salmon, spring wildflowers ... there's no end to photo-worthy subjects in the Chilkat Valley. Bring your camera — any camera — and catch your limit. Or opt for a dab of history and explore Fort William H. Seward, last of Alaska's gold rush-era military outposts.

Day 11 • Juneau, Alaska

Alaska's state capital does have roads, but if you plan to leave the city, it will have to be by air or water. One look at the 4,000-foot, glacier-draped peaks that nearly abut the city explains why. And who would want to leave? Residents are blasé about the whales that cavort in Gastineau Channel, the glacier and rainforest in their own backyard, the "catch of the day" that really is.

Day 12 • Scenic Cruising Tracy Arm/Endicott Arm, Alaska

As we make our way up stunning Tracy Arm Fjord, ice debris makes its way down, as if a giant icemaker was churning away at fjord's end. And in a way, there is. The twin Sawyer Glaciers are famous for calving copious amounts of ice from cube size to cabin size, glittering in the scenic fjord like diamonds.

Day 13 • Wrangell, Alaska

Fishermen can try their luck for enormous halibut and salmon, or enjoy some of the finest fly fishing in the world. There are outdoor activities galore, but for many the highlight is the Anan Creek Bear Observatory where wild black and brown bears fish for salmon as bald eagles (and you) watch.

Day 14 • Scenic Cruising Misty Fjords, Alaska

Rock walls shoot straight up from the sea, waterfalls tumble down slopes covered in lush vegetation, and your ship glides through mirrored reflections of the snowcapped peaks. Each bend of the fjord yields epic views as you penetrate the heart of Alaska's wilderness few other cruise lines visit.

Day 15 • Ketchikan, Alaska

Take a walk down historic Creek Street — actually a wooden boardwalk — past former bordellos and above swirling salmon. Smell the fresh tang of cedar as Tlingit, Tsimshian, and Haida artists carve totem poles and weave bark baskets at Saxman Native Village.

Day 16 • Scenic Cruising Canadian Inside Passage

Even prospectors on their way north to the Klondike must have paused to appreciate the beauty of this passage. The sheltering archipelago unfolds in layers of deep forest green on a sea the color of kelp and oyster.

Day 17 • Vancouver, BC, Canada

The city that began as a frontier fur trading post is now a bustling metropolis with an almost unfair boon of jawdropping natural beauty and thriving culture. Take it all in on your way to Canada Place Cruise Terminal.

Ketchikan, Alaska

THE NEW WORLD, REVEALED

VIKINGS CROSSED THE LABRADOR SEA to settle in L'Anse Aux Meadows. Centuries later, Portuguese fishermen, Basque whalers, French trappers, and English pilgrims would discover a Promised Land where nature nurtures both body and soul. Here, where the sun first kisses North America, Jacques Cartier found a place where "the scenery is indeed worth seeing and can't be properly described in words." The ravishing lighthouse-studded coast still inspires awe. Manna from the sea still delights palates. And small ships like ours still ply these waters with a freedom denied to larger ships.

BIRTHPLACE OF NATIONS

“Beautiful ports and scenic waterways combined with amazing shore-side offerings make Canada and New England ideal for our small ships. Guests can enjoy great cultural diversity. And the region is rich with culinary experiences featuring fresh, local seafood.”

~ Kelly Hubbard, Director of Product Development

Montreal, Canada

FROM THE AMERICAN REVOLUTION to the Birthplace of Canada, quaint fishing villages to iconic French-flavored cities, *Star Pride* shows you the best this region has to offer. Step into the Gilded Age in Newport and a lobster boat in Bar Harbor. Travel back to the days of the Vikings in L’Anse Aux Meadows and to Prohibition in colorful Lunenburg outside Halifax. See spectacular scenery from the rugged shores of Acadia National Park to picturesque Peggy’s Cove. The diversity of sights, tastes, and accents is astonishing, and makes you feel like you’ve traveled to foreign lands without ever being too far from home.

WHY WINDSTAR’S CANADA & NEW ENGLAND:

- Sail through intimate waterways like the Cape Cod Canal and Canso Canal, accessible only by smaller ships
- Stay overnight in Quebec City, one of only three lived-in UNESCO World Heritage Sites in the world
- See rare corners of remote Newfoundland and Labrador
- Discover Acadian and Scottish cultures in Nova Scotia, French culture in Quebec, and the utterly unique Downeast culture of Maine
- Cruise into the heart of Montreal under Laviolette Bridge, a barrier that forces some larger ships to dock 2 hours away in Quebec City
- Capture an iconic photo of the Statue of Liberty before cruising under the Verrazano Bridge on your way to Manhattan, and then dock in the heart of the city, close to all the best Big Apple attractions
- See New England’s spectacular fall foliage during our autumn cruises
- Visit small, rarely visited ports of call like L’Anse Aux Meadows, Red Bay, Bonne Bay, Provincetown, Gaspé, and Saguenay

FEATURED PORTS:

Halifax, Nova Scotia

What started as a British naval garrison was soon home to fishing boats, pirates, and rum-runners, resulting in a history almost as colorful as the restored clapboard buildings along the Harbourwalk. Catch up on the city’s seafaring past — including artifacts from the *Titanic* disaster — at the Museum of the Atlantic.

Or climb the hill to the star-shaped Citadel where costumed re-enactors transport you back to colonial days.

L’Anse Aux Meadows, Newfoundland

Over a thousand years ago — more than 500 years before Columbus — Norse explorers sailed here from Iceland and Greenland and built an encampment of timber-and-sod buildings. It’s likely this

was a seasonal camp to collect timber and game, which at the time was quite plentiful nearby. But the Vikings left after less than a decade after repeated run-ins with indigenous people. The camp and its artifacts have been recreated so you can see how these early Viking-Americans lived. It’s a site that’s truly worthy of its UNESCO World Heritage status.

FEATURED SHORE EXCURSIONS:

Bar Harbor: Grand Tour of Acadia National Park and Lobster Bake

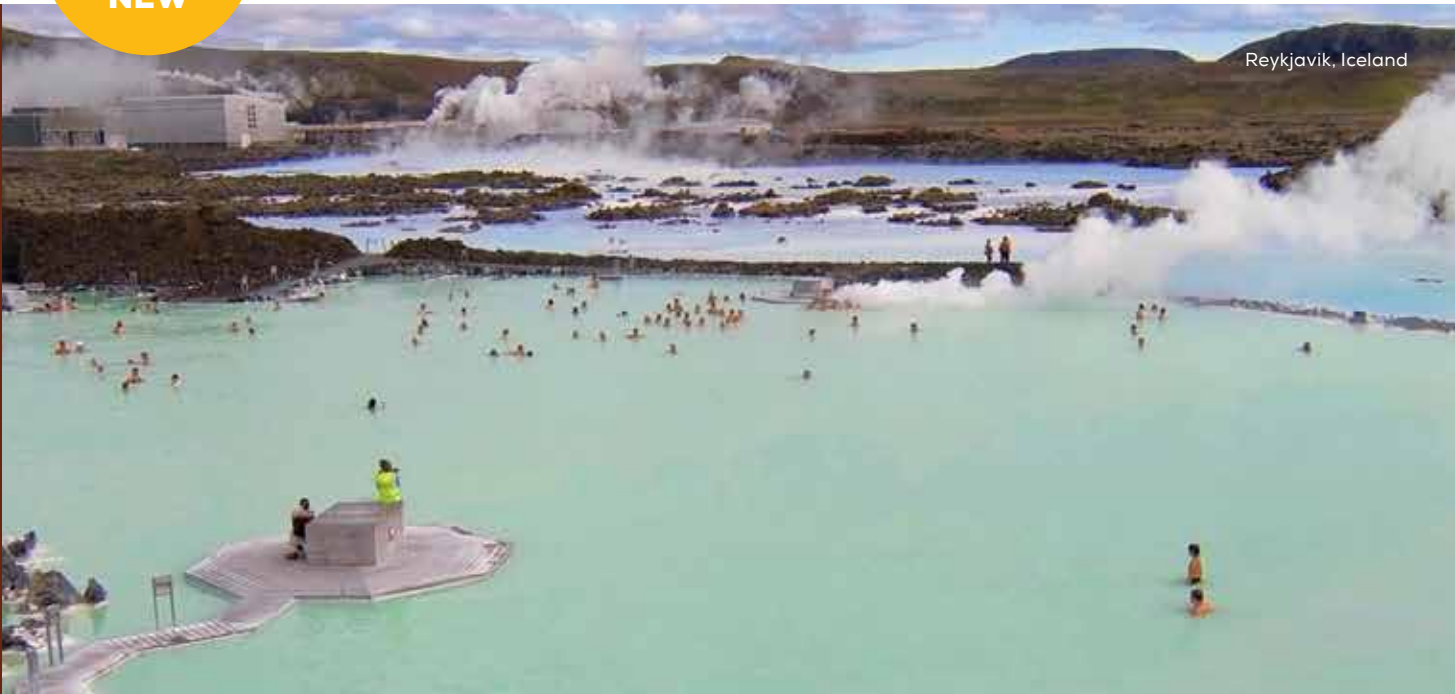

Acadia National Park is just a short hop from Bar Harbor but it feels like another world. The park encompasses 35,000 acres of beautiful seacoast, forest, lakes, mountains, and islands, crisscrossed by beautiful carriage roads and hand-cut stone bridges built by John D. Rockefeller, Jr. The literal highlight of Mount Desert Island is Cadillac

Mountain, from October to March the first spot in the U.S. to see the morning sun. Stop by other natural wonders like the Thunder Hole waterspout before participating in a New England tradition: an authentic lobster bake complete with fresh lobster, clam chowder, and other local fare.

Gaspé: Percé Rock & Cruise Around Bonaventure Island

Percé Rock juts from the Gaspé Peninsula like the bow of a ship, encompassing one of the world’s largest sea arches. Your boat tour takes you to view

both sides, and lets you walk around the ancient monolith. Nearby, Bonaventure Island has a far different attraction with a spectacular congregation of 300,000 sea birds of 223 different species. The colony of northern gannets is the most important and accessible in the world, but for non-birders the most interesting may be the endearingly comical puffins.

JOURNEYS OF THE NORTH ATLANTIC

REYKJAVIK TO NEW YORK CITY : 15 DAYS

Cross the North Atlantic from Iceland’s dramatic landscapes to the rocky shores of Southeast Canada and New England. Along the way, visit places beyond the reach of larger ships like the UNESCO sites of Red Bay and L’Anse Aux Meadows with their whaling and Viking pasts, and tiny Acadian villages like Bonne Bay in the midst of Gros Morne National Park’s beauty. Fill your camera’s memory cards in scenic Acadia National Park and picturesque Peggy’s Cove. Watch for whales in the wildlife-rich Cape Cod Canal (another place inaccessible to larger ships). Take in Norse ruins, lobster bakes, and fiddle music that speaks to the soul.

VOYAGE HIGHLIGHTS

- See dramatic and rare landscapes of some of the northernmost ports of call
- Discover the UNESCO World Heritage Site of Gros Morne National Park
- Visit the 11th century Viking settlement in L’Anse Aux Meadows, a UNESCO site
- Feast on fresh lobster in Bar Harbor after enjoying the natural beauty in Acadia National Park
- Learn the role vibrant Halifax played when the *Titanic* sank

DAY 1 • Reykjavik, Iceland

The world’s most northerly capital enjoys almost 24-hour sunlight in summer; all the better to show off the city’s eclectic architecture and dazzling natural wonders. Soak in the milky Blue Lagoon, visit Gullfoss Waterfall or explore the surprisingly vibrant local museum and art scene.

DAY 2 • Grundarfjörður, Iceland

See the volcano Snæfellsjökull? It’s not surprising that it plays a prominent role in Jules Verne’s story *Journey to the Center of the Earth* and the recent movie *The Secret Life of Walter Mitty* because fantasy is very much alive here. Elves, trolls, and hidden people — known as *huldufólk* in Icelandic folklore — are often used to explain Iceland’s other-worldly formations. In fact, local authorities routed a nearby road to avoid a place where *huldufólk* are thought to live.

DAY 3 • Heimaey Island, Iceland

Back in 1973 Eldfell Volcano erupted without warning, swallowing much of the town and turning the rest into a virtual time capsule. In the Eldheimar museum an excavated cottage recreates the day that turned Heimaey into a modern Pompeii, while on the blackened slopes purple lupines show how Heimaey is coming back to life.

DAYS 4-7 • At Sea

DAY 8 • St. John’s, Newfoundland, Canada

North America’s oldest city takes its cue from colorful Greenland. Pick a favorite from the vibrant buildings along Jelly Bean Row, said to be a holdover from the days when sea captains returned home to face rows of identical Victorian houses. Or head out to view the largest puffin colony in the world — birds whose colorful beaks earned them the name “parrots of the sea.”

DAY 9 • L’Anse Aux Meadows, Newfoundland, Canada

At the northern tip of Newfoundland lie the remains of an 11th century Viking settlement, evidence that Europeans reached North America long before Columbus. Costumed re-enactors bring the reconstructed turf buildings to life, showing you how the Vikings lived back in the days when these grassy lands were covered in forest and game was plentiful.

DAY 10 • Red Bay, Labrador, Canada

A Basque whaling town back in the 1500s, Red Bay is now a UNESCO World Heritage Site. Compare the size of the open whaling boats they once used, known as chalupas, to the size of the whales they hunted and be amazed.

DAY 11 • Bonne Bay/Woody Point, Newfoundland, Canada

Writers, artists, and scientists from all over the world are drawn to the breathtaking landscapes of Gros Morne National Park. Geologists are drawn by the evidence of plate tectonics lying exposed for all to see.

DAY 12 • At Sea

DAY 13 • Halifax, Nova Scotia, Canada

Make your way to the star-shaped Citadel at the top of the hill where costumed re-enactors transport you back to colonial days. Listen to bagpipers, watch the changing of the guard, and count down to the firing of the noon gun — a tradition since 1857. Every detail has been meticulously recreated, from the brass buttons on the uniforms to the stern faces of the soldiers standing vigil.

DAY 14 • Bar Harbor, Maine

Today is all about beautiful Acadia National Park. There are so many ways to view it: by foot, by boat, by horse and carriage, by bicycle, by kayak. With the painted slopes of Cadillac Mountain rising above the sea, it’s no wonder John Rockefeller, Jr. fell in love with this place.

