INTIMATE ACCESS to unspoiled beaches and unfamiliar cultures. Secluded coves and small villages. Misty fjords and medieval ruins. Shared conversations with locals that lead to genuine connections. Time and freedom to explore to your heart's desire.

When you're on board a boutique yacht like ours with a relaxed atmosphere and welcoming crew, the world is within reach. This is travel that's 180 degrees from ordinary.

SAIL BEYOND ORDINARY

DISCOVER WINDSTAR'S DEGREES OF DIFFERENCE

Sail in private-yacht style with Windstar Cruises and experience firsthand what makes us the #1 Boutique Cruise Line in the world. Step aboard one of our iconic Wind Class yachts — complete with billowing white sails — or our Star Class ships, where every room is a spacious suite. Serving fewer than 350 guests, this intimacy provides you with the luxuries of time, space, and freedom to immerse yourself in both the journey and the destination — in ways you may never have imagined possible.

FROM UNFAMILIAR TO UNFORGETTABLE...

The hidden wonders, the ports of call, and the serene waterways that Windstar's yachts can find. Enjoy port-intensive itineraries to places like Bora Bora, Amalfi, Mykonos — names you may have heard but have yet to experience the Windstar way. We often stay late into the evening or even overnight in places where the hum of nightlife is complemented by a blanket of stars overhead. These are the source of memories that will stay with you forever.

MORE THAN UNIQUE, SIMPLY MAGICAL

LIKE A FRIEND WHO KNOWS THE BEST PLACES

Not only do we visit iconic cities, we also seek out those less-visited places that are on the map but not on the tips of travelers' tongues. Windstar looks for destinations worthy of your time yet just out of the limelight — places where locals both go about their days and go on vacation, where you can still enjoy quiet beaches and busy market squares, and where authentic foods replace tourist fare. We then go beyond the ordinary, with exclusive Signature Beach Parties and onboard performances celebrating the local flavor and spirit.

MAKING A DIFFERENCE ONE DETAIL AT A TIME

We know the way to truly unforgettable travel experiences — and we couldn't do it without the world's most exceptional crew. For them, hospitality is more than a job; it's their passion. And the more you enjoy your voyage, the more they enjoy serving you. They notice things others might not — your affection for turn-down chocolates, for instance, resulting in extra sweets magically appearing on your pillow. And they'll be delighted to direct you to their favorite restaurants, beaches, and shops ashore so you can make the most of your time in port. It's a talent that can't be taught, because it comes straight from the soul.

WARM & WELCOMING

OUR STANDARD SERVICES ARE ANYTHING BUT STANDARD

We're the only cruise line welcoming guests on to an Open Bridge, where they can pop in to watch the Captain and crew at work, and learn about chart navigation. Join our chef on market tours as they seek out local flavors and ingredients as they make their way from port to plate. And you won't want to miss our exceptional Crew Talent Show, where our crew goes beyond their day jobs — it's a guest favorite!

WE SURPRISE AND DELIGHT

One of the big benefits of our small yachts is how close they can get you to the types of authentic experiences you're looking for. Smaller excursion groups, often led by local experts themselves, ensure deeper insider access behind intriguing local topics. Catch your own fish for sushi in Iceland. Sample tree-to-bar Grenadian chocolate as you explore a cacao farm in a former rum distillery. Our carefully curated Enrichment Speakers further deepen and enhance your experiences with insight into the region's different cultures.

CAREFULLY CURATED FOR CAREFREE ADVENTURES

BEHIND EVERY ITINERARY

KELLY HUBBARD

As Director of Product Development Kelly's focus

is a global one, overseeing all shore excursions, destination engagement, enrichment, and pre- and post-cruise operations. When it comes to shore excursions, she's tasked with ensuring our tour program is not simply "off the shelf" but is more hand curated. As Kelly puts it, "It's important for our guests to understand that our tour experiences are created and tweaked just for them."

MICHELE HANSON

Michele has over 15 years' experience in the cruise and

travel industry with a focus on product development and itinerary planning. She travels throughout Northern Europe, Canada & New England, and the Caribbean looking for the most unique and authentic tours — like an *America's Cup* sailboat racing experience in St. Maarten or a helicopter glacier adventure in Norway.

MELISSA WITSOE

Senior Product Manager Melissa Witsoe is our resident

expert on the Mediterranean and the South Pacific. With more than 22 years of experience in the cruise and travel industry she knows what appeals to today's traveler. Some of her favorite excursion finds include a gourmet experience in Sorrento, Italy, and a *Cultures Through Cuisine Cruise Tour* in Moorea. "As Product Managers we eat, tour, and travel with our local contacts to see what they don't see because it's part of their everyday life."

TRAVIS LAMARCHE

Travis is our Global Operations Manager —

supporting our Destination Team at sea and our Product Managers. It's a role he's well trained for, with a decade of experience at sea and over 15 years in the industry in areas from product development to public speaking. He's a good listener, too. "My favorite part of my job is meeting and talking to guests, hearing why they love Windstar, and listening to their stories about past adventures."

RICKY TRAUTWEIN

Meet Product Manager Ricky Trautwein. When it comes

to developing Windstar-quality shore excursions in Spanish speaking countries, Ricky is our go-to guy. In college, he earned a degree in Spanish and studied abroad in Seville, where he fell in love with the country and the culture. That, plus his 10 years of experience in travel and hospitality, make him the perfect choice for coordinating in-depth cultural experiences in Central America, Iberia, and beyond.

THERE IS NO "TYPICAL" EXCURSION

Unless you think an excursion to try Viking sushi is typical, our shore excursions are incomparable, once-in-a-lifetime adventures. We will help you select shore experiences that are suited to you. On many voyages you'll discover excursions to UNESCO World Heritage Sites, so chosen for their outstanding cultural or natural value to humanity. Other opportunities focus on a region's diverse and unique wildlife, or have been selected to appeal to foodies, history buffs and active adventurers. From archaeological wonders to regional wine tastings, discover an unparalleled way to experience other lands and see the world from a new perspective — designed by a team who have already been there and done that.

WE KNOW YOU'LL WANT TO GO, BECAUSE WE'VE ALREADY BEEN

We can promise you'll enjoy truly authentic experiences, because we've personally vetted all our excursions for you first. Our Product Development Team travels to each destination and personally curates each shore excursion to make sure it makes the grade.

We travel in small groups, so we can adjust tours in real time based on guest feedback, whether that means finding a different place for lunch or spending more time at a particularly fascinating historical site. We take the time and make the trip because we want your travels to be unforgettable.

LEARN WHAT LOCALS KNOW

WINDSTAR'S SHORE EXCURSIONS LET YOU GET TO THE HEART OF LOCAL CULTURES

You want to do more than see the sights — you want to invest all your senses and immerse yourself in local culture, just as a local would. That's exactly what Windstar shore excursions are designed to do. Our excursions are created to provide authentic local experiences — the kind travelers, like you, are looking for. And with more than 2,000 curated excursions to choose from, you can experience your destination in whatever way is most meaningful to you. On each excursion, you'll have ample opportunity to engage with locals and learn about the area from their point of view.

JUST WHAT YOU'RE LOOKING FOR

Choosing the right excursion is easier than ever — just pick the tier that's right for you.

ESSENTIALS COLLECTION

Essential excursions are for first-time visitors who want to see the must-see sights or get a panoramic overview of the area.

CONCIERGE COLLECTION

Concierge tours are hands-on experiences revolving around cultural and culinary themes. They're limited to small groups, typically 6 to 16.

BEYOND ORDINARY COLLECTION

Beyond Ordinary offerings are just that — unique, exclusive, once-in-a-lifetime opportunities for the most discerning travelers.

MANY OF THE WORLD’S MOST CELEBRATED RESTAURANTS might call it madness to change their entire dinner menu every day. Madness? We simply call it the Windstar way. Many menus change daily, so you’ll never eat the same exact thing (unless you truly want to). Amphora’s menu also features dishes created by a James Beard Foundation affiliated chef who has sailed with us before. Our onboard chefs provide plant-based options at every meal and will often integrate fresh ingredients, spices, and flavors picked up in port during their trip to the local market. It’s just one more way we help you devour local life and community, and whet your appetite for travel.

GLOBAL FLAVORS FROM PORT TO PLATE

**FABULOUS MEALS
DESERVE FABULOUS WINES**

Peter Tobler, Windstar’s Director of Food & Beverage Operations, put his over 30 years of hospitality, travel, and cruise experience to work curating Windstar’s wine list, with a goal of including a variety of profile preferences, price points, and regions. The robust menu features 110+ wines from 92 wineries, 58 wine regions, 10 countries, including selections from places such as Argentina and Australia.

**CULINARY JOURNEYS
SHAPED BY THE WORLD**

Windstar’s culinary evolution moves at full sail, never settling for the expected. We deliver flavors that speak directly to the soul of every destination. Our dishes are deeply rooted in local cuisine, inspired by the markets, traditions, and stories shared in each port. Yet we don’t stop at simple replication. Our chefs reinterpret these regional classics with modern techniques, global influences, and thoughtful touches of fusion that honor the histories behind them. The result is a menu that feels both familiar and thrillingly new —where authenticity meets innovation, and where every plate reflects not just where we sail, but the cultural journeys that shape the world’s most compelling flavors.

FINE DINING HAS ALWAYS BEEN ONE OF THE PILLARS OF THE WINDSTAR EXPERIENCE

Now guests can dine on dishes created by not just one celebrity chef, but by a list of all-stars recognized by the James Beard Foundation, an organization committed to celebrating, nurturing and honoring chefs and other leaders making America’s food culture more delicious, diverse and sustainable for everyone. This partnership also extends beyond the dining room to a wide range of culinary events and activities that help guests connect more intimately with local cultures.

The James Beard Foundation nominates and chooses winners of the James Beard Awards, referred to as the “Oscars” of the restaurant industry. As the Official Cruise Line of the James Beard Foundation, we’re able to work with some of the best chefs to create the extraordinary dishes on our nightly menu. Nearly four dozen chefs have sailed with us on our culinary-themed cruises.

WHAT ALL OUR SHIPS HAVE IN COMMON IS NOT COMMON AT ALL

You can slip past the crowds to discover smaller ports and get to know the local culture on more intimate excursions. We offer two different yacht styles — the sailing Wind and all-suite Star Class — with custom-crafted journeys that highlight their unique attributes, whether island-hopping in French Polynesia or cruising the Norwegian fjords. No wonder Windstar was voted one of the World’s Best small-ship ocean cruise lines by the readers of Travel + Leisure.

YOUR YACHT. YOUR CHOICE.

All staterooms and suites offer ocean views designed with scenic cruising in mind. Special touches such as L’Occitane® bath amenities, and waffle weave robes and slippers turn your room into a private oasis. With world-class restaurants and the most personalized service at sea, you have everything you need right on board. Our yachts boast ample decks and a Marina that lets you jump right into the ocean.

ALL-SUITE STAR YACHTS

We call them the all-suite Star yachts, because it takes everything guests love about private yacht-style cruising to the next level. We are excited to announce the addition of all-suite *Star Seeker* and *Star Explorer* to our fleet. Both ships serve just 224 guests and feature more balconies, floor-to-ceiling infinity windows, and wrap-around balconies for the Horizon Owner’s Suites.

Star Breeze, *Star Legend*, and *Star Pride* feature spacious ocean view suites of 277 square feet or more for the standard stateroom. Each serves only 312 travelers per voyage, ensuring thoughtful, genuine service thanks to a high

crew-to-guest ratio. Dine at a specialty restaurant and an al fresco global grill. Lounge in the elevated infinity pool that serves as the centerpiece of our deck and relax in the World Spa by Windstar with locally inspired treatments.

THE CLASSIC WIND YACHTS

With the iconic white sails billowing in the wind, bringing guests back to the true romance of sailing, these are the classic sailing yachts for which Windstar is known.

An abundance of wide-open decks and elegant outdoor spaces make our three Wind yachts the perfect way to experience warm seas and tropical breezes.

Wind Surf is a 5-masted sailing vessel, serving up to 342 guests. *Wind Star* and *Wind Spirit* each serve just 148 guests — designed to sail quietly past larger cruise ships and into secret lagoons and near the most secluded beaches.

THE MOMENT YOU STEP ON BOARD

Windstar's two beautiful new yachts, Star Seeker and Star Explorer, you'll be treated to a full complement of fresh but familiar amenities and Windstar's signature yacht style.

TWO NEW STARS ON THE HORIZON

MEET OUR NEW LUXURIOUS YACHTS

The two newest Star Class yachts elevate the “all suite” vision with 112 suites featuring full private verandas or infinity windows, along with two new Horizon Owner’s Suites offering wrap-around balconies perfect for evening cocktails or a private al fresco dinner. And enhancements don’t end at the waterline. Both yachts are equipped with ice-strengthened hulls, unlocking exciting new possibilities for exploring the remote and less-visited corners of our planet.

Star Seeker began her inaugural season in January 2026 in the Caribbean where she met the rest of the fleet before heading to Alaska in May 2026, and then to Japan beginning in September 2026. *Star Explorer* will sail year-round in Europe when she arrives in December 2026.

The sails on Windstar's three Wind Class ships aren't just for show. They help us improve fuel efficiency and propel guests to some of the most romantic destinations on Earth — places like French Polynesia, Greece, and Italy.

Wind Surf, Nafplio, Greece

WINDSTAR'S HOSPITALITY IS LEGENDARY, *from staff who welcome you by name to servers who bring your favorite beverage before you even ask. And we show that same consideration to the planet we all share, because protecting the beautiful places and oceans we visit just makes sense.*

LEGENDARY HOSPITALITY WITH A SOFTER

FOOTPRINT

CRUISING INTO A SUSTAINABLE FUTURE

As a small-ship cruise line with wind-powered ships, Windstar is already ahead of the curve on sustainability. With no more than 342 guests, our yachts have less impact on the environment and the communities we visit. Still, we continually assess and improve our environmental practices to make the planet cleaner and greener.

Some initiatives are large, like replacing engines with more efficient ones. And some may seem small, like polishing our propellers twice a year for peak efficiency. But when it comes to protecting the world's natural surroundings, even small changes add up.

REDUCING OUR USE OF FOSSIL FUELS

Innovations in maritime technologies offer many opportunities to minimize greenhouse gas emissions, and Windstar is working to incorporate these into our fleet. Our all-suite Star Class yachts have new engines that use cleaner-burning fuel with lower sulfur content to minimize environmental impact. This reduces fuel use and greenhouse gas emissions by about 20% per passenger nautical mile. We're painting the hulls of our ships with a special paint that reduces drag and increases efficiency by up to 3%.

Other ways we reduce fuel consumption include increasing the use of ship sails and strategically planning itineraries. We've also implemented lighting upgrades and HVAC enhancements to reduce energy use onboard.

SAVING FRESH WATER FOR A RAINY DAY

The Windstar fleet is surrounded by seawater, yet we're keenly aware of the importance of maintaining precious water resources for generations to come. Although seawater is not drinkable, our yachts have efficient equipment for reliably creating potable water onboard. We also encourage guests to conserve by reusing towels before having them laundered.

KEEPING TRASH OUT OF LANDFILLS

Conservation is not just about reducing consumption, it's about reducing waste, and we have a number of initiatives to reduce, reuse, and recycle. These include replacing paper documents with e-documents, eliminating single-serving amenity containers in staterooms, more accurately forecasting food consumption and supplies, asking suppliers to reduce packaging, and working with local communities to ensure we fully comply with local garbage segregation requirements.

SAYING NO TO SINGLE-USE PLASTICS

We have also drastically reduced single-use plastics, eliminating plastic bottles from our staterooms and restaurants, and reducing the use of straws, cups, and other plastic items. Reusable glass water bottles are provided for the convenience of our guests with the environment in mind.

LEAVING THE OCEAN BETTER THAN WE FOUND IT

Of course there are other forms of waste, and we work hard to reduce those as well. We upgraded our wastewater treatment systems, use environmentally acceptable lubricants where feasible, and use

biodegradable, environmentally friendly cleaning supplies. We also removed all onboard incinerators to eliminate air emissions.

Windstar employees add to our corporate efforts by volunteering in beach clean-up days in both Seattle and Miami. Even our guests take part, adding their "adopt a coral" donations to our own donation to an NGO called Coral Gardeners that's working to replant healthy corals where reefs are struggling. (See page 50 for details.)

FOOD THAT IS GOOD FOR YOU AND THE PLANET

Being gentle on the environment can also mean changing what you eat, since a plant-based diet saves water and reduces greenhouse gasses. For those who favor vegan meals, we now offer a plant-based, gluten-free menu.

WE MAY NOT BE BIG, BUT WE CAN STILL MAKE A DIFFERENCE

In the overall scheme of things our efforts to protect the planet may not make waves, but we believe every ripple counts.

THEY CAME IN OUTRIGGER CANOES *not knowing what lay ahead.*
Navigating by sun, moon, and stars, they arrived in these far-flung islands and developed cultures that continue to astound. Fijians who walk on fire. Huahine's stone fish traps still in use after hundreds of years. They pushed on further still — to remote islands in the Tuamotus where copra and pearl farming are still a way of life, to Rarotonga, the source of Māori culture, and to the Marquesas, known for its ethereal landscape and its rich culture. Feel the tingle of kava on your lips and realize these cultures are so much deeper and richer than you ever imagined.

FEATURED PORTS:

Fakarava Biosphere Reserve – Here is a rare opportunity to experience one of earth's most beautiful — and most remote — places. Fakarava's ecosystem is so diverse it has been named a UNESCO Biosphere Reserve, a world of magnificent cauliflower coral, sleek grey sharks, and neon schools of tropical fish. On shore, bougainvillea-lined roads lead past historic lighthouses and small villages. And with only 800 residents, most of them pearl and copra (coconut) farmers, you'll find plenty of secluded beaches you can call your own.

Savusavu, Fiji – Known as “the hidden paradise of Fiji,” beautiful Savusavu with its abundance of waterfalls, hiking trails, rainforests and black pearls, has recently been realized to be a tourist hotspot. The shabby-chic main street is a hodgepodge of eclectic watering holes, a bustling market, and a variety of shops and cosmopolitan restaurants. Find a black pearl farm, see the Vuadomo and Nakawaga Waterfalls or kayak, snorkel, sail, fish or take an easy hike. Bula!

Rangiroa, Tuamotus

Tahaa Vanilla

Moorea

FEATURED SHORE EXCURSIONS:

Tahaa: Tahaa Vanilla Plantation & Snorkeling – Tahaa, a flower-shaped island that's as fragrant as it is beautiful. Often called “the vanilla island,” Tahaa produces 80 percent of all Tahitian vanilla in a labor-intensive process that will make you appreciate all the more its delicious aromatic flavor. Boat across the lagoon to a small family plantation and learn how it's done, from hand-pollinating the orchid blossoms (which only live for 6 hours) to hand-massaging and aging the beans — a process that can take up to 9 months.

Moorea: Photographer's Eye View of Moorea – Believed to have been the inspiration for James Michener's *Bali Hai*, and today, you'll learn how to capture that beauty under the tutelage of an accomplished professional photographer. Journey into the stunning interior by 4x4 and on foot, skirting large pineapple fields, beautiful gardens and a turquoise-blue lagoon. Some of your favorite shots may come from some unusual places, like Papetoai fishing village, Haapiti Catholic Church, or the interior of Moorea Crater.

COMPLIMENTARY WINDSTAR DESTINATION DISCOVERY EVENT: POLYNESIAN FEAST & FIRE

BORA BORA: CELEBRATION FESTIVAL

Windstar Exclusive: Guests on every Windstar Tahiti cruise are treated to a complimentary Bora Bora Celebration Festival on a lovely private motu, complete with Tahitian fire dancers and local cuisine.

WELCOME TO YOUR MAGICAL MOTU. The enchantment begins as you step ashore to receive a fragrant flower lei, and continues as you feast on a menu carefully chosen by Windstar's executive chef – delicious barbecue favorites plus traditional island dishes like poisson cru and po'e.

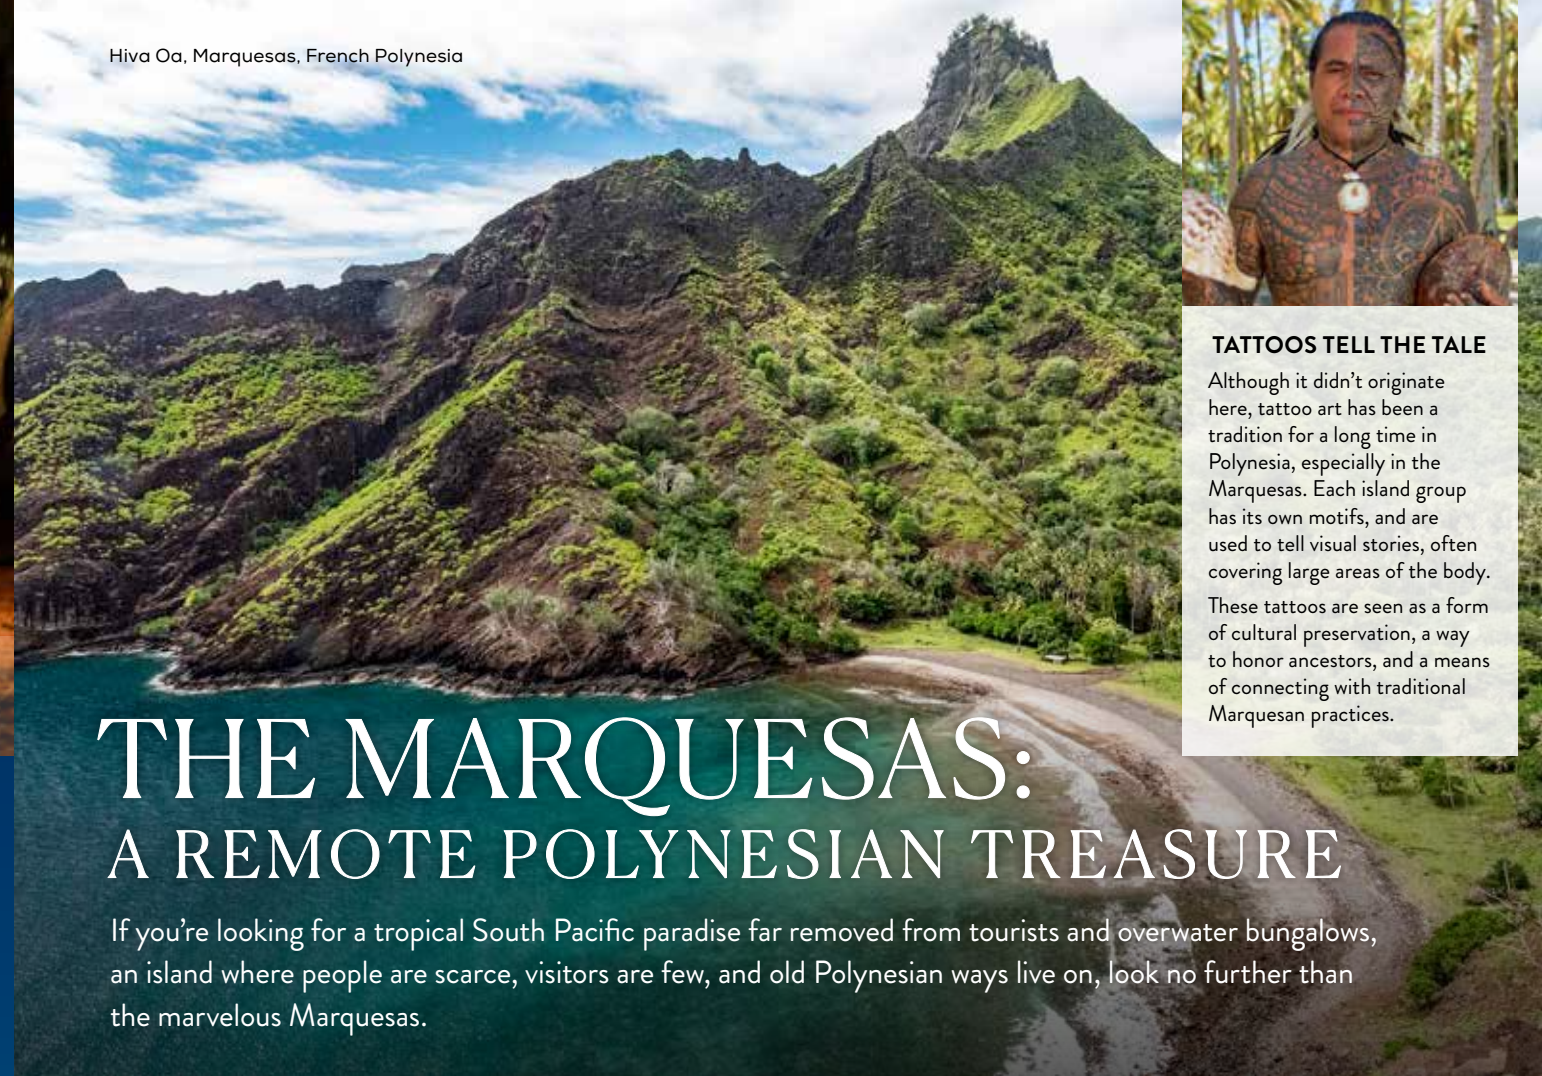

When the sun goes down, the curtain rises and you are whisked back to the days of old when fire dancers from mountain villages used war clubs in their performances to demonstrate their prowess in battle.

LISTEN TO THE FIRE TALK. Fire dancing is found throughout the world, but perhaps nowhere has it taken on greater significance than in the South Pacific. With no written language, early Polynesians relied on oral traditions and dance to pass on their heritage. Ancient fire dances were also often a part of pre-battle rituals, helping warriors prepare for the combat ahead.

The speed and acrobatic prowess of the performers takes your breath away as they write messages to the gods against the night sky. The beating fa'atete drums quicken your pulse, and the heat is so intense you can feel it even from 10 feet away. As the performance ends you are left in awe, with memories burning as bright as the dancing flames.

Hiva Oa, Marquesas, French Polynesia

THE MARQUESAS: A REMOTE POLYNESIAN TREASURE

If you're looking for a tropical South Pacific paradise far removed from tourists and overwater bungalows, an island where people are scarce, visitors are few, and old Polynesian ways live on, look no further than the marvelous Marquesas.

TATTOOS TELL THE TALE

Although it didn't originate here, tattoo art has been a tradition for a long time in Polynesia, especially in the Marquesas. Each island group has its own motifs, and are used to tell visual stories, often covering large areas of the body.

These tattoos are seen as a form of cultural preservation, a way to honor ancestors, and a means of connecting with traditional Marquesan practices.