DAY 15 • At Sea/Transit Cape Cod Canal

Recreationalists along the canal’s bike trails wave as your beautiful ship passes by. With luck, you might see a fisherman reeling in an enormous striped bass, or the occasional right whale that makes its way into the canal.

DAY 16 • New York City, New York

Capture an iconic photo of the Statue of Liberty before cruising under the Verrazano Bridge on your way to Manhattan. What you do once you arrive is up to you, but it’s hard to imagine leaving before taking a generous taste of the Big Apple.

Bar Harbor, Maine

“Zipline through the Costa Rican rainforest, chase four different species of monkeys, spot toucans, learn about one of the most amazing ecosystems on our planet. And as if that’s not enough, discover the 8th Wonder of the World, the Panama Canal, one of the most spectacular and significant engineering achievements of the last century.”

~ Kuba Rudolff, Destination Manager, Wind Star

Costa Rica

SNORKEL WITH LEOPARD SHARKS and fish for marlin on our new Mexico itineraries. See the Panama Canal for the amazing engineering feat it truly is as you view the locks from below, rather than from above as you would on a large cruise ship. And get closer to the best wildlife-watching areas, like Bahia Drake where you’ll take a Zodiac ashore to access Corcovado National Park. When you need a break from adventure (if you ever do), relax on uninhabited white beaches and snorkel stunning reefs in Windstar-exclusive destinations like Panama’s Pearl Islands and Costa Rica’s Playa Flamingo.

WHY WINDSTAR’S CENTRAL AMERICA:

- Explore places few cruise lines go, like distant parts of the San Blas Islands and the beaches of Central America’s Caribbean coast
- Get your feet wet as you wade ashore from the Zodiac (a “wet landing”) onto deserted beaches and access remote wilderness areas
- Be one of the first to experience Baja, the Sea of Cortez, and Southern Mexico’s Mayan ruins on a Windstar ship
- Spend a full day enjoying secluded Isla Parida during Windstar’s Signature Beach Party — a catered Robinson Crusoe affair complete with an island bar, water toys, volleyball, and a plentiful, mouthwatering buffet
- Make a daylight transit of the Panama Canal as a Canal historian shares incredible facts about its construction

MAYAN LEGACIES

COLÓN TO COZUMEL : 8 DAYS

West of the well-traveled Caribbean, even further west than the Cayman Islands and ABC Islands, lies a handful of scattered cays and mainland ports that combine Caribbean charm with Latin appeal. This is where you'll find the Mayan legacy of Chacchoben. Where you'll see chalk-white beaches and rainbow-hued corals, shimmering underground waterfalls, and howler monkeys swinging through the rainforest canopy. And where only small ships like *Wind Surf* give you access to tiny unspoiled islands like Isla San Andres.

VOYAGE HIGHLIGHTS

- Explore the uncommon Caribbean along the Gulf of Honduras discovering unspoiled beaches and ancient Mayan temples peeking over the rainforest canopy
- Snorkel the Mesoamerican Barrier Reef from Costa Maya
- Swim and snorkel with puffer fish and sea turtles at Isla San Andrés, part of a UNESCO Biosphere Reserve
- Snorkel or dive Chankanaab, an eco-park surrounding a Cozumel lagoon that offers underwater caverns, home to dolphins, manatees, and sea turtles

- Day 3 Isla San Andrés, Colombia

DEPARTURE DATE

Wind Surf: Feb 10, 2020

DAY 1 • Colón, Panama

Colón has always been a gatekeeper. First for the railroad built to transport people across the Isthmus on their way to the California Gold Rush, then later for the Panama Canal. Today it's your gateway to adventures on the elegant *Wind Surf*. Arrive early and visit the Miraflores Locks or Portobelo-San Lorenzo, a UNESCO-designated cluster of Spanish forts that once guarded the Caribbean side of the Isthmus.

Day 2 • Bocas del Toro, Panama

A lively kaleidoscope of West Indies, Latino, and Gringo cultures embrace the relaxed Caribbean vibe. Not far from town is the Smithsonian Tropical Research Institute, as well as two national parks, Isla Bastimentos and La Amistad, and many banana plantations.

Day 3 • Isla San Andrés, Colombia

It's a rare privilege to call at this tiny seahorse-shaped island — a privilege reserved for small ships like ours. As part of a UNESCO World Biosphere Preserve, the island is in the Caribbean's second-largest coral reserve with more than 50 species on display. That, combined with crystal clear waters, makes it a snorkeling and diving paradise.

Days 4/5 • At Sea

Day 6 • Roatan, Honduras

This could easily be another beach-snorkeling-diving day since the island is entirely surrounded by a luscious shallow reef. But it could just as easily be a see-the-iguanas day at the Iguana Park, a get-to-know-the-Garifuna-people day in Punta Gorda, or an eat-*baleadas*-and-drink-cold-Salva-Vidas day in West End. There are no wrong choices.

Day 7 • Belize City, Belize

Mayan ruins and cave tubing are classics here, of course. (There are approximately 1,000 Mayan ruins in the country.) But there's much more going on in Belize. Compare pipes at the howler monkey sanctuary. Swim in the sapphire waters of St. Herman's Blue Hole or snorkel with manatees, sting rays, turtles, and more off Caye Caulker. Spend a day falling in love with Ambergris Caye just as Madonna did in her song *La Isla Bonita*.

Day 8 • Costa Maya, Mexico

Rent a bicycle and explore the Mahahual fishing village. Explore some of the lesser-known Mayan ruins of the Yucatan, or the Spanish fortress at Bacalar. Go deep sea fishing, snorkel the reef, or indulge in adventures from ziplining and dune buggy tours to wildlife tours and glass-bottom boat rides. It's a perfect day, designed by you.

Day 9 • Cozumel, Mexico

If time allows, head to Tulum or the San Gervasio Mayan Archaeological Site. Or just pick the perfect spot of beach and enjoy the turquoise waters until your flight.

Oaxaca-style quesadilla

SOUTHERN MEXICO: FISH TALES & MAYAN TRAILS

PUERTO VALLARTA TO PUERTO CALDERA : 8 DAYS

Mexico's southern coast is known for its beauty, its ruins, and its cuisines. Enjoy all three as you make your way south from Puerto Vallarta through regions rich with indigenous cultures and natural abundance. Ride an ATV along lush jungle trails in Manzanillo. Try your hand at cooking Oaxaca style in Huatulco. Explore the mysterious Mayan ruins of Izapa from Puerto Chiapas. This voyage is a treat for the senses. Come indulge them all.

VOYAGE HIGHLIGHTS

- Colonial architecture, Mayan ruins, and sport fishing form the perfect backdrop to the mouthwatering cuisines of Southern Mexico
- Discover the Izapa Mayan ruins in Puerto Chiapas
- Snorkel the marine-life-filled waters of UNESCO World Heritage Site Playas del Coco
- Relax on the beautiful beach at Huatulco or observe crocodiles in their natural habitat

LET YOUR SOUL DANCE

SHH. THERE ARE STILL SECRET PLACES here that only yachtsmen know. Places where there’s only one beach bar in sight, closed if the proprietor decides to go spear fishing. Your Windstar ship has an uncanny ability to find places like this. Places where your day’s activities are timed by the rumble of your stomach, the drowsiness following a good swim, an iridescent sunset that heralds “sailor’s delight” on the morrow. But then, one glance at your itinerary already told you that.

THE AUTHENTIC CARIBBEAN

“My favorite port is the idyllic town of Les Saintes, located in the island group that makes up Guadeloupe in the French West Indies. It’s where the best of the Côte d’Azur meets the relaxed atmosphere of the Caribbean. Start your day with an espresso and a Tourment d’Amour, the signature local pastry, and contemplate how your day will unfold in this Caribbean gem.”

~ Steve Millar, Destination Manager, *Star Pride*

Virgin Gorda

IF YOU COULD DESIGN THE PERFECT ISLAND ITINERARY it would look a lot like these. Ports of call would include tiny towns and hidden harbors known only to private yachts and small ships like ours. Schedules would allow for dropping the Watersports Platform in turquoise bays and raising sails on the way to your next island rendezvous. And the laid-back island vibe would continue on board with a mouthwatering Signature Onboard Barbecue by the pool. Best of all, on every cruise there would be one day that was even more special than the rest, when you land on a secluded beach for Windstar’s Signature Beach Party, elaborate buffet and watersports included.

WHY WINDSTAR’S CARIBBEAN:

- Visit ports reserved for small ships and private yachts like Mayreau, Bequia, Jost Van Dyke, and Virgin Gorda
 - Kayak, paddleboard or enjoy other water toys directly off the Watersports Platform on all itineraries

FEATURED PORTS:

Virgin Gorda, BVI

Here you’ll find the most exclusive resorts in the British Virgin Islands, lured by its other-worldly beauty. Our small ships give you rare access, maneuvering through the gap in the reef to North Sound — a secluded part of Virgin Gorda usually reserved for much smaller yachts. We’ll anchor just off Vixen Point on gorgeous Prickly Pear Island, a BVI National Park. Venture south to The Baths, a labyrinth

of Rubenesque granite boulders surrounding beautiful white-sand beaches and turquoise grottoes. Or rest up for our Windstar Signature Beach Party on Prickly Pear Beach.

Bequia, St. Vincent & the Grenadines

Life moves slowly in Bequia (pronounced BEKway), and the only ships in port are those small enough to anchor alongside the yachts and fishing boats in Admiralty Bay. The island was once an active whaling station, and

virtually every family has some connection to the sea. There’s just one town, Port Elizabeth, with goods that run more towards pottery, meticulously crafted model sailboats, and scrimshaw than duty-free items. Brush up on the island’s whaling tradition at the Whaling Museum or stop by the Hawksbill turtle sanctuary where a retired fisherman nurtures baby Hawksbills before releasing them in the sea.

FEATURED SHORE EXCURSIONS:

Kralendijk, Bonaire: Samur Sail, Beach & Snorkel

Transfer by Zodiac to the Samur, an authentic Siamese Junk hand-carved with fantastic legends and sporting a traditional red sail. Head to the uninhabited island of Klein Bonaire as the Captain shares information about what you’ll find at the reef and the story about the Siamese Sailing Junk. Either snorkel from the beach or take the Zodiac to

Ebo’s Reef for a relaxing drift snorkel. Enjoy a rum punch or other beverage and some fresh tropical fruit on your way back to the ship.

Little Bay, Montserrat: Buried City Tour

Montserrat’s former capital of Plymouth was destroyed by a volcano in 1995. Get a bird’s-eye view of the Buried City from the destroyed Montserrat Spring Hotel. Then pop in to what was once the

first Museum in Montserrat before setting out through eerily empty villages where ruined buildings are covered in climbing plant life. View the still-growing mountain from the harbor before enjoying a Caribbean lunch of Calypso chicken, seasoned rice, and plantain fritters. Relax under the canopy of almond trees and sip on your rum punch as you contemplate the awesome power of Mother Nature.

BEST OF THE ABC ISLANDS

ARUBA TO BARBADOS : 7 DAYS

This is the Caribbean for those with a taste for something a bit more exotic. Colonial influences are still going strong here, from the “Little England” island of Barbados to still-very-Dutch Aruba, Bonaire, and Curaçao. Days ashore promise unexpected discoveries – a donkey sanctuary on Bonaire, underground rivers and caves in Barbados, a chocolate factory on Grenada, an artist colony on Curaçao. Beaches seem to shrug off the challenge of more northerly islands as they establish a standard of beauty all their own, swept by steady gust-free trade winds. And between each eventful island, there is time to savor your surroundings – both on shore and on the decks of your elegant ship.

ENCHANTMENT IS THIS CLOSE

A DIFFERENT SET OF RULES APPLIES in the Mediterranean. Time is measured in centuries, not minutes. The moon bathes in the canals of Venice. And Greek gods live on in a sky full of constellations. Surrounded by wonders like the Pietá and David, the azure-and-aqua landscapes of Croatia, the mystique of a Moroccan medina, it is easy to believe there is something magical at work here. Something that kisses grapes and transforms them into divine wine, turns Riviera beaches to gold in the last light of day, and gifts you with a beautiful white ship to see it all.

IN ALMOST EVERY MEDITERRANEAN PORT you’ll find incredible history, to-die-for cuisine, exceptional art and architecture, and rich cultural traditions. The trick is getting the most out of your visit, and designing itineraries specifically to accomplish this is an area where Windstar excels. Our port-intensive itineraries are designed to show you both the big cities and more overlooked places – from authentic working-class towns where tourism is an afterthought to small ports favored by yachtsmen. And when we do visit major cities, our small ships dock closer to historic town centers. Late night and evening stays expand your time for exploration, and carefully crafted small-group excursions get right to the heart of local culture with insightful market tours, tastings, village and home visits, and more.

WHY WINDSTAR’S MEDITERRANEAN:

- Visit must-see ports and smaller yachting towns like Portofino and Sanary-sur-Mer
- Stay in key ports late into the evening or even overnight
- Dock closer to historic urban areas in Dubrovnik, Venice, Marseille, Barcelona, Málaga, and Seville
- Take advantage of exclusive experiences like attending the Formula One Monaco Grand Prix in Monte Carlo or transiting the narrow Corinth Canal, too small for larger ships
- Enjoy an exclusive and complimentary onshore Destination Discovery Event on cruises to Kusadasi — dinner in the moonlight and a concert at Celsus Library in Ephesus
- Accompany chefs to local markets, bring fresh ingredients back to the kitchen, and help prepare (and then eat!) delicious regional farm-to-table cuisine

Santorini, Greece

FEATURED PORTS:

Sanary-sur-Mer, France

The waterfront of this Côte d’Azur fishing village is lined with palm trees and pastel-colored houses, and traditional wooden fishing boats bob in the harbor. It has a sort of Sunday morning vibe to it no matter what day you arrive and is considered one of the most authentic towns along France’s Mediterranean coast. A good day here is

unhurried, spontaneous, yet full of interesting highlights — perhaps the daily fish and flower markets, a browse around historic churches and chapels, and, of course, the beach.

Santorini, Greece

Marvel at the surrounding cliffs’ multi-hued rock, lava, and pumice as you cruise into the largest caldera in the world, then look around to see a vision in chalk white, volcanic black,

and piercing blue. Catch iconic photos from traditional Greek windmills to donkeys with colorful collars and bells around their necks. And don’t miss the romantic village of Oía with its cave houses (once the homes of sailors) and boxy white houses (which belonged to ship owners). Even your exit from this port is spectacular as the white buildings reflect every shade and hue of the sunset.