This is one of the most remote and untouched archipelagos in the world, 1,400 miles from its nearest neighbor. And if you add up the entire population scattered across half a dozen islands, it's still well shy of 10,000. No wonder the Marquesas offer a pristine environment and authentic culture that most people never get to experience.

FROZEN IN TIME

These are the unspoiled South Seas islands that storytellers like Herman Melville, Robert Louis Stevenson and Thor Heyerdahl wrote about, with stunning landscapes of steep mountains, deep valleys, and secluded beaches. And thanks to their isolation, life here gives you a rare glimpse into Polynesia's past.

Art forms such as woodcarving, stone carving, tattooing, and

weaving are important expressions of Marquesan culture, with their own unique style.

These are the unspoiled South Seas islands

FROM HANDICRAFTS TO FINE ART

All of the Marquesas islands are rich with culture, but each one offers something different.

The picturesque island, Fatu Hiva, has a stunning natural beauty that has inspired artists for centuries. It's famous for its traditional arts and crafts, particularly woodcarving and tapa cloth. The painstaking process of turning tree bark into fabric has been passed down through the generations and is incredible to watch.

On Hiva Oa, learn about Marquesan culture from carving to music, dance and language at the many cultural centers on the island, or visit the

A RARE DESTINATION, A RARE OPPORTUNITY

In the Marquesas islands, you can immerse yourself in authentic Polynesian culture in surroundings that are both beautiful and delightfully undiscovered. There isn't much infrastructure for scheduled tours or even transportation to the island. ancient ceremonial village of Taaoa. The best-known cultural site, though, relates to the artist Paul Gauguin, who lived here the last few years of his life.

Nuku Hiva offers an abundance of historical sites, ancient archaeological remains, and sacred marae. DREAMS OF TAHITI

PAPEETE TO PAPEETE | 7 NIGHTS

A graceful yacht is the perfect way to experience the true wonder of Tahiti. We'll visit one legendary island after another, with plenty of casual time to swim and snorkel in crystal-clear lagoons, meander through lush rainforests, and experience the fascinating Polynesian culture from tikis to tiare flowers.

HARVEST YOUR OWN BLACK PEARL

We were transported from the yacht on the island of Raiatea to a local boat wharf, and taken by skiff to an over-water reef house. Our group was met with cold Hinano (local) beer and fresh slices of coconut, to further herald our arrival to this outpost of stunning, 360 degree beauty. Our guide, Summer Rotu, a San Diego native who manages Anapa Pearl Farm, then gave us a lesson in how pearls are farmed, what goes in to creating such lovely and unique jewelry, and how the cultivation of black pearls is a major part of the economy in French Polynesia.

Summer then outfitted our small group with snorkel equipment, and we were set loose to explore the under-water workings of a pearl farm. Summer then announced the most exciting game of "hide and

seek" we'd ever played: she'd hidden four oysters, all which might contain a black pearl, around the reef house. We dove, splashed, and delighted in finding our oysters, eager to see what was inside.

The pearl grafter (who works to inseminate oysters and harvest their pearls) then opened our treasures, and we were all delighted at what we found. Our pearls were beautiful, many quite large and unique in their coloring with the rarest of "bronzes" eliciting many ooh's and aaah's.

back to the shore as we marveled at our spectacular day and the luminescent souvenirs that would remind us of the moment forever.

Tuamotu Archipelago

RESTORING THE OCEAN, ONE CORAL AT A TIME

Titouan Bernicot was raised on a pearl farm on a remote coral atoll in the northern Tuamotu Archipelago and moved to Moorea when he was three, so the sea has always been his home. Coral reefs offered sustenance, recreation, his family’s livelihood ... everything that was dear to him.

CORAL REEF FACTS:

- Coral reefs are home to 25% of marine life despite covering less than 1% of the oceans
- Without help, scientists estimate that the coral reefs of the world could disappear by 2050
- More than half of all new cancer drug research focuses on marine organisms, many of which are found on coral reefs
- 500 million people worldwide directly rely on the reef for food, income, and coastal protection
- We have already lost more than half of all reefs

At 16, Bernicot discovered his first bleached coral and realized the entire ecosystem was threatened. The shock and heartbreak of that moment drove him to research the causes of coral bleaching, and sparked his passion to save the world’s coral.

The NGO he founded in 2017, Coral Gardeners, chooses corals that are more resilient to climate change and raises them in an undersea nursery before transplanting them to damaged parts of the reef through an “adopt a coral” program. They also work to raise awareness. To date, the organization has planted more than 31,000 corals.

In 2021, Bernicot became a National Geographic Explorer and was recognized by the United

Nations at the Young Activists Summit in Geneva. Later, he was also awarded as part of the Explorers Club, class of 2023.

As a Windstar guest, you can now be a part of that story.

WINDSTAR & CORAL GARDENERS: *Planting the Seeds of Change*

Windstar has been sailing to Tahiti for 35 years, and the health of its delicate ecosystem has always been important to us. That’s why we support the efforts of Coral Gardeners and encourage our guests to do the same.

As a Windstar guest, you can now be a part of that story.

To that end, all guests sailing on Windstar cruises to French Polynesia will have the option to adopt a coral from Coral Gardeners for a donation of \$35 per person. In exchange,

they’ll receive a unique coral adoption card in their room as a memento of their contribution to restoring the beautiful coral reefs they’re enjoying on their Tahiti cruise.

FEATURED PORTS:

Hiroshima, Japan – Largely destroyed by an atomic bomb during WWII, Hiroshima today is a modern city that honors its past. Fold a paper crane to leave at the Atomic Dome, a UNESCO World Heritage Site, and visit Hiroshima Castle to see three trees that survived the bombing that destroyed the castle itself. Or head to Miyajima, one of the most scenic spots in Japan, for a look at the vermilion Itsukushima Shrine that appears to float in the sea — yet another World Heritage Site.

Hue, Vietnam – Hue invites you into the soul of Vietnam — a serene, poetic city where imperial palaces rise from misty riverbanks and golden-roofed tombs rest among lotus-filled gardens. Once the seat of Nguyen emperors, its vast UNESCO-listed Imperial City blends crumbling citadels, dragon-adorned gates, and quiet courtyards that whisper of dynastic grandeur. Along the Perfume River, wooden boats glide past incense-scented pagodas, while royal-influenced dishes like the legendary Bún bò Huế capture the city's fiery heart. Hue is where history, spirituality, and culinary artistry intertwine — an intimate, atmospheric destination that lingers long after you've left.

WINDSTAR'S ASIA COLLECTION spans the full sweep of the continent—from the neon-lit energy of Tokyo and the bustling riverside heart of Bangkok to the floating villages of Halong Bay and the golden temples of Cambodia. Sailing aboard our newest yacht, *Star Seeker*, you slip into small harbors and hidden islands like Tomonoura, Ko Kood, Ko Yao Noi, and Krabi, as well as upriver city centers such as Bangkok and Ho Chi Minh City that larger ships simply cannot reach. Along the way, you'll experience Asia through the rhythms of daily life: sunrise tai chi in Hanoi, Edo-era traditions in Tomonoura, elephant sanctuaries in Chiang Mai, and the haunting ruins of Angkor Wat. With 21 unique itinerary variations including enriching inland Cruise Tours stretching from Japan to Singapore, Windstar reveals Asia's iconic landmarks, legendary cuisine, and deeply rooted cultures in a way that feels intimate, authentic, and astonishingly close.

First, work up your appetite with a stroll through beautiful Ritsurin Garden, awarded three stars in the Michelin Green Guide Japan. Then, roll up your sleeves and try making the signature dish for yourself at Nakano Udon School.

Koh Yao Noi: Batik Day – Create your on batik masterpiece! Batik, a tradition rooted in Southeast Asia, uses warm wax to shape patterns and protect sections of cloth before dyeing to create both intricate monochrome motifs and vivid multihued tapestries. INSIDER TIPS

- Bring along a pair of comfortable slip-off shoes. Temples and traditional restaurants require shoe removal. The presence of woven rice straw mats (Tamati) and shoe storage shelves are your cues to stow your shoes.
- Tattoos are taboo in public pools, gyms, beaches, water parks and onsens (bath houses). If you have tattoos, cover them prior to visiting temples or sacred sites.
- Carry extra Japanese yen for the ubiquitous vending machines to try everything from ramen to collectible toys in capsules.
- Don’t miss Windstar’s **Exclusive Destination Discovery Event** in Tomonoura featuring an immersive treasure-hunt-style journey wandering through Edo period streets, participating in calligraphy and samurai demonstrations and tea ceremonies.

FOLLOW SILENT DEER PATHS through lush coastal forest, find rivers churning with spawning salmon, and spot mountain goats perched precariously on mountain ledges the size of a quarter. Go where cities give way to tiny native villages and close-knit frontier communities. Cruise the cliff-walled fjords of Kenai Fjords listening for the “white thunder” of glaciers calving into nutrient-rich water, and idle off Point Adolphus watching humpback whales breach. From the lush island scenery of the Inside Passage to the wildlife-rich wilderness of Denali National Park, this is the Alaska you came to see.

HEART OF THE WILDERNESS

WHY WINDSTAR'S ALASKA:

- Enjoy close-up views of emerald coastlines, glaciers, and waterfalls in the Canadian Inside Passage, Kenai Fjords, Misty Fjords, and either Tracy Arm or Endicott Arm
- Visit small and less-visited ports of call like Wrangell and Haines
- Get closer to the twin Sawyer Glaciers on our yacht, which can navigate further up the narrow fjord
- Launch a kayak or Zodiac straight from the yacht in remote places like Misty Fjords and Kenai Fjords where excursions aren't usually offered
- In Alaska, travel with Expedition Guides with expertise in various disciplines, who lead guided tours and are available all your cruise to answer any questions you may have

FEATURED PORTS:

Kenai Fjords, Alaska – Alaska's smallest national park holds some of Alaska's biggest natural wonders. Very few cruise lines go here but on Windstar's *Star Seeker* you'll enjoy a full day of scenic cruising. The towering walls of rock and lush forests that line the fjords are breathtaking, but the ice face itself is even more so, regularly calving icebergs the size of small houses. Wildlife along the way might range from brown bears and mountain goats to sea lions and whales, and with Windstar's exclusive Signature Expeditions, you can see it all up close by kayak or Zodiac.

Wrangell, Alaska – With only about 2,000 residents, Wrangell is one of Alaska's smaller communities. You won't find big ships or fancy gift shops here, but you will find bald eagles in the cottonwoods, a colorful history, and a rare and authentic frontier charm. Spend the day discovering totem poles and Tlingit history at Chief Shakes Island, or wander Petroglyph Beach pondering the meaning of the 8,000-year-old rock art. Or, if you're feeling adventurous, watch wild bears fish the river for spawning salmon.

Chilkat Bald Eagle Preserve,
Haines, Alaska, USA

Wrangell, Alaska, USA

Taku Glacier,
Juneau, Alaska, USA

FEATURED SHORE EXCURSIONS:

Juneau: Taku Glacier & Airboat Adventure – Alaska is awesome from any angle, but it's especially amazing from the sky. Flying high above Juneau in your helicopter it's all laid out like a quilt below you: The green velvet of Tongass National Forest, the white Juneau Ice Field, blue Gastineau Channel and Taku River. Landing at Taku Point, board a covered airboat for an exhilarating ride along the edge of Taku Glacier within an arm's reach of the ice. Then it's back to your helicopter for an effortless climb and landing on top of the glacier.

Haines: Chilkat Bald Eagle Float – Board your raft and enjoy a scenic float down the Chilkat River through the famous Chilkat Bald Eagle Preserve. Your expert guide will push the raft along. Along the way, your guide will interpret the natural history of the area and share exciting stories of life in the Alaskan wilderness. Learn to spot bald eagles and gain an appreciation for the challenges they face to survive. Early in the summer, resident eagles are feeding their young.

WE COULDN'T HAVE SAID IT BETTER ...

"Not only was the expedition staff great with their lectures and knowledge of glaciers, bears, whales, seals, sea lions and everything else that roams Alaska, they were really great fellow travelers who enjoyed the cruise as much as we did ... Riding on a Zodiac while seeing mountain goats as ice floated by from a calving glacier was a total thrill!" ~ SB44 on Cruise Critic

GET CLOSER TO THE LAST FRONTIER

WINDSTAR SIGNATURE EXPEDITIONS BRING ALASKA TO LIFE

Imagine seeing the Great Land as John Muir saw it, from ground and sea level, not looking down on it from several stories high (or from miles away).

And while other cruise lines bring speakers on board for a day, you'll enjoy the company of onboard experts for the full length of your voyage. You can casually ask questions and visit with these authorities on marine biology, botany, history, glaciology, and more whenever your curiosity is aroused.

In addition to scheduled presentations and getting to know our guests' interests better, they lead small groups on hikes and on expeditions by kayak and Zodiac — sometimes launching straight from our yacht in remote places like Misty Fjords and Kenai Fjord where this type of excursion is rare and requires guests to go ashore first.

That's the intimate and engaging experience you get on a Windstar Signature Expedition.

PORTS FEATURING SIGNATURE EXPEDITIONS

Kenai Fjords – Step from the ship to a kayak or Zodiac and glide past ice debris from the Harding Ice Field. Keep an eye out for calving tidewater glaciers, harbor seals, black bears, bald eagles, and puffins.

Misty Fjords – Cruise up Misty Fjords past where the big cruise ships turn around, then launch a Zodiac or kayak straight from the ship to explore even further — to hidden coves and along cliffs streaked by glacier-fed waterfalls.

Tracy Arm/Endicott Arm – Depending on the route, navigate in front of the South Sawyer Glacier or Dawes Glacier by Zodiac or kayak. Both glaciers are actively calving. Watch for harbor seals hauled out on ice floes and mountain goats high on the cliffs above.

Wrangell – John Muir hiked here while using Wrangell as headquarters for his Stikine Delta explorations. Your interpretive walk offers a truly immersive forest experience with excellent views of the surrounding mountains, town, and waterways below.

ALASKAN SPLENDORS

VANCOUVER TO ANCHORAGE, or reverse | 10, 11, OR 12 NIGHTS

One of Michele Hanson’s favorite ways to experience the “true Alaska” is kayaking Endicott Arm: “The smell of the glaciers, the beauty of the blue ice ... you just feel so blessed to see it firsthand.” Such intimate encounters are only possible on a small ship like *Star Seeker*. Guests get to experience a variety of glaciers in Kenai Fjord, Tracy or Endicott Arm, and view the waterfalls along the steep cliff walls in Misty Fjords all on one itinerary. Another benefit: Windstar is able to tweak it in real time — so if, say, a pod of humpbacks is spotted bubble feeding in Point Adolphus, the Captain can maneuver the ship for prime viewing.

Windstar’s Signature Expeditions staff is tops in the field, and the cruise line goes out of its way to expose guests to authentic Alaskan culture in tiny communities like Wrangell.

WINDSTAR TIPS EXPERT LEVEL

The Last Frontier is by definition a long way from civilization, so if you're going to make the trek to get here, take your Alaska journey to an even higher level by paying attention to these five simple tips.

- 1. Capture the Memories**
Take advantage of the uncrowded decks to shoot that once-in-a-lifetime shot of a whale breaching — something that's much easier to do without people bumping your elbow.

- 2. Learn From the Experts**
Add more meaning and context to your voyage as you learn about nature and Alaskan history from the full-time Expedition Experts on board to ask questions of on deck or to have conversations with over dinner.

- 3. Pack Like a Pro**
Make your days on board and on shore more comfortable and productive by mastering the Northwest art of layering clothes and by bringing the right gear for your outdoor adventures.

- 4. Don't Forget About Denali**
Denali National Park & Preserve is Alaska's most popular land attraction, and can be visited on our Cruise Tours. It's home to Denali

(formerly Mount McKinley), the continent's highest peak, as well as Alaska's Big Five wildlife: moose, caribou, grizzly bears, Dall sheep, and wolves.

Signature Expedition excursions launch right from the yacht

- 5. Look Beyond the Creature Features**
There's the native culture, and there are few things more thrilling than watching traditional Hoonah Tlingit dances or visiting with a Native Master Carver. And, there's the incredible fjord

and glacier scenery, at its best in remote spots like Kenai Fjords, Misty Fjords, Tracy Arm, and Endicott Arm — places where our Signature Expedition excursions launch right from the yacht.

VIKINGS CROSSED THE LABRADOR SEA from Greenland to settle in Newfoundland. Centuries later, Portuguese fishermen, Basque whalers, French trappers, and English pilgrims would discover a Promised Land where nature nurtures both body and soul. Here, where the sun first kisses North America, Jacques Cartier found a place where “the scenery is indeed worth seeing and can’t be properly described in words.” The ravishing lighthouse-studded coast still inspires awe. Manna from the sea still delights palates. And yachts like ours still ply these waters with a freedom denied to larger ships.

ECHOES OF FREEDOM

CANADA & NEW ENGLAND

Montreal, Quebec, Canada

WINDSTAR'S FAVORITE FIVE:

- Montreal, Quebec
- Gaspé, Quebec
- Tasermiut Fjord, Greenland
- Halifax, Nova Scotia
- St. Anthony's, Newfoundland

Bass Harbor Head Light, Maine, USA

FROM THE AMERICAN REVOLUTION to the Siege of Louisbourg, quaint fishing villages to iconic French-flavored cities, Star Pride shows you the best this region has to offer. Step into Maine's oldest lighthouse in Portland and catch lobster in Cap-aux-Meules. Travel back to the days of the Vikings in L'Anse Aux Meadows near St. Anthony, and to French fishing villages in Saint Pierre & Miquelon. See spectacular scenery from the rugged shores of Acadia National Park to picturesque Peggy's Cove. The diversity of sights, tastes, and accents is astonishing, and makes you feel like you've traveled to foreign lands without ever being too far from home.

BIRTHPLACE OF NATIONS

WHY WINDSTAR'S CANADA & NEW ENGLAND:

- Stay overnight in Quebec City, one of only three lived-in UNESCO World Heritage Sites in the world
- See rare corners of remote Newfoundland and Labrador
- Discover Acadian and Scottish cultures in Nova Scotia, French culture in Quebec, and the utterly unique Downeast culture of Maine
- See New England's spectacular fall color during autumn cruises
- Cruise into the heart of Montreal under Laviolette Bridge, a barrier that forces some larger ships to dock two hours away in Quebec City
- Visit small, rarely visited ports of call like Saint Pierre & Miquelon, Cap-aux-Meules, Bonne Bay, Narsaq, Gaspé, and Trois-Rivières

FEATURED PORTS:

Cap-aux-Meules, Magdalen Islands, Quebec – Cap-aux-Meules is a place even many Québécois are unfamiliar with. On this beautiful island of forest, dune grass, bright red cliffs and picturesque lighthouses it's easy to find a spot all your own. And there's plenty to see, from more than 300 bird species to a church built from salvaged shipwrecks to colorful kitesurfers skating across the waves. The hardy residents attract foodies with artisan cheese and local honey. Fill your time exploring the unique blend of Acadian, French and English cultures.

Halifax, Nova Scotia – What started as a British naval garrison was soon home to fishing boats, pirates, and rum-runners, resulting in a history almost as colorful as the restored clapboard buildings along the Harbourwalk. Catch up on the city's seafaring past — including artifacts from the *Titanic* disaster — at the Museum of the Atlantic. Or climb the hill to the star-shaped Citadel where costumed re-enactors transport you back to colonial days.

Cap-aux-Meules, Magdalen Islands, Canada

Bonne Bay, Canada

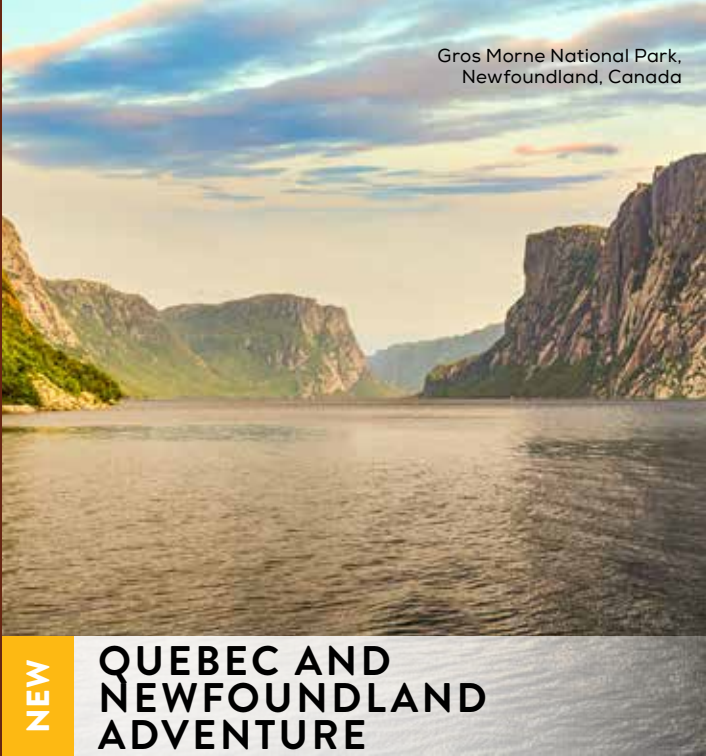

Uunartoq Hot Springs, Greenland

FEATURED SHORE EXCURSIONS:

St. Anthony's: Explore the North Coast – Join the Alcock family on their fishing boat for a scenic sail among sea life and coastal cliffs. Set off along the coast near Fishing Point in search of humpback whales, dolphins, seals, sea turtles and minke, fin and orca whales. As you explore the tranquil coast and keep watch for spouts, hear tales both real and rumored in this land of Vikings, moose, salmon and caribou. You'll return with a newfound appreciation for the Alcock's homeland and their generous hospitality.

Qaqortoq: Boat Tour to Uunartoq Hot Springs – Once in a lifetime experience where you get to enjoy the natural hot springs while surrounded in beautiful nature. Enjoy the scenery of the green Arctic while bathing in perfectly heated water on uninhabited Uunartoq Island. The setting is extraordinary — you can watch small icebergs float by in the ocean just a short distance away in the fjord, and sky-high mountains rise around. Aside from a small changing hut it's just you in a wild setting. And how many people can say they went swimming in Greenland?

THE RAINFOREST, sea, and beaches here brim with life — howler monkeys, jaguars, blue morpho butterflies the size of dinner plates — bisected by a canal built on a scale never before attempted by man. Mayan and colonial relics hint at past glories, shrouded in jungle and hidden deep within Belize’s limestone caves. Latin cuisines burst on the palate with the exuberance of a mariachi band. Absorb the legacy of Incan culture and lounge on the beach of the San Blas Islands. Meet Embera Indians in Panama and search the Costa Rican rainforest for endangered species. You are an explorer by day, with cocktails on the pool deck at 5.

FACE TO FACE WITH WONDER

LATIN AMERICA

Lima, Peru

WINDSTAR'S FAVORITE FIVE:

- San Blas Islands, Panama
- Lima, Peru
- Isla Parida, Panama
- Quepos, Costa Rica
- Curu, Costa Rica

Manuel Antonio National Park, Costa Rica

SEE THE PANAMA CANAL for the amazing engineering feat it truly is as you view the locks from below, rather than from above as you would on a large cruise ship. And get closer to the best wildlife-watching areas, like Bocas Del Toro, where you may encounter bottlenose dolphins, rare red frogs, and sloths. Extend your trip into Peru to taste your way through Lima and visit the Incan ruins of Machu Picchu. When you need a break from adventure (if you ever do), relax on uninhabited white-sand beaches and snorkel stunning reefs in Windstar-exclusive destinations like Isla Parida.

GET YOUR FEET WET

WHY WINDSTAR'S LATIN AMERICA:

- Explore places few cruise lines go, like distant parts of the San Blas Islands and the beaches of Central America's Caribbean coast
- Explore Machu Picchu, and the legacy of the Incans in Peru
- Get your feet wet as you wade ashore from the Zodiac (a "wet landing") onto deserted beaches and access remote wilderness areas
- Have fun and lounge in the sun during Windstar's Signature Beach Party — a catered affair complete with an island bar, water toys, and a plentiful, mouthwatering buffet
- Make a daylight transit of the Panama Canal as a Canal historian shares incredible facts about its construction

FEATURED PORTS:

Isla Parida, Panama: Windstar's Signature Beach Party – Located within a Nature Preserve of 50 islands, and part of Chiriqui Marine National Park, lovely Isla Parida boasts magnificent beaches and crystal-clear waters that stay at 82 degrees year round. This amazing tropical escape is yours to enjoy for the day during our Beach Party, complete with a delicious tropical feast. Snorkel or play with water toys, or explore inland where you'll find fruit trees like mango, banana, and coconut that offer shade and the occasional fresh snack.

Puerto Jimenez, Costa Rica – "Port Jim" is one of Costa Rica's most biodiverse areas. Rare birds like scarlet macaws, harpy eagles, and quetzals share the rainforest with land creatures like jaguars and ocelots, while offshore, humpback whales and dolphins play in the deep waters of Golfo Dulce. Kayak through the mangroves and estuaries watching for monkeys, caimans, butterflies and more, or simply relax on a perfect beach.

Puerto Jimenez, Costa Rica

Rainforest, Quepos, Costa Rica

FEATURED SHORE EXCURSIONS:

Cartagena, Colombia: National Aviary Tour – Colombia is home to more the 1,900 bird species and many of them reside in its lush Natioinal Aviary. Wander through various biomes and see macaws and harpy eagles in a tropical forest, cormorants and pelicans in mangroves, and even an Andean condor, king of the mountains in the Andean region. This is a must for any birder or wildlife lover!

Quepos: Rainforest Extravaganza & Traditions – The small town of Esquipulas rests at the foot of high mountains, and this family owned private nature reserve protects both primary and secondary rainforest at the mountains' base. Follow your naturalist guide along the trails, watching for toucans, hummingbirds, butterflies, monkeys and other rainforest residents. You'll also learn about Costa Rica's most important crop — coffee — observing the process from roasting to cup, followed by a hearty traditional Costa Rican casado lunch.

Bocas del Toro, Panama

PANAMA CITY TO ARUBA, or reverse | 6, 7 or 8 NIGHTS

It’s something of an insider secret, cruising the extreme southern edge of the Caribbean. But those who explore beyond the traditional islands know that this is where you find the epicenter of colonial history, amazing biodiversity, and cultures.

Bocas del Toro reveals a side of the Caribbean few travelers ever see — a world of over-the-water stilt houses and slow-moving lagoons that feel lifted from another century. Farther along the coast, the San Blas Islands offer an experience found nowhere else: untouched shores where our Signature Beach Party unfolds on indigenous lands as local Kuna artisans share their dances, stories, and intricate hand-made crafts. And then there is Cartagena — an overnight stay inside a walled colonial jewel, where fortress ramparts and centuries-old plazas tell the dramatic story of Spain’s New World empire.