FEATURED SHORE EXCURSIONS:

Málaga, Spain: Deluxe Mijas Wine Experience

The “real” Andalusian landscape unfolds en route to the classical village of Mijas with its whitewashed houses and wind-sheltering street plan. “Donkey taxis” are plentiful here and beautifully made local handicrafts will undoubtedly catch your eye. Take a donkey ride or shop for ceramics, handmade wood items, and other local souvenirs while

you’re here. Afterwards, visit the Museo de Vino (Wine Museum) and enjoy tasting some of the fabulous wines of the region as well as a sampling of local meats and cheeses. If time permits, enjoy a brief panoramic tour past the highlights of Málaga on your way back to the ship.

Rovinj, Croatia: Tour of Pula & Olive Oil Tasting

Enjoy a walking tour of Pula, a UNESCO World Heritage Site best known for its many surviving ancient Roman

buildings. Wonder at the size of the 1st century amphitheater, the sixth largest in the world. It’s still in use today. See the Sergius Arch, Roman city gates, and temple to the God Apollo, built in honor of Roman emperor Caesar Augustus. After your tour of Pula’s Roman relics, head to the nearby village of Vodnjan for an olive oil tasting at the farm that produces one of the world’s top 15 olive oils. A delicious way to end the day.

TRUE FAIRY TALES, MAGIC LIGHT

WORDS LIKE MOOR, LOCH, AND GEYSER were born in this land, because no existing vocabulary could adequately describe these extraordinary landscapes. These regions could just as easily have coined a term for Fabergé palaces of amber and gold, rainbows captured in a waterfall's spray, and storybook cities crisscrossed by canals and flower markets, all of which are here in abundance. But as your elegant ship traces its way through enchanting fjords and forgotten archipelagos, you won't need words. You are speechless.

“Follow the Northern Star to a land where history pre-dates the Ice Age and landscapes are filled with glaciers, waterfalls and picture-perfect fjords. Thrill at magnificent Aurlandsfjord’s snow-covered peaks and remote hillside farms, and the staggering beauty of Nærøyfjord, one of the most dramatic and narrowest fjords in Europe and a UNESCO World Heritage Site.”

Geiranger, Norway

FEATURED PORTS:

Geiranger, Norway

Perched on the shores of Geirangerfjord, a UNESCO World Heritage Site, Geiranger’s scenery is breathtaking. Tourists have flocked to this area since 1869 to access some of the most spectacular fjord country, yet in the off-season the town is home to only 250 permanent residents. Climb the 11 hairpin turns and nine

percent grade of the “Troll Ladder” for outstanding views. Visit tiny goat villages to sample homemade cheese. Go kayaking. Buy yourself a mango ice cream cone and rub the troll’s belly for luck. (You’ll know him when you see him.)

St. Petersburg, Russia

Russia’s gilded “Window to the West,” founded by Peter the Great, combines a fascinating Russian heritage with a distinctly European outlook, as you’ll discover during your

FEATURED SHORE EXCURSIONS:

Heimaey Island: Caves & Islands RIB Safari

Lying off the south coast of Iceland is Heimaey, part of the Westman Islands. This area is famous for its bird life, including the world’s largest puffin breeding colony. But it’s also known for its geology. In 1973 a volcano on the island erupted, devastating a city and leaving behind a modern-day Pompeii. Travel by RIB boat to caves lined with beautiful volcano-made basalt columns,

some that seem to writhe with refracted light and others with perfect acoustics. If you’re lucky you may also sight orcas, dolphins, porpoises, or seals along the way.

Portrush: Antrim Coast & Giant’s Causeway

Absorb the rough-hewn beauty of the Antrim Coast, where the lush green of “the glens” (the same glens as sung about in “Danny Boy”) collides with a volcanic shore worn and sculpted by the Atlantic and Irish Seas. Wander the eerie medieval ruins of Dunluce

Castle, seeming to erupt from the promontory on which it’s built. Then move on to the Giant’s Causeway, a bizarre basalt rock formation that legend says was built by an Irish giant named Finn McCool as a walkway between Scotland and Ireland. Return to Portrush with your head filled with myths and ghost stories.

GENERAL CRUISE TERMS & CONDITIONS

All itineraries, schedules, and ports are correct at time of publication but are subject to change without notice. “Windstar Cruises,” “Windstar,” “We,” and “Us” refer to Windstar Cruises Marshall Islands, LLC, a Limited Liability Company that owns and operates the cruise line known as Windstar Cruises. “You,” “passenger” and “guest” refer to persons travelling with Windstar and those in their care, such as minor children. Due to the small size and intimate nature of our yachts, Windstar Cruises is unable to accommodate children under eight (8) years of age. Guests under 21 years of age must be accompanied by a parent, guardian or chaperone in their stateroom or suite who is at least 25 years old; one adult (age 25 or older) chaperone is required for every five (5) people under 21.

Should you need to contact Windstar Cruises prior to cruising, use this address: Windstar Cruises, 2101 4th Avenue, Suite 210, Seattle, WA 98121, U.S.A.

PASSAGE CONTRACT: All cruises are provided subject to the terms of the Windstar Cruises Passage Contract, be found at <http://bit.ly/2puTq7y> and which contains important, comprehensive additional terms governing your cruise with us including among other things limits on claims and liability, resolution of claims, etc.

CRUISE FARES: Your fare includes ocean transportation, stateroom or suite accommodations, and all meals and entertainment on board the yacht. Not included, however, are items of a personal nature, such as alcoholic beverages, laundry, transfers prior to or after your cruise, or optional programs or activities. Shore excursions and airfare are available for an additional charge. All rates shown are per person based on double occupancy. Fares are published in U.S. dollars (USD).

Note: Third-person rates are available upon request. For further information on fares, nondiscountable amounts, taxes, and surcharges, please see below.

SINGLES: Single occupancy of a stateroom is generally 175% of the published per person stateroom cruise fare (200% of the Owner’s Suite, Suites, and Bridge Suites per person cruise fares) and is subject to availability.

WINDSTAR FARE PRICE ASSURANCE POLICY: Guests who purchase a cruise on Windstar will be eligible for reimbursement upon request if the fare published by Windstar for their specific departure and cabin class is reduced after they have made a booking and deposit, and if the request is received by Windstar at least 90 days prior to sailing. The reimbursement will be provided in the form of a shipboard credit, upgrade, fare reduction, or a future cruise credit. Windstar will determine the form of reimbursement, and the amount of reimbursement will be the difference between the fare actually paid by the guest and the published fare on WindstarCruises.com the day the request is received. Guests who select reimbursement will be eligible for any complimentary inclusive features (e.g., hotels, air, tours) associated with the new fare and will forfeit any complimentary inclusive features associated with the original fare. All requests for reimbursement must be made directly to Windstar Cruises at 800-258-7245 (during regular reservations hours) at least 90 days prior to sailing. Windstar’s new fare pricing assurance policy will take effect with new bookings made on or after August 15, 2018. Windstar reserves the right to modify or terminate this policy at any time for bookings not yet made. Policy does not apply to certain promotions or guests outside of the US or Canada.

RESERVATIONS AND PAYMENT: Windstar Cruises works with travel agencies worldwide to serve your needs. Reservations either made by or assigned to a travel professional must be managed by the agency of record. While Windstar is unable to provide specific booking information on agency bookings, we are happy to answer general questions. Alternatively, you may reserve your cruise directly with us if you prefer. Since accommodations are limited by the number of staterooms or suites on each yacht, reservations should be made as early as possible. Payment for your Windstar cruise is to be

made to the travel agency with which you made your reservation, or to Windstar Cruises directly. Travel documents will be issued when full payment has been received by Windstar Cruises. Refunds for cancelled or unused services will be made, less any applicable cancellation fees and charges. If you have reserved your cruise with your travel professional, please be aware that additional cancellation fees charged by the booking agency may apply.

DEPOSIT AND FINAL PAYMENT REQUIREMENTS: Deposit of 15% of cruise fare, hotel, and non-discountable amounts is required within three (3) days of booking to secure a reservation. Final payment is due prior to 90 days before departure date. Your travel documents are usually received approximately 60 days prior to departure. If booking directly with Windstar Cruises, send payments to Windstar Cruises, 2101 4th Avenue, Suite 210, Seattle, WA 98121, U.S.A. Payment is also welcome by American Express®, Discover Card®, Visa®, or MasterCard®. For faster processing, please include your confirmation number on your check. All charges are in USD. Windstar is not liable for any currency exchange rate or foreign exchange fee imposed by the bank or credit card company. **Payment of the cruise deposit and Travel Protection Plan (if applicable) constitutes a binding of the Terms & Conditions and acceptance of the Passage Contract.**

LATE BOOKING POLICY: On bookings within 45 days of departure, Windstar Cruises requires final payment (cashier’s check, electronic transfer of funds, or American Express®, Discover Card®, Visa®, or MasterCard®) before we can initiate the process of requesting hotel and/or air space; on bookings within 14 days of departure, we are unable to make air or hotel transfers or arrangements. Windstar Cruises will advise you of the status of the request within five (5) working days of receipt of final payment. If your request is confirmed, electronic tickets will be sent via email. If we are unable to confirm your late booking all monies paid will be refunded in full. Please note, changes or additions to the cruise package (i.e. transfers, special services, gifts, or onboard packages) cannot be made within seven (7) days of departure and should be arranged once you are on board the yacht.

CANCELLATION POLICY: Each cruise booking cancelled before 120 days prior to initial departure will be subject to a \$50 per person cancellation fee. A full refund (except for the amounts paid for air transportation, Cancellation Protection Plan and the \$50 per person fee) will be made for written cancellations received by Windstar Cruises at least 121 days prior to the date on which you are to commence travel by any mode of transportation booked through Windstar Cruises (air, sea, or land). Guests who cancel after that date for any reason, including medical or family reasons, are subject to the following cancellation fee schedule:

120-90 days before commencing travel – 15% of gross fare (deposit);

89-60 days before commencing travel – 35% of gross fare;

59-30 days before commencing travel – 50% of gross fare;

29-0 days before commencing travel – 100% of gross fare.

Given that the resale of cancelled space will likely result in a lost opportunity to sell other space, these fees are due regardless of resale. Windstar Cruises can only be responsible for refunding amounts actually received. Travel agencies may impose their own cancellation fees. Agency fees of any nature are a matter to be decided on solely by the agency and its customers. Windstar Cruises cruise tickets and Passage Contracts are non-transferable. Name changes and departure date changes are considered reservation cancellations/re-bookings and are subject to cancellation fees. Changes require the prior approval of Windstar Cruises and may not always be possible. Windstar Cruises cruise and accommodations cancellation policies do not apply to airline reservations. Airline reservations changes require the prior approval of airlines and may result in change fees or may not be possible.

CHANGE FEES: Changing your itinerary after reservations have been made can result in a loss of advantages gained by early planning. To cover administrative costs, a minimum charge of \$35 per person will be assessed if you request a change in your travel arrangements less than 121 days prior to commencement of travel. This doesn’t apply to departure date changes made by Windstar Cruises. Change fees are not assessed for stateroom upgrades or for the addition of services unless air reservations are altered and/or travel documents must be reissued.

ADDITIONAL DEFINITIONS: “Yacht” or “Ship” refers to the vessel that will provide the ocean transportation portion of the cruise. “Cruise” refers to the specific cruise purchased by you, and shall include periods during which you are embarking or disembarking the Yacht or are on shore while the Yacht is in port. “Initial Departure” means the time at which you first begin transit by any means of transport booked by us (including air transportation) for the purpose of taking the Cruise. “Windstar Air Package” refers to air transportation booked for you by Windstar Cruises to enable you to travel to and from your Cruise. “Windstar Land Package” includes any shore activity before or after the Cruise or ashore during the Cruise arranged for you by us in connection with your Cruise.

PROHIBITED ITEMS; DRUG & ALCOHOL RESTRICTIONS; BAGGAGE: The following are strictly prohibited on the Ship and during all aspects of the Cruise, Windstar Land Package and shore excursions: radioactive materials, recreational and medicinal marijuana and other controlled substances under USA law (see United States DEA Drug Schedules at www.dea.gov/druginfo/ds.shtml) or any under any foreign jurisdiction the Ship enters (except lawfully obtained and transported prescription drugs other than marijuana), firearms, ammunition, weapons, fireworks, aerial drones, illicit or hazardous materials, hand irons, water heaters and candles. Passengers are allowed to bring aboard two (2) bottles of wine or champagne (750ml) per cabin for their enjoyment onboard for a 7-day Cruise or three (3) bottles for an 8-day (or longer) Cruise. Passengers may consume these permitted outside beverages in public areas on the Ship, but a small corkage fee (approximately US\$15 + 15% gratuity) will be applied to the passenger’s onboard account. All additional outside alcohol (meaning wine, beer and/or hard alcohol) including alcohol purchased at ports of call along the Cruise route, will be kept by the Ship’s purser and delivered to the passenger’s cabin the last evening of the Cruise. We will carry as baggage only your personal effects consisting of wearing apparel, toilet articles and similar items for your wearing, comfort or convenience during the Cruise and not belonging to or intended for use by any other person or for sale. For loading and unloading the Ship and other means of transportation, all baggage must be tendered for carriage in securely constructed and locked suitcases or trunks. All baggage must be able to be safely stowed in your cabin on the Ship. The only animals permitted to accompany you are recognized service dogs for passengers with disabilities; you are responsible for complying with governmental health, documentation and other requirements as to recognized service dogs.

We do not accept to carry as baggage or assume any liability for any loss of or damage to or delay of trade goods, household goods or furniture, perishable items, medicine, liquor, cash, credit or debit cards, jewelry, gems, gold, silver, precious metals, art, collectibles or similar valuables, securities, financial instruments, records or other valuable or business documents, computers, cellular telephones, cameras, hearing aids, electric wheelchairs, scooters, or other video or electronic equipment, binoculars, film, videotape, computer disks, audio disks, tapes, DVDs or CDs, or other articles specified in 46 U.S. Code Section 30503. These items should not be left unattended about the Ship or your cabin, nor should they be left unattended on other vessels, railcars, taxis or other vehicles or in hotels, nor placed in luggage other than a bag that you carry with you. In addition, we do not assume any liability for any loss of or damage to carry-on baggage on the Ship or on the other means of

transportation or in hotels. The Ship and certain hotels may be equipped with cabin or room safes or safe-deposit boxes in the Ship’s or hotel’s Front Office; using these facilities will not, however, increase our liability as provided in the Passage Contract.