These shores are also some of the most beautiful and biodiverse on earth, home to marine-rich coral reefs, and the greatest bird diversity in the world.

INSIDER TIPS

- Birders take note: Colombia has the highest bird diversity of any country with more than 1,900 species, and our excursion to Cartagena’s National Aviary lets you see an important sample of this variety.
- Brightly dressed palenquera ladies – carrying fruit trays on their heads – add to the beauty and attraction of Cartagena.
- The coffee and chocolate (cacao) grown in this region are delicious. Be sure to try some, and if you have

a chance, visit a farm where the crops are grown to learn how they’re produced.

- When you cross the Panama Canal you join a fraternity of sailors who have made this crossing before you. This honor is known as the “Order of the Ditch”.

SHHH. THERE ARE STILL *secret places here that the big ships pass by. Places where there's only one beach bar in sight, closed if the proprietor decides to go spear fishing. Your Windstar yacht has an uncanny ability to find places like this. Places where your day's activities are timed by the rumble of your stomach, the drowsiness following a good swim, an iridescent sunset that heralds "sailor's delight" on the morrow. But then, one glance at your itinerary already told you that.*

Marina, Caribbean

WINDSTAR'S
FAVORITE FIVE:

- St. Barthélemy
- Jost Van Dyke
- Bequia
- Mayreau
- St. Lucia

IF YOU COULD DESIGN *the perfect island itinerary it would look a lot like these. Ports of call would include tiny towns and hidden harbors known only to private yachts and small ships like ours. Schedules would allow for dropping the Marina in turquoise bays and raising sails on the way to your next island rendezvous. And the laid-back island vibe would continue on board with a mouthwatering Signature Onboard Barbecue by the pool. Best of all, on every cruise there would be one day that was even more special than the rest, when you land on a secluded beach for Windstar's Signature Beach Party, elaborate buffet and watersports included.*

THE AUTHENTIC CARIBBEAN

WHY WINDSTAR'S CARIBBEAN:

- Visit ports reserved for small ships and private yachts like Mayreau, Bequia, Jost Van Dyke, and Virgin Gorda
- Kayak, paddleboard or enjoy other water toys directly off the Marina on all itineraries
- Enjoy Windstar's Signature Beach Party and a Signature Onboard Barbecue on every itinerary
- Choose from 32 unique Caribbean itineraries ranging from Puerto Rico to Antigua, Cartagena to Barbados
- Experience some of the best snorkeling with your own personal snorkeling gear for the duration of the cruise

FEATURED PORTS:

Les Saintes, Guadeloupe – We anchor just off Terre-de-Haut in one of the most beautiful bays in the world, while larger ships dock at Guadeloupe's main town of Pointe-a-Pitre and must take a ferry to Les Saintes. It's impossible to get lost in Terre-de-Haut, which has only one street, but there are still plenty of ways to spend your day. Pick up some fresh and fragrant baguettes for a picnic on the beach. Visit with the Saintoise, said to have descended from French and Breton corsairs (pirates).

Road Bay, Anguilla – With its protected shoreline, calm surf, spectacular coral reefs and sugar-soft beaches, Road Bay has become a destination for boaters, with its delightful restaurants, bars, and shops. Anguilla has some of the most beautiful sunsets and delicious rum punch to be found in the Caribbean. It is also home to Cuban tree frogs, red-footed tortoise, green iguanas and five species of bats. Worth checking out is Wallblake House, a heritage plantation house and museum said to be the oldest building on the island and located nearby.

Your hostess will introduce you to the herbs and fresh ingredients on the day's menu. Then, you can either choose to help prepare a local delicacy, spend your time viewing the mountains or the Caribbean Sea, or stroll the property learning about fruits and spices. End the day by feasting on traditional Caribbean dishes and fruit cocktail blends.

Bonaire: Samur Sail Beach & Snorkel – Imagine yourself on a voyage through time when ships were not only transportation but also works of art. The Samur is an authentic Siamese Junk, hand carved with legends of fantasy and ancient superstitions. You'll glide smoothly under her soaring red sails to the beach on the uninhabited island of Klein Bonaire. Here you can snorkel from the beach or participate in a guided drift snorkel along the outer edge of Ebo's Reef. Rum punch, fruit juice and tropical fruits wait for you on your return to the Samur.

A DIFFERENT SET OF RULES *applies in the Mediterranean.*
Time is measured in centuries, not minutes. Cities are shaped by sun and volcanoes.
And the border between myth and reality fades like footprints on a Riviera beach.
Surrounded by wonders like the Cinque Terre and Parthenon, Meteora and the Sistine Chapel, Lake Como and the azure landscapes of Croatia, it's easy to believe there is something magical at work here. Something that kisses grapes and transforms them into divine wine, turns marble ruins to gold in the last light of day, and gifts you with a beautiful white yacht to see it all.

ENCHANTMENT IS THIS CLOSE

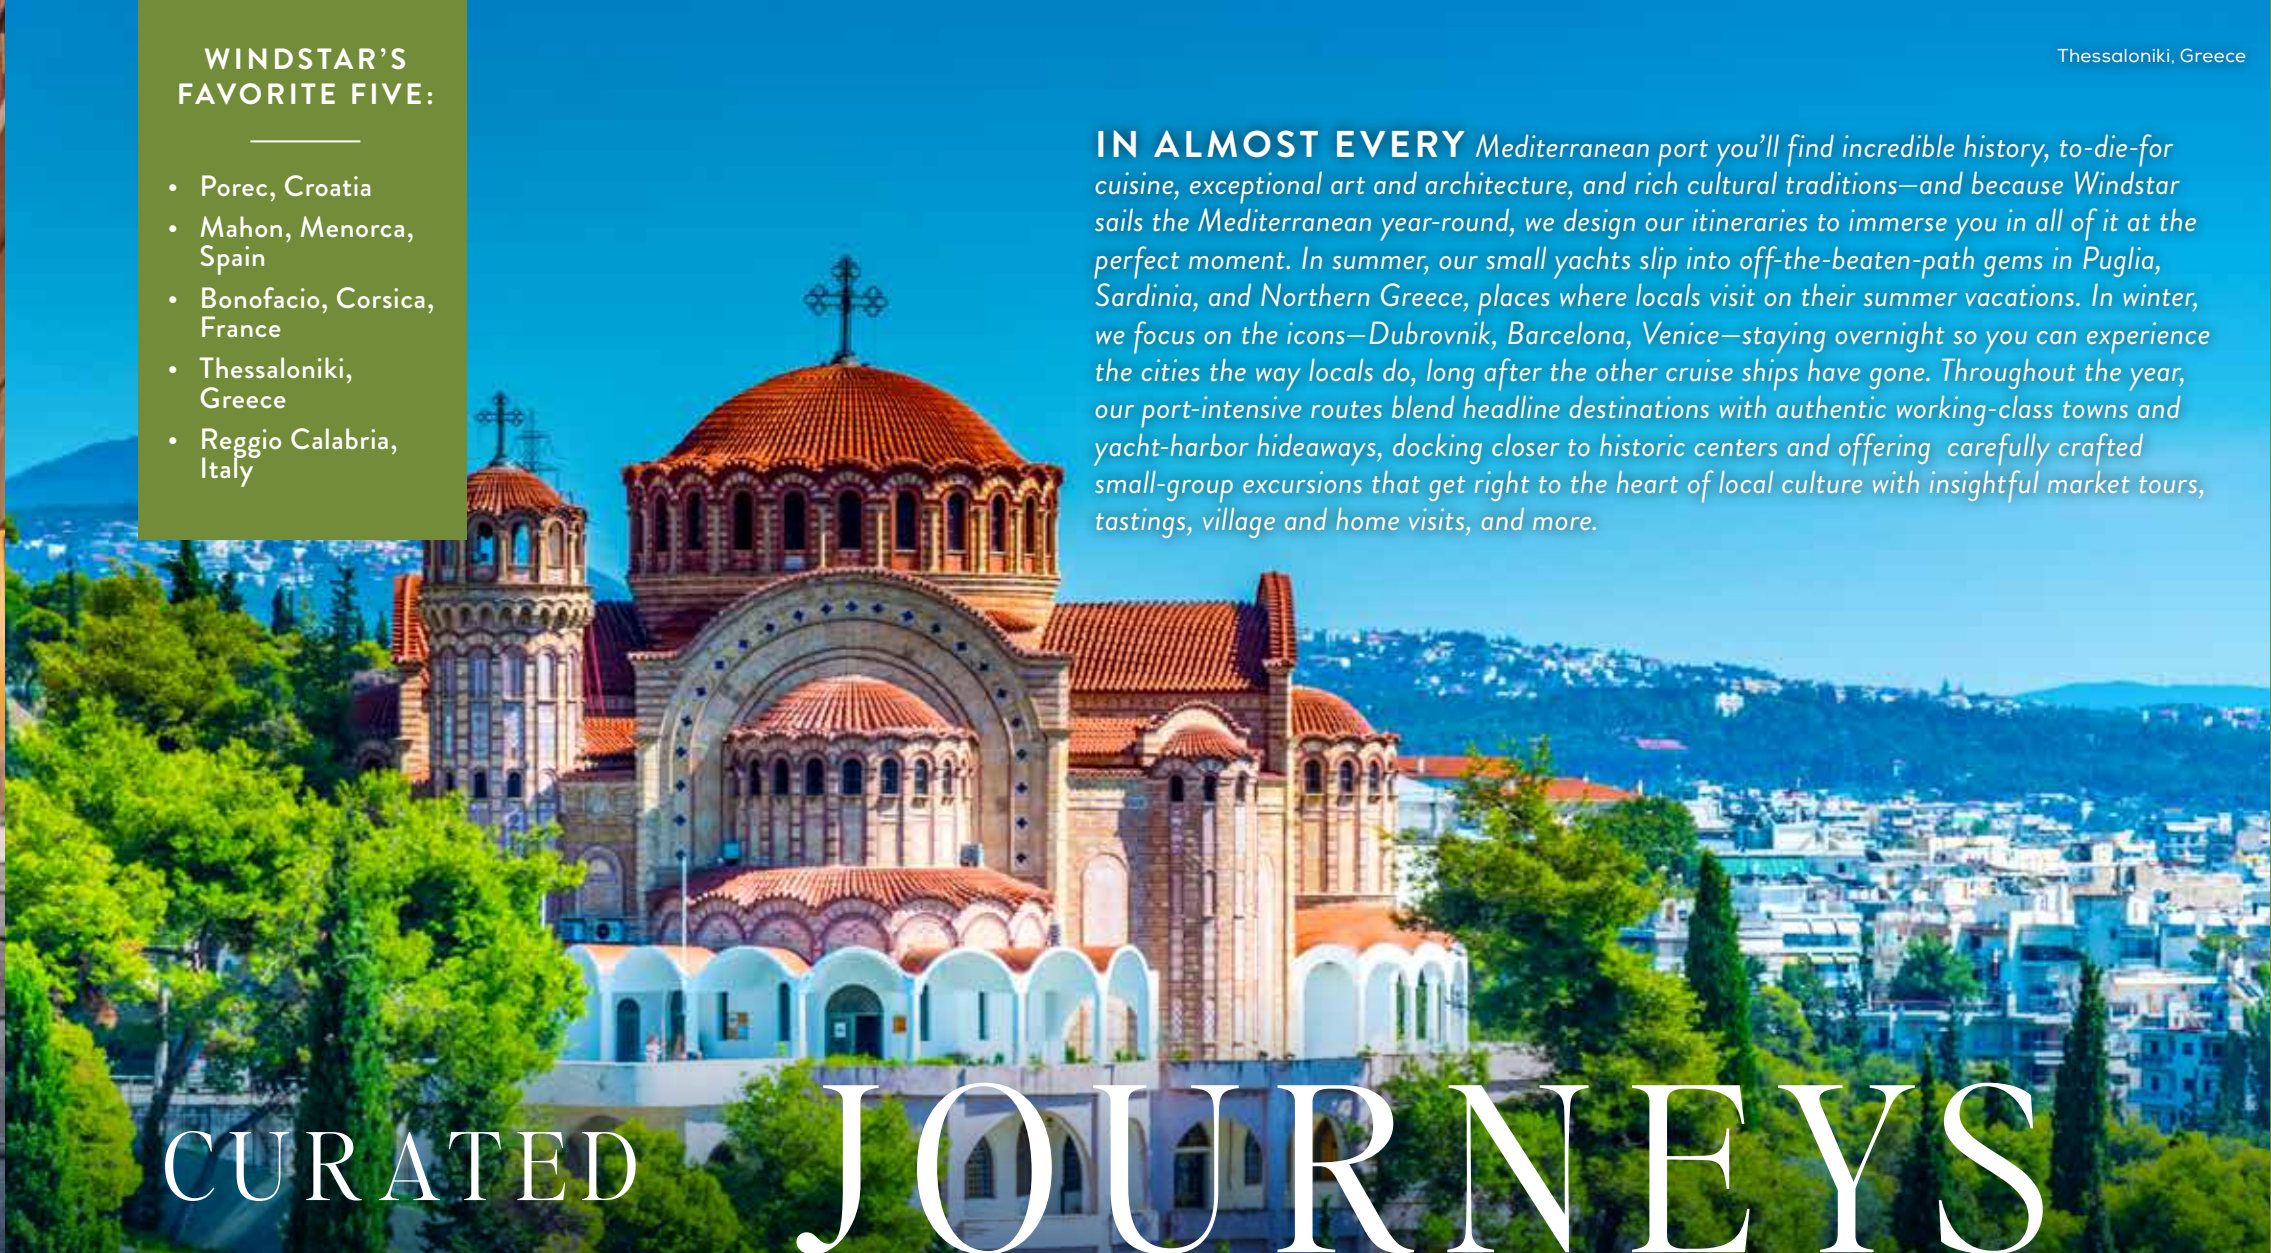

MEDITERRANEAN

WINDSTAR'S
FAVORITE FIVE:

- Porec, Croatia
- Mahon, Menorca, Spain
- Bonofacio, Corsica, France
- Thessaloniki, Greece
- Reggio Calabria, Italy

IN ALMOST EVERY Mediterranean port you'll find incredible history, to-die-for cuisine, exceptional art and architecture, and rich cultural traditions—and because Windstar sails the Mediterranean year-round, we design our itineraries to immerse you in all of it at the perfect moment. In summer, our small yachts slip into off-the-beaten-path gems in Puglia, Sardinia, and Northern Greece, places where locals visit on their summer vacations. In winter, we focus on the icons—Dubrovnik, Barcelona, Venice—staying overnight so you can experience the cities the way locals do, long after the other cruise ships have gone. Throughout the year, our port-intensive routes blend headline destinations with authentic working-class towns and yacht-harbor hideaways, docking closer to historic centers and offering carefully crafted small-group excursions that get right to the heart of local culture with insightful market tours, tastings, village and home visits, and more.