NON-WINDSTAR CRUISES SERVICES; ITINERARY CHANGES: These include non-Windstar Cruises Services such as airlines and other off-ship transportation carriers, shore excursions (other than the limited number of shore excursions operated by Windstar), and accommodations. Non-Windstar Cruises Services are solely at your risk and subject to the terms or arrangements made by you. Windstar Cruises assumes no responsibility with respect to these non-Windstar Cruises Services including delay, injury, death or damage to property. Situations may arise that, in the opinion of Windstar Cruises, make it necessary for Windstar Cruises to cancel, advance, or postpone a scheduled departure, change itineraries or make substitutions involving ports of call, other travel components, vessels, or other modes of transportation. These situations may include, by way of example, concerns regarding weather conditions, issues involving safety matters, alternative business arrangements or charters resulting in the decision to withdraw a Cruise from public sale, or requirements of governmental authorities. If this should occur, Windstar Cruises does not assume responsibility or liability for any losses, inconvenience, or expenses incurred by guests as a result. Please see the Windstar Cruises Passage Contract for further details.

PASSENGER CONDITION & PASSENGERS WITH DISABILITIES: There are risks inherent to being aboard a Ship. These include, by way of example, having to evacuate the Ship in case of emergency, having to move about on the Ship during rough seas and lack of access to full medical services. For people who are pregnant, ill or who are mentally or physically disabled or impaired, these risks are more significant. For example: access to all parts of the Ship, other means of transportation or to facilities on shore may be difficult or impossible for some passengers. In addition, medical evacuation during the Cruise, whether at sea, by tender, or by deviating from the scheduled itinerary, may create an increased risk of harm and may not be feasible for a variety of reasons. We reserve the right to determine, in our sole discretion exercised in good faith, whether and when a medical evacuation from the Ship will occur. For safety reasons, passengers may not book or embark upon a Cruise if the passenger may reach or exceed the 24th week of pregnancy during the Cruise.

Guests who need assistance and/or have special requests, or need special facilities or equipment with regard to accommodation, seating or services required or their need to bring medical and mobility equipment, must notify Windstar immediately and where possible before concluding their booking. This is to ensure that everyone can be carried safely and in accordance with all applicable safety requirements and to ensure that Windstar can provide the necessary assistance and there are no issues relating to the design of the Ship or port infra-structure and equipment – including port terminals – which may make it impossible to carry out the embarkation, disembarkation or carriage of guests in a safe or operationally feasible manner.

Windstar is not obliged to provide any assistance or meet special requests unless it has agreed to do so in writing. If a guest cannot be carried safely and in accordance with applicable safety requirements then Windstar can refuse to accept the guest or embarkation of a disabled person or person with reduced mobility on the grounds of safety. For these reasons, we require that if you have any special medical or physical or other requirements, these be brought to our attention immediately and, where possible, before booking the Cruise. Any prospective passenger with disabilities or special needs must complete a special request form at <http://bit.ly/2FS2KNR>.

GENERAL CRUISE TERMS & CONDITIONS

continued

You may be asked questions in order to ensure your safety. In limited situations where you would be unable to satisfy certain specified safety and other criteria, even when provided with appropriate auxiliary aids and services, we reserve the right to refuse permission to participate in all or part of the Cruise.

There are no elevators on *Wind Star* and *Wind Spirit* nor were these Yachts originally constructed to be wheelchair accessible and do not have accessible cabins. As a result, these two Yachts may be unsuitable for people relying solely on mobility devices. *Wind Surf*, *Star Pride*, *Star Legend*, and *Star Breeze* are equipped with elevators, although some of the passenger common areas are not wheelchair accessible. Staterooms on *Wind Surf* are not wheelchair accessible. Four (4) suites on the all-suite Yachts (*Star Breeze*, *Star Legend* and *Star Pride*) provide limited access for wheelchairs. These cabins have a smaller Queen bed and there is reduced “wheel around” space in those cabins. Also note, there is no elevator access to board any of the Ships. Certain ports require the Ships to anchor; in this case guests must be ferried into port requiring guests to board a tender boat or rubber inflatable raft (“RIB”) from the Ships while at sea. A list of ports where tenders or RIBs are used is available at <http://bit.ly/2IGrGWd>. This list is not exhaustive.

Those passengers confined to wheelchairs must furnish their own slim or low profile size wheelchairs which are less than 27 inches wide. The Ships’ wheelchairs are available for emergency use only. Larger, wider or motorized wheelchairs or scooters are generally too large to be accommodated on the Ships. Wheelchairs may be difficult to accommodate in embarkation and disembarkation in certain ports and in tenders. The decision of the officer in charge of tender operations as to whether wheelchairs can be accommodated is final. For reasons of health and safety the crew are forbidden from carrying passengers or passengers in wheelchairs. Wheelchairs cannot be transported in RIBs. In limited situations where an individual with a disability would be unable to satisfy certain specified safety and other criteria, even when provided with appropriate auxiliary aids and services, we may find it necessary to ask the individual to make alternative travel arrangements.

Guests must be physically and emotionally fit to travel at the time of embarkation and certify that they have no medical or emotional condition that would endanger any other passengers. Windstar recommends that any guest who is not self-sufficient travel with a companion who shall take responsibility for any assistance needed during the Cruise and in case of emergency.

Windstar reserves the right to require any passenger to produce medical evidence of fitness to travel in order to assess whether that passenger can be carried safely in accordance with applicable international, US, or Canadian law.

Windstar reserves the right to refuse passage to anyone who has failed to notify it of their specific needs with regard to accommodation, seating or services required from Windstar or terminal operators, or their need to bring medical equipment, or to bring a recognized service dog on board the Ship, or of any other known disabilities, or who in Windstar’s and/or the Master’s opinion is unfit or unable to travel, or anyone whose condition may constitute a danger to themselves or others onboard on the grounds of safety.

Animals and/or pets other than recognized service dogs are not allowed on board the Ship under any circumstances without Windstar’s permission in writing. Recognized service dogs are permitted on board the Ship if prior arrangements have been made at the time of booking. Companion animals and emotional support animals are not allowed on board the Ship. Any such animals or pets brought on board without permission will be taken into custody and arrangements will be made for the animal to be landed at the next port of call at the passenger’s sole expense.

Recognized service dogs are subject to and must comply with national, international and EU Regulations regarding health, inoculations, training and travel. It is the passenger’s responsibility to have all necessary papers and clearances prior to the Cruise and to be satisfied that the service dog can be carried to the ports of embarkation and disembarkation and that the service dog is not prohibited from going ashore at the various ports of call.

Please see Windstar’s accessibility page for more information for guests with disabilities at <http://bit.ly/2IGrGWd>.

FARES, NON-DISCOUNTABLE AMOUNTS, TAXES, FEES, PORT EXPENSES, AND SURCHARGES: Windstar Cruises reserves the right not to honor any published prices that it determines were erroneous due to printing, electronic, or clerical error. Each Cruise fare includes a Non-Discountable Amount. That portion of the fare is both non-commissionable to travel professionals and not subject to reduction in the event of a percentage discount promotion, 2-for-1 promotion, or otherwise. If cost factors dictate the need for fare increases, Windstar Cruises may do so at any time prior to departure. Guests can cancel (without paying a cancellation fee) rather than accept a fare increase. Suggested onboard gratuities are extra.

Taxes, Fees & Port Expenses, as used by us, may include, without limitation, all or a portion of all fees, charges, tolls and taxes imposed on us by governmental or quasi-governmental authorities, as well as third party fees and charges arising from a vessel’s presence in a harbor or port. Taxes, Fees & Port Expenses may include U.S. Customs fees, head taxes, Panama Canal or other canal tolls, passenger facilities charges, dockage fees, wharfage fees, inspection fees, pilotage, air taxes, hotel or VAT taxes incurred as part of a land tour, immigration and naturalization fees, and Internal Revenue Service fees, as well as fees for navigation, berthing, stevedoring, baggage handling/storage and security services. Taxes, Fees & Port Expenses may be assessed per passenger, per berth, per ton or per vessel. Assessments calculated on a per ton or per vessel basis will be spread over the number of passengers on the Ship. Taxes, Fees & Port Expenses are subject to change (but will not change after assessment due to currency fluctuations) and we reserve the right to collect any increases in effect at the time of sailing even if the fare has already been paid in full. Windstar Cruises reserves the right to impose or pass through fuel surcharges, security surcharges, or similar incidental surcharges. No right of cancellation exists under these circumstances.

YACHTS OWNERSHIP AND REGISTRY: All Windstar Cruises Yachts are registered in the Bahamas and owned by Windstar Cruises Marshall Islands, LLC. Yacht ownership and registry are subject to change.

TRANSFERS/PRE- & POST-CRUISE SERVICES: Services for Windstar Cruises cruise-only guests (individuals who do not purchase air transportation or cruise extensions from Windstar Cruises) begin with embarkation at the noted time in your Cruise documents. Any transfers, meals, and dayroom accommodations required prior to this time are the responsibility of the guest. Please make a note of this, as many international flights arrive several hours prior to the scheduled embarkation time. Guests may purchase a transfer from local airport to yacht for day of cruising and from yacht to local airport for day of disembarkation directly through Windstar Cruises Vacation Planning. Guests flying on dates other than the date of (dis)embarkation must arrange their own transfers unless the reason for the different date is because of the purchase of a cruise extension from Windstar Cruises. Transfers for these guests will be arranged between airport, hotel, and pier, as appropriate, so long as the transfer dates coincide with the dates of the services purchased from Windstar Cruises.

SHIPBOARD ACCOUNT AND CURRENCY EXCHANGE: Our cashless society is designed to make your life on board as simple as possible. When you board the Yacht, your account has already been activated and you may make purchases by simply showing your guest identification card and signing a receipt. On embarkation day, you will need to register your credit card (Visa®, Discover®, MasterCard®, or American Express®) in order to use your onboard account for shipboard purchases. We do not accept debit cards or prepaid cards. Your card will be pre-authorized for USD \$60 per person for each day of your Cruise. At the end of your Cruise, you will receive a final statement, and your card will be charged only for the actual amount of your purchases.

Please inform your credit card issuer in advance that your card will be used on a Windstar Yacht. This will help prevent delays in obtaining pre-authorization on board. WINDSTAR AIR PACKAGE ARRANGEMENTS BY WINDSTAR CRUISES MARSHALL ISLANDS, LLC: If you are purchasing a Windstar Air Package, we will arrange for air transportation to the departure point of your Cruise and return air transportation from the termination point of your Cruise to the home city from which you departed. Due to the special fares and capacity controls we have with airlines, we retain the right to select carriers and determine routings. Some routings may involve travel to or from an airport other than in the city where the Ship embarks or disembarks. In those cases, motor coach transportation to and/or from the Ship will be provided. Flight schedules and/or availability may require overnight hotel accommodations either to join and/or to return from your Cruise. Due to airline schedules (and occasionally, lack of flight availability), travel between many major cities and your Cruise may require one (1) or more hotel overnights en route. If necessary, the cost of this hotel accommodation is not included in the airfare and is your responsibility. Hotels will be selected by Windstar Cruises and might not be at the port. You are responsible for meals and items of a personal nature.

SCHEDULE CHANGES; AIR DELAYS: We reserve the right to alter air flights as required by airline schedule changes. If tickets have already been issued, we will adjust your itinerary or air carrier, accordingly. In that event, we may ask you to return your tickets. Should you choose to alter your airline schedule in any way once your tickets have been issued, airline charges which result will be your responsibility. If our assistance is requested in changing airline arrangements within sixty (60) days of departure, an additional administrative charge will be levied in addition to any charges imposed by airlines. If your flights are delayed, refer to our Setting Sail booklet for instructions.

SEAT ASSIGNMENTS; SPECIAL SERVICES; FARES; LOST TICKETS; BAGGAGE CHARGES; AIR TAXES AND FEES: We cannot make or confirm seat assignments, special meals or other special services. Your travel agent may assist with these arrangements. If, however, airline fuel or other surcharges or additional governmental taxes or levies are imposed, we reserve the right to pass these through to you. Please keep your airline tickets in a safe place. Should they be lost, you will be responsible for their replacement. Each airline has its own baggage allowance policy. You are responsible for any excess baggage charges imposed by airlines. Air add-on costs quoted by Windstar Cruises will not include passenger facility charges, federal flight segment taxes for each flight segment (takeoff and landing), the September 11 security fee per passenger enplanement, international arrival and departure taxes assessed in foreign countries (the amount of which may be charged in the currency of the foreign country and is subject to change), or new taxes which may be enacted.

LIABILITY AND RELATIONSHIP WITH AIRLINES: We will use commercially reasonable efforts to arrange for your air transportation. If, however, due to any cause beyond our control, we are unable to arrange for air transportation (including, for example, because of capacity controls placed upon us by airlines due to the types of fares under which we book) or the air transportation we arrange is unavailable or otherwise fails to materialize, our sole liability will be limited to refunding the air add-on paid. Our relationship with airlines is that of an independent travel agent. We assume no liability for any acts or omissions of any airline including, without limitation, those involving cancellation of flights, schedule changes, re-routings, damage to or delay or loss of baggage, flight delays, equipment failures, accidents, pilot or other staff shortages, overbooking or computer errors. Accordingly, you will not have any right to claim or recover against us as a consequence of any act or omission of any airline. The liabilities and obligations of an airline to you, and your rights against an airline, are subject to any and all terms and conditions of the airline’s ticket and tariffs and any and all governmental laws and regulations bearing upon or otherwise relating to such rights, liabilities and obligations.

LIABILITY AND RELATIONSHIP WITH WINDSTAR LAND PACKAGE PROVIDERS: If, due to any cause beyond our control, we are unable to arrange for any Windstar Land Package or any desired portion thereof, our sole liability will be limited to refunding the Windstar Land Package add-on paid. Our relationship with providers of Windstar Land Package accommodations or services is that of an independent travel agent. We assume no liability for any acts or omissions of any Windstar Land Package provider or subcontractor including, without limitation, cancellation, damage to or delay or loss of baggage, delays (including any delay in rejoining the Ship or missing the sailing or any flight), equipment failures, accidents, staff shortages, overbooking or computer errors.