CURATED JOURNEYS

WHY WINDSTAR'S MEDITERRANEAN:

- Visit must-see ports and smaller yachting towns like Rovinj, Portofino and Sanary-sur-Mer
- Explore iconic cities like Venice, Dubrovnik, and Barcelona, where small ships like ours dock in the heart of the city
- Take advantage of exclusive experiences like attending the Formula One®* Monaco Grand Prix in Monte Carlo or transiting the narrow Corinth Canal, too small for larger ships
- Enjoy an exclusive and complimentary onshore Destination Discovery Event: Evening in Ephesus on cruises to Kusadasi — dinner in the moonlight and a concert in Ephesus
- Stay in key ports late into the evening or even overnight
- Year-round voyages to explore during summer and experience the Med in a way you've never seen it in winter

FEATURED PORTS:

Monemvasia, Greece – This medieval castle town, on an island east of the Peloponnese, is impressively carved into a large rocky plateau. Visitors arrive on a short causeway, and walk through a massive Venetian gate (cars are not allowed), or via ferry. Arriving on your Windstar yacht is a rare opportunity (most ships are too large to call here). Wander the narrow cobblestone lanes past restored, red-roofed medieval stone houses and dozens of Byzantine churches, and imagine you are in another time.

Kotor, Montenegro – Wander through the dreamy medieval Old Town on pedestrians only alleyways past historic homes, hidden squares, stone churches, boutiques and restaurants. Climb to the fortress on the hill for breathtaking views of the mountain forests that cover much of the landscape. Side trips visit villages in the countryside. A late-night affords sunset viewing from a restaurant terrace — sipping the Montenegrin red wine Vranac while sampling local specialties.

FEATURED SHORE EXCURSIONS:

Casablanca: Magical Marrakech – Take a horse carriage from the Medina to the lovely and colorful Majorelle Gardens, designed by French artist Jacques Majorelle in a palette of bright Berber colors. Watch a folkloric performance over a Moroccan lunch, then head to Bahia Palace with its magnificent Andalusian and Moorish architecture. End the day exploring the labyrinth of souks and Djemma El Fna Square, where snake charmers and fortune tellers have been at work since the 11th century.

Giardini Naxos: Taormina & the Blue Grotto by Boat – Taormina is considered one of the most beautiful cities in Sicily, perched at the top of a cliff overlooking the Bay of Naxos and Mount Etna. Board a motorboat and glide into the fabled Blue Grotto sea cave with its other-worldly colors. Refresh yourself before returning to the yacht with fresh almond cookies and a refreshing swim off Isla Bella.

HIDDEN GEMS OF THE CANARY & MADEIRA ISLANDS

SANTA CRUZ DE TENERIFE TO SANTA CRUZ DE TENERIFE | 10 NIGHTS

Explore the Canary and Madeira islands where landscapes are infinitely diverse and temperatures are uniformly pleasant year-round, including islands well off the beaten path like Porto Santos and El Hierro. So many attractions vie for your attention. Spanish and Portuguese cuisines with a unique African twist. Unconventional volcanic vineyards rubbing elbows with bananas, pineapples and palm trees. Authentic “Columbus slept here” stories on Porto Santos and La Gomera. If you’re feeling energetic you can ride a camel across a volcanic moonscape, trek through prehistoric laurel forests, or explore natural wonders like Porto Santo’s 5.5-mile golden beach or El Hierro’s blissfully beautiful natural rock pools. An overnight in Funchal gives you time to visit Madeira’s many wineries, hike historic levadas, and ride a wicker toboggan down steep city streets.

VOYAGE HIGHLIGHTS

Wander the ancient cobblestone streets of the Sicilian town of Taormina and along the famous fortifications of the medieval city of Dubrovnik, which playwright George Bernard Shaw called paradise on earth.

Immerse yourself in places of legends and heroes, inspiration for writers and poets — and in popular culture, some scenes used as filming locations for *Game of Thrones*. The leisurely pace allows time to swim in crystal-clear seas and discover hidden beaches; paddle a kayak or tour by Zodiac along untouched coastlines; and sip, dine, and otherwise discover local culture in three fascinating countries.

Go inland and combine the best of land and sea with the *Lake Como & Adriatic Romance Cruise tour* or *Vatican & Croatian Coastlines Cruise Tour* (visit [windstarcruises.com](https://www.windstarcruises.com) for details).

ROVINJ, CROATIA - BLUE PEARL OF THE ADRIATIC

This small fishing port is a hidden gem, the kind of delightful place you can only visit on a small ship. Wander the maze of medieval cobblestone streets up to the hilltop St. Euphemia Cathedral, or explore the Bronze Age ruins of the fort of Monkodonja.

Or spend time on the breathtaking beaches along the 6-mile Lim Fjord. Outside of town, an old narrow-gauge rail line, Parenzana, makes for a wonderful biking experience as you peddle between medieval villages through a lush river valley.

Another exciting excursion explores by inflatable Zodiac the coastline, protected forested areas, and oyster farms of the Rovinj Archipelago and Lim Fjord. Or delve into the world of Croatian wines on a winery visit.

TREASURES OF THE GREEK ISLES

ATHENS TO ATHENS | 7 NIGHTS

Visit sun-drenched places as you sail the Greek Isles, discovering a world abounding with seaside scenery and ancient treasures. On such legendary islands as Santorini and Mykonos, views of azure sea and white-washed villages will take your breath away. Embrace the magic and mythology of ancient temples built to honor Greek gods and goddesses. Visit UNESCO World Heritage Sites such as the amazing hilltop Acropolis in Athens, the haunts of St. John on the tiny island of Patmos, and the ancient Roman city of Ephesus. Imagine you are Mark Antony, as you walk the same marble streets where the Roman general (and lover of Cleopatra) was once cheered by residents. Dine among the fascinating ruins as a complimentary treat, a Windstar-exclusive evening Destination Discovery Event planned for Ephesus.

Call at secluded ports such as Monemvasia, a pedestrians-only village built into a cliffside, and Nafplio, a delightful mainland town where you can wander cobblestone streets and explore Venetian fortresses. You'll have time to linger in magical places, to swim from powdery sand beaches, to explore local cuisine, and get to know friendly locals, shouting ya mas (cheers) as you toast with ouzo. COMPLIMENTARY WINDSTAR DESTINATION DISCOVERY EVENT

KUSADASI: EVENING IN EPHEBUS – A NIGHT TO REMEMBER

Enjoy a once-in-a-lifetime experience during this exclusive event, dining under the stars surrounded by Roman ruins as a string trio serenades you.

Enter Ephesus in the evening when most of the tourists have left, and find tables set with fine linens and the sun setting right on cue. The ruins then light up as you dine on a 3-course meal of local cuisine accompanied by white glove service and a trio from the Aegean Chamber Orchestra.

Once an important trading stop along the Silk Road, this was one of the most beautiful and advanced cities of the ancient world. Whether it's the incomparable Celsus Library, where scholars once read papyrus scroll by windowlight, the marble-lined Harbor Street that once receive Marc Antony and Cleopatra, or the Odeon Theater that once held 1,500 spectators for concerts, this exclusive evening in Ephesus is one that will enchant and enthrall.

"We explored the ancient Marble Road. Soon a beautiful voice echoed from the amphitheater — a fellow passenger testing the amazing acoustics. It was the perfect prelude to a fabulous dinner and concert in front of the Celsus Library, a setting which cannot be duplicated."

WINTER IN ITALY AND THE DALMATIAN COAST

ROME TO VENICE, or reverse | 8 OR 9 NIGHTS

Leave the crowds behind and experience Italy and the Adriatic from a different perspective on this unique off-season voyage. See popular attractions like the Sistine Chapel, St. Mark’s Square, and Pompeii with fewer people, giving you time to absorb the talent of Michelangelo, the ravishing beauty of Venice, and the tragedy of Pompeii. You’ll find more intimate and meaningful experiences everywhere you go as locals take the place of visitors. Walk the legendary walls of Dubrovnik’s Old Town and take your time looking over the red roofs of the medieval city during an overnight stay. Hike in tranquil Dalmatian parks, dine in family homes in small villages, and learn to cook authentic pizza in a Sicilian kitchen. Then there are winter celebrations, Carnaval parades, festive lights, Christmas markets and more that make everything shine brighter, from grand gothic and baroque cathedrals to luminous canals.

PORTOFINO

Portofino is one of the most beautiful little ports you’ll encounter anywhere. In the quintessential Italian Riviera town, a late-night stay at the Italian port assures time to dine at one of the chic cafés on the waterfront. Or head up to the patio of the elegant hillside Hotel Splendido (where

Windstar offers an exclusive lunch and olive oil demonstration), for dining with a view of the colorful town. It’s a romantic spot that attracted such couples as Lauren Bacall and Humphrey Bogart, and Elizabeth Taylor and Richard Burton. A real draw in Portofino is just kicking back and hanging out in an amazingly scenic harbor.

For those who want to stretch their legs first, nearby hiking opportunities bring views of fortifications, churches, elegant villas, and olive trees along the Ligurian coast. Organized tours afford opportunity to explore the famed Cinque Terre, a rugged coastline where small coastal villages and castles cling to cliffs.

Five towns and the surrounding hillside of Cinque Terre National Park are a UNESCO World Heritage Site.

Go inland and combine the best of the land and sea with the *Vatican & Italian Riviera Cruise Tour, or Yachtsman’s Mediterranean Rivieras & Madrid Cruise Tour* (visit windstarcruises.com for details).

Itineraries vary by departure date and ports may change. Please visit windstarcruises.com for details.

WORDS LIKE MOOR, LOCH, AND GEYSER were born in this land, because no existing vocabulary could adequately describe these extraordinary landscapes. These regions could just as easily have coined a term for old world vineyards of green and red, rainbows captured in a waterfall's spray, and storybook cities crisscrossed by canals and flower markets, all of which are here in abundance. But as your elegant yacht traces its way through enchanting fjords and forgotten archipelagos, you won't need words. You are speechless.

TRUE FAIRY TALES, MAGIC LIGHT

NORTHERN EUROPE

WINDSTAR'S

OUR NORTHERN EUROPE ITINERARIES make the most of long summer days and offer extensive scenic cruising so you can appreciate the breathtaking fjords of Norway and Iceland. See the don't-miss sights you've dreamed of, but get closer as we dock within walking distance of many historic downtowns. Then go beyond, to far-flung British Isles that few ever see, to tiny towns around the fringe of Iceland, and up storied fjords like Geirangerfjord and Sognefjord with their majestic mountains, picturesque cliff farms, and spectacular waterfalls.

EVERYTHING UNDER THE MIDNIGHT SUN

WHY WINDSTAR'S NORTHERN EUROPE:

- Take advantage of overnights in marquee ports like Bordeaux, Dublin, Rouen (Paris), Amsterdam, The Netherlands, and Stockholm, Sweden
- Travel to far-flung isles that are difficult to reach by other means, like Portrush, Portree, Heimaey Island, Seydisfjodur, Isles of Scilly, and Lerwick
- Enjoy unique and popular itineraries including a complete circumnavigation of Iceland, or Ireland, and Holland during tulip season
- Explore France in depth, with stops at the Normandy beaches, scenic cruising up the Seine River, and overnights in Bordeaux

FEATURED PORTS:

Heimaey Island, Iceland – Off the south coast of Iceland there's an archipelago called the Westman Islands, and the largest of these is Heimaey. The area is famous for its bird life, including the world's largest puffin breeding colony, but it's also known for its geology. In 1973, a volcano on the island erupted and hot lava threatened its only harbor. Before evacuating, the locals sprayed seawater on the advancing lava, stopping its advance and saving the harbor. Now reoccupied, the island offers a rare glimpse of the old town — a modern-day Pompeii.

Saint-Malo, France – This ancient walled city was once an important port in the New World voyages of discovery, but today it's better known for the island of Mont Saint-Michel with its sandcastle-like abbey perched at the top. The sight of Mont Saint-Michel as you approach is awe-inspiring, a triumphant reward for those who made the pilgrimage here over the past thousand years. This part of France is also known for its shellfish, and you won't want to leave without trying the famous oysters of nearby Cancale with their creamy texture and unique balance of saltiness and sweetness.

Saint-Malo, France

Atlantic Puffin

French Camembert

FEATURED SHORE EXCURSIONS:

Bergen, Norway: Concierge Collection: Fjord & Glacier by Seaplane – Join this exhilarating seaplane flight over Bergen and the surrounding areas. Get a birds-eye view of the beautiful areas around Bergen and the Folgefonna Glacier just next to the Hardangerfjord. This is Norway's third largest glacier and the highest point is 5,415 feet above sea level. Fly over Mount Ulriken and Mount Fløyen, the archipelago outside Bergen and of course Bryggen – listed as a UNESCO site.

Bordeaux: Concierge Collection: Food & Wine Pairing Dinner at Château de Ferrand – The 17th-century Château de Ferrand invites you on private tour of its wine cellars and tasting rooms. Then, join the château's chef for an immersive food-and-wine workshop, crafting and savoring a four-course dinner paired with four exceptional wines, comparing flavors and textures as you learn the art of perfect pairing.

AROUND ICELAND

REYKJAVIK TO REYJAVIK | 7 NIGHTS

Dramatic scenery and curious communities coalesce on this weeklong circumnavigation of Iceland. Explore a country everyone wants to visit, and go far beyond the tourist hotspots to remote fjords, raging waterfalls, and small fishing villages. Get to know the independent and creative Icelanders and watch whales and seabirds play offshore.

Go inland and combine the best of land and sea with our *Comprehensive Iceland Cruise Tour* (visit windstarcruises.com for details).

ICELANDIC HORSES

In Akureyri, a major fishing port close to the Arctic Circle, is where you can ride an Icelandic horse — a distinct breed and a top experience for visitors to the country. The two-hour tour includes one hour on a guided horseback ride along the Eyjafjörður River with a view of surrounding mountains. Viking settlers brought this breed of horse to the island between 860 and 935 CE. They used them for transportation, to plow fields, and to transport wares.

No other horses are allowed on the island, and if an Icelandic horse leaves the island, it cannot return. It's a unique breed and Icelanders are especially proud of it. The Icelandic horse is

generally 56 inches tall, broad at the withers with muscular legs. It's considered the purest breed of horse in the world.

Horses are still a big part of life in Iceland. Many races are held throughout the country. In the winter, events are held on frozen bodies of water. Regular shows are held which focus on the quality of the breed and farmers in the highlands still use them to round up sheep. But most horses are used for leisure riding like the tour in Akureyri and in competitions.

A horse is the perfect partner for taking you to see the fire and ice of Iceland — remote, off-road places you can't access by a motorized vehicle.

DESTINATION DISCOVERY EVENT

SAGAS & SONGS AT THE BLUE CHURCH

A private performance of
ancient stories and songs

See page 119 for details

COMPLIMENTARY WINDSTAR DESTINATION DISCOVERY EVENT

SEYDISFJÖRDUR: SAGAS & SONGS AT THE BLUE CHURCH

RUGGED AND REMOTE East Iceland is feathered with fjords and fishing villages, but few are as beautiful as Seydisfjörður. During our complimentary Destination Discovery Event, you'll get a rare insider's look at both local landmarks and the culture of this small Icelandic community.

Located in the East Fjords between steep mountains, the settlement grew up in the late 1800s around the Norwegian herring fishery. Many of the colorful old timbered houses were imported from Norway by wealthy merchants and whalers. Perhaps the most remarkable building, though, is the Blue Church.

THE BLUE CHURCH: With clean, Scandinavian lines and a beautiful glacier blue color, this church is one of Iceland's most recognizable landmarks. It was moved or rebuilt a few times over the years before finding its permanent home in Seydisfjörður in 1922. (Sometimes intentionally and sometimes at the whim of Mother Nature, through storms and fire.) Leading up to the church is the vibrantly colored Rainbow Street presenting a scene worthy of a fairytale.

During your exclusive Destination Discovery Event, you'll enter the church to find it's as beautiful on the inside as it is on the outside. In this idyllic setting you'll be treated to an exclusive cultural performance by local entertainers. The singer and guitarist are natives of East Iceland and they'll entertain you with stories and songs they grew up with. From tales of ghosts, elves and trolls to joyful songs and ballads about lost sailors, you'll get a feel for the real Iceland and its people.

Please note: This Destination Discovery Event has been scheduled in a way that will allow you to book and experience another shore excursion on the same day and you will not miss anything.

ENDLESS DAYS IN NORWAY

LONDON TO EDINBURGH, COPENHAGEN TO EDINBURGH, LONDON TO COPENHAGEN, COPENHAGEN TO COPENHAGEN, or reverse | 10 NIGHTS

Scenery lovers and active outdoorsy types will both find plenty to love on these fjord-focused cruises. Take a cable car to a mountain peak overlooking Andalsnes and the Romsdal Alps, then hike back down, or go for a scenic train ride through the mountains and across the picturesque stone Kylling Bridge. Visit tiny Olden at the inner end of Nordfjord and hike to a glacier’s face, or take the Skylift to lofty views. In Trondheim, borrow one of the city’s free bikes for a ride around town. Then, check out the emerging foodie scene. We’ll follow the fjord all the way to the sea and beyond, to the island of Frøya, where much of the world’s farmed fish is grown and tables are set with fresh crab, scallops, and local cheese — another foodie feast you won’t want to miss. Add a dash of Scotland and you have yourself a cruise fit for a Viking king.

VOYAGE HIGHLIGHTS

- In Trondheim, Norway, visit Baklandet – a quaint neighborhood with quiet streets and colorful houses located on a picturesque river. The river is dotted with cafés and local artisan shops
- In Andalsnes, take the Romsdalsgondolen, a mountain cable car, to Nesaksla Mountain. This cable car offers 360-degree views as it climbs to 708 meters (about 2322 feet) above sea level
- Take in Haugesund’s spectacular scenery from a kayak as you paddle along the Haugesund coast, exploring small reefs and rocky islands
- For the best panoramic views of Alesund, climb the 418 steps to the top of Mount Aksla. The viewpoint offers breathtaking vistas of the town, surrounding islands, and fjords

QUICK GETAWAYS: BELGIUM: A SWEET GETAWAY

LONDON TO LONDON | 3 NIGHTS

Short but incredibly sweet, this 3-day mini-cruise shows off tiny Belgium’s oversized charms from medieval streets and romantic canals to world-class museums and mouthwatering chocolates. Board your ship in London right next to HMS Belfast (Tower Bridge), one of the most exclusive cruise ports in the world just across the Thames from the Tower of London. We’ll cross the English Channel to Ostend, the sea port for Bruges, one of Europe’s most charming medieval towns and once the most important trading post of Germany’s powerful Hanseatic League. Every corner you turn you find a new postcard image: centuries-old gabled buildings, romantic canals crossed by graceful stone bridges, historic windmills with wings still spinning. The whole center of the city is a UNESCO World Heritage Site, and our late evening departure gives you time to explore. Next, we’ll make our way up the River Scheldt to Antwerp, a small-ship exclusive port where we’ll dock within walking distance of the main squares and shopping. Antwerp is the unofficial capital of Dutch-speaking Flanders. This city has its own share of historic guildhalls and churches, but it’s also replete with modern architecture, museums filled with Flemish masters, and small, cozy beer cafes and chocolateries. Plenty to fill every hour until we head back across the Channel to London.

VOYAGE HIGHLIGHTS

- Antwerp is your gateway to Ghent, one of Belgium’s oldest cities and the historic capital of Flanders. Ghent is best known for its famous medieval monasteries and gothic style cathedrals
- In Bruges, take part in a chocolate making excursion where you can create your own chocolates under the supervision of an expert chocolatier. You’ll even be able to take your creations home!
- Indulge in gourmet dining options with dishes created by James Beard Foundation award winning chefs
- The perfect way to extend your London vacation is with a short cruise leaving from central London. There’s no need to make the journey to Southampton, England, as our small ship is able to embark right in London’s city center
- Stop by our Open Bridge to learn about navigation and talk with our knowledgeable officers
- A small ship exclusive, the *Star Pride* sails under the Tower Bridge, navigates the Thames River and docks in the heart of London

TIME HANGS SUSPENDED like the moon. Pleasures linger like fine wine on the palate rather than being rushed along by the turbulence of daily life. You've never had days like this — free of obligation and with no ruler for success other than meeting your pillow with a smile. You've never seen stars like this — pushing back the abyss of space with impossible brightness. Progress is measured in intimate conversations, sunrises and sunsets, visits to the Bridge, a massage in the spa. There are magical ports on the horizon, yes, but your desire for haste has somehow dissolved away in a sea of serenity.

GENERAL CRUISE TERMS & CONDITIONS

All itineraries, schedules, and ports are correct at time of publication but are subject to change without notice. “Windstar Cruises,” “Windstar,” “We,” and “Us” refer to Windstar Cruises Marshall Islands, LLC, a Limited Liability Company that owns and operates the cruise line known as Windstar Cruises. “You,” “passenger” and “guest” refer to persons travelling with Windstar and those in their care, such as minor children. Due to the small size and intimate nature of our yachts, Windstar Cruises is unable to accommodate children under eight (8) years of age. All Guests under 21 years of age must be accompanied by a parent, guardian or chaperone who is at least 21 years old. Parents, guardians, and chaperones are responsible for overseeing the onboard conduct of minors. Alcoholic beverages will not be served to guests under age 21.

For family groups booking multiple staterooms, the minimum age for at least one person in each stateroom is 18 years of age, provided they are traveling with a parent, guardian or chaperone.

Should you need to contact Windstar Cruises prior to cruising, use this address: Windstar Cruises, 8400 N.W. 36th Street, Suite 520, Miami, Florida 33166, U.S.A. or call 1-800-258-7245.

PASSAGE CONTRACT: All cruises are provided subject to the terms of the Windstar Cruises Passage Contract, found at https://www.windstarcruises.com/BlankSite/media/pdf/passage_contract.pdf and which contains important, comprehensive additional terms governing your cruise with us including among other things limits on claims and liability, resolution of claims, etc. For passengers who book cruises through a UK or EU travel advisor, a modified version of the passage contract will apply, referred to as the Conditions of Carriage, as provided by your travel advisor.

CRUISE ONLY FARES: Your fare includes ocean transportation, stateroom or suite accommodations, and all meals and entertainment on board the yacht. Not included, however, are items of a personal nature, such as alcoholic beverages, laundry, transfers prior to or after your cruise, or optional programs or activities. Shore excursions and airfare are available for an additional charge. All rates shown are per person based on double occupancy. Fares are published in U.S. dollars (USD). Note: Third-person rates are available upon request. For further information on fares, non-discountable amounts, government taxes & fees please see below.

SINGLES: Single occupancy of a stateroom is generally 175% of the published per person stateroom cruise fare (200% of the Owner’s Suite, Suites, and Bridge Suites per person cruise fares) and is subject to availability.

WINDSTAR FARE PRICE ASSURANCE POLICY: Guests who purchase a cruise on Windstar will be eligible for reimbursement upon request if the fare published by Windstar for their specific departure and cabin class is reduced after they have made a booking and deposit, and if the request is received by Windstar at least 90 days prior to sailing. The reimbursement will be provided in the form of a shipboard credit, upgrade, fare reduction, or a future cruise credit. Windstar will determine the form of reimbursement, and the amount of reimbursement will be the difference between the fare actually paid by the guest and the published fare on windstarcruises.com the day the request is received. Guests who select reimbursement will be eligible for any complimentary inclusive features (e.g., hotels, air, tours) associated with the new fare and will forfeit any complimentary inclusive features associated with the original fare. All requests for reimbursement must be made directly to Windstar Cruises at 800-258-7245 (during regular reservations hours) at least 90 days prior to sailing. Windstar reserves the right to modify or terminate this policy at any time for bookings not yet made. Policy does not apply to certain promotions or guests outside of the U.S. or Canada.

RESERVATIONS AND PAYMENT: Windstar Cruises works with travel advisors worldwide to serve your needs. Reservations either made by or assigned to a travel advisor must be managed by the agency of record. While Windstar is unable to provide specific booking information on travel advisor bookings, we are

happy to answer general questions. Alternatively, you may reserve your cruise directly with us if you prefer. Since accommodations are limited by the number of staterooms or suites on each yacht, reservations should be made as early as possible. Payment for your Windstar cruise is to be made to the travel advisor with which you made your reservation, or to Windstar Cruises directly. Travel documents will be issued when full payment has been received by Windstar Cruises. Refunds for cancelled or unused services will be made, less any applicable cancellation fees and charges. If you have reserved your cruise with your travel advisor, please be aware that additional cancellation fees charged by the travel advisor may apply.

DEPOSIT AND FINAL PAYMENT REQUIREMENTS: Immediate deposit of 15% of cruise fare, hotel, and non-discountable amounts is required within 3 days of booking to secure a reservation. Final payment is due prior to 90 days before departure date.

Your documents are usually received approximately 30 days prior to departure. Travel documents, however, are only issued after final payment has been received by Windstar and complete personal folio information has been provided to complete your reservation. Send all payments to Windstar Cruises, 8400 N.W. 36th Street, Suite 520, Miami, Florida 33166 U.S.A. Payments can be processed through the Guest Services Department 1-800-258-7245. Checks can be processed through our Corporate office and should include your confirmation number in the memo line of the check. Windstar Cruises, 8400 N.W. 36th Street, Suite 520, Miami, Florida 33166 U.S.A. All charges are in USD. Windstar is not liable for any currency exchange rate or foreign exchange fee imposed by the account holders’ bank or credit card company. Payment of the cruise deposit and Travel Protection Plan (if applicable) constitutes acceptance of the Terms & Conditions and Passage Contract.

LATE BOOKING POLICY: On bookings within 45 days of departure, Windstar Cruises requires final payment before we can initiate the process of requesting hotel and/or air space. We are unable to make air or hotel requests on bookings within 14 days of departure or transfer requests on bookings within 5 days of departure. Additionally, Windstar Cruises will advise you of the status of the booking request within five (5) business days of receipt of final payment. If your request is confirmed, electronic tickets will be sent via email. If we are unable to confirm your late booking all monies paid to Windstar will be refunded in full. Changes or additions to the cruise package (e.g. transfers, special services, gifts, or onboard packages) cannot be made within seven (7) days of departure and should be requested once you are on board the yacht.

CANCELLATION POLICY: Each booking cancelled before 120 days prior to travel will be subject to a \$50 per person cancellation fee. A full refund (except for the amounts paid for air, a Cancellation Protection Plan, and the \$50 per person fee) will be made for confirmed cancellations received by Windstar Cruises at least 121 days prior to the date on which you are to commence travel by any mode of transportation booked through Windstar Cruises (sea or land air travel is non-refundable once purchased). Guests who cancel after that date for any reason, including medical or family reasons, are subject to the following cancellation schedule:

120-90 days before commencing travel — 15% of gross fare (deposit)

89-60 days before commencing travel — 35% of gross fare

59-30 days before commencing travel — 50% of gross fare

29-0 days before commencing travel — 100% of gross fare

Windstar can only be responsible for refunding amounts actually received by Windstar Cruises. Travel agencies may impose their own cancellation fees. Agency fees of any nature are a matter to be resolved solely by the agency and guests. Windstar Cruises contracts are non-transferable. Name changes and departure date changes are considered reservation cancellations/re-bookings and are subject to cancellation fees. Changes require the prior approval of Windstar and may not always be possible. Guests who purchased the Travel Protection Plan must submit a claim through Travel Protection Provider/Insurer to receive a refund or credit of cancellation fees as determined by the insurer.

If you or Windstar cancels a tour or shore excursion more than 5 business days prior to your cruise departure date, you will be issued a credit on the credit card you used to pay for your shore excursion reservation. For any cancellations less than 5 days before departure but before the cancellation deadline you will receive an onboard credit where your refund will show up as a credit to your shipboard account. If the credit is not fully utilized during your cruise, the balance will be credited back to your credit card by the yacht’s purser.

When you embark on your cruise you will be given a shore excursion booklet and shore excursion booking form. The booking form has a cancellation deadline listed for the shore excursions for each port. If you cancel your tour reservation after the booking deadline stated in the Booking Form, a 100% cancellation fee will apply, since transportation and services will have already been arranged.

REFUND POLICY AND INSTRUCTIONS: If Windstar Cruises delays your cruise for more than 3 calendar days or cancels your cruise, and you choose not to travel on the delayed cruise or do not accept an alternative cruise, you are entitled to a refund of cruise fare and charges for accommodations, services and facilities (including “government taxes and fees” other ancillary fees paid to Windstar Cruises) for the delayed or cancelled cruise. If you booked your cruise directly with Windstar Cruises, to claim a refund please submit a copy of the booking confirmation, proof of payment, and a copy of the delay or cancellation notice by email to info@windstarcruises.com within 90 days of the original embarkation date of your delayed or cancelled cruise. You may also contact us at 800-258-7245 (Monday through Friday from 9:00 a.m. to 9:00 p.m. (Eastern Time); 10:00 a.m. to 7:30 p.m. (Eastern Time) on Saturday; Sunday 10am - 6:30pm (Eastern Time)). If you booked through a travel advisor, please contact your advisor for assistance. We will review the refund request and respond by email within 30 days of the date you or your travel advisor submits your claim. If you are entitled to a refund, Windstar Cruises reserves the right to offer you future cruise credits as an alternative to a refund, but you are free to request a cash refund instead.

ADDITIONAL DEFINITIONS: “Yacht” or “Ship” refers to the vessel that will provide the ocean transportation portion of the cruise. “Cruise” refers to the specific cruise purchased by you, and shall include periods during which you are embarking or disembarking the Yacht or are on shore while the Yacht is in port. “Initial Departure” means the time at which you first begin transit by any means of transport booked by us (including air transportation) for the purpose of taking the Cruise. “Windstar Air Package” refers to air transportation booked for you by Windstar Cruises to enable you to travel to and from your Cruise. “Windstar Land Package” includes any shore activity before or after the Cruise or ashore during the Cruise arranged for you by us in connection with your Cruise.

PROHIBITED ITEMS; DRUG & ALCOHOL RESTRICTIONS; BAGGAGE: The following are strictly prohibited on the Ship and during all aspects of the Cruise, Windstar Land Package, and shore excursions: radioactive materials, recreational and medicinal marijuana and other controlled substances under USA law (see United States DEA Drug Schedules at dea.gov/drug-information/drug-scheduling) or any under any foreign jurisdiction the Ship enters (except lawfully obtained and transported prescription drugs other than marijuana), firearms, ammunition, weapons, fireworks, aerial drones, illicit or hazardous materials, hand irons, water heaters, and candles. Passengers are allowed to bring aboard two (2) bottles of wine or champagne (750ml) per cabin for their enjoyment onboard for a 7-day Cruise or three (3) bottles for an 8-day (or longer) Cruise. Passengers may consume these permitted outside beverages in public areas on the Ship, but a small corkage fee (approximately US\$15 + 15% gratuity) will be applied to the passenger’s onboard account. All additional outside alcohol (meaning wine, beer, and/or hard alcohol) including alcohol purchased at ports of call along the Cruise route, will be kept by the Ship’s purser and delivered to the passenger’s cabin the last evening of the Cruise. We will carry as baggage only your personal effects consisting of wearing apparel, toilet articles, and similar items for your wearing, comfort, or convenience during the Cruise and not belonging to or intended for use by any other person or for sale. For loading and unloading the Ship and other means of transportation, all baggage must be tendered for carriage in securely constructed and locked

suitcases or trunks. All baggage must be able to be safely stowed in your cabin on the Ship. The only animals permitted to accompany you are service dogs trained to do work or perform tasks for passengers with disabilities; you are responsible for complying with governmental health, documentation, and other requirements as to recognized service dogs.

We do not accept to carry as baggage or assume any liability for any loss of or damage to or delay of trade goods, household goods or furniture, perishable items, medicine, liquor, cash, credit or debit cards, jewelry, gems, gold, silver, precious metals, art, collectibles or similar valuables, securities, financial instruments, records, or other valuable or business documents, computers, cellular telephones, cameras, hearing aids, electric wheelchairs, scooters, or other video or electronic equipment, binoculars, film, videotape, computer disks, audio disks, tapes, DVDs or CDs, or other articles specified in 46 U.S. Code Section 30503. These items should not be left unattended about the Ship or your cabin, nor should they be left unattended on other vessels, railcars, taxis, or other vehicles or in hotels, nor placed in luggage other than a bag that you carry with you. In addition, we do not assume any liability for any loss of or damage to carry-on baggage on the Ship or on the other means of transportation or in hotels. The Ship and certain hotels may be equipped with cabin or room safes or safe-deposit boxes in the Ship’s or hotel’s front office; using these facilities will not, however, increase our liability as provided in the Passage Contract.

NON-WINDSTAR CRUISES SERVICES; ITINERARY CHANGES: These include non-Windstar Cruises Services such as airlines and other off-ship transportation carriers, shore excursions (other than the limited number of shore excursions operated by Windstar), and accommodations. Non-Windstar Cruises Services are solely at your risk and subject to the terms or arrangements made by you. Windstar Cruises assumes no responsibility with respect to these non-Windstar Cruises Services including delay, injury, death, or damage to property. Situations may arise that, in the opinion of Windstar Cruises, make it necessary for Windstar Cruises to cancel, advance, or postpone a scheduled departure, change itineraries, or make substitutions involving ports of call, other travel components, vessels, or other modes of transportation. These situations may include, by way of example, concerns regarding weather conditions, issues involving safety matters, alternative business arrangements, or charters resulting in the decision to withdraw a Cruise from public sale, or requirements of governmental authorities. If this should occur, Windstar Cruises does not assume responsibility or liability for any losses, inconvenience, or expenses incurred by guests as a result. Please see the Windstar Cruises Passage Contract for further details.

(c) Passenger Health Screening Pre-Cruise. Passenger agrees that Windstar Cruises may conduct pre-embarkation screening for communicable illness, including COVID-19. Passengers should refer to Windstar Cruises’ website for standards and updates on pre-embarkation screening protocols. If Windstar Cruises determines in its sole discretion that Passenger is unfit to board because of any communicable illness, including COVID-19, Windstar Cruises may deny boarding to such Passenger.

(d) Passenger Testing Positive for COVID-19 During Cruise. Passenger understands and agrees that if, after boarding, and even if Passenger has fully complied with all COVID-19 policies and procedures, Passenger tests positive for COVID-19 or exhibits signs or symptoms of COVID-19, Windstar Cruises may disembark, refuse re-boarding, or quarantine and/or isolate Passenger as well as members of Passenger’s travelling party, or take other steps which Windstar Cruises determines, in its sole discretion, are necessary under the circumstances to protect the health and well-being of others. Under no circumstances shall Windstar Cruises be liable to any such Passenger for any costs, damages or expenses whatsoever incurred by any Passenger.

FITNESS TO TRAVEL; SPECIAL MEDICAL CARE:

(a) Consultation with Personal Physician. Passengers are encouraged to discuss the advisability of travel with their personal physicians and to review the U.S. Centers for Disease Control and Prevention (“CDC”) website for updated information. Passenger acknowledges that due to the nature of travel by sea and the ports visited, the availability of medical care onboard the Ship and in ports of call may be limited or delayed and medical evacuation may not be possible from the Ship while at sea or from every location to which the Ship sails. Passenger further understands that there may be circumstances beyond Windstar Cruises’ control, which may prevent or delay a medical evacuation or disembarkation. Passenger warrants that the Passenger, and those for whom the Passenger is responsible, are fit to travel at the time of embarkation.

Passengers requiring the use of a wheelchair must provide their own wheelchair (that must be of a size and type that can be accommodated on the Ship), which should be confirmed at the time of the reservation. Passenger acknowledges that standard cabins are not designed to be barrier free and wheelchair accessible.

(f) Limitation of Liability for Denial of Boarding / Repatriation for Passenger Noncompliance with this Contract. Windstar Cruises shall have the right to deny boarding for violations of any of the pre-cruise policies set forth in this Contract. If Windstar Cruises exercises its rights to deny boarding, Passenger shall have no claim against Windstar Cruises whatsoever, and Windstar Cruises shall have no liability for refund, compensation loss or damages of Passenger, including but not limited to any expenses incurred by Passenger for accommodations or repatriation.

FARES, NON-DISCOUNTABLE AMOUNTS, GOVERNMENT TAXES & FEES: Cruises reserves the right not to honor any published prices that it determines were erroneous due to printing, electronic, or clerical error. Each Cruise fare includes a Non-Discountable Amount. That portion of the fare is both non-commissionable to travel professionals and not subject to reduction in the event of a percentage discount promotion, 2-for-1 promotion, or otherwise. If cost factors dictate the need for fare increases, Windstar Cruises may do so at any time prior to departure. Guests can cancel (without paying a cancellation fee) rather than accept a fare increase. Suggested onboard gratuities are extra.

Government Taxes & Fees, as used by us, include, without limitation, all government-imposed taxes and fees for the performance of the cruise and related purchases, such as port head taxes, VAT, air, and hotel taxes and similar fees and taxes assessed on the transaction. These amounts represent our best estimates of government taxes and fees related to this itinerary. They are based on estimates derived from actual fees and taxes paid in prior years or from estimates provided by port agents in the ports to be visited on the cruise. We do

not expect there to be any material difference between our estimates and the taxes and fees actually charged. Taxes & Fees are subject to change (but will not change after assessment due to currency fluctuations) and we reserve the right to collect any increases in effect at the time of sailing even if the fare has already been paid in full. No right of cancellation exists under these circumstances.

YACHTS OWNERSHIP AND REGISTRY: All Windstar Cruises Yachts are registered in the Bahamas and owned by Windstar Cruises Marshall Islands, LLC. Yacht ownership and registry are subject to change.

TRANSFERS/PRE- & POST-CRUISE SERVICES: Services for Windstar Cruises cruise-only guests (individuals who do not purchase air transportation or cruise extensions from Windstar Cruises) begin with embarkation at the noted time in your Cruise documents. Any transfers, meals, and dayroom accommodations required prior to this time are the responsibility of the guest. Please make a note of this, as many international flights arrive several hours prior to the scheduled embarkation time. Guests may purchase a transfer from local airport to yacht for day of cruising and from yacht to local airport for day of disembarkation directly through Windstar Cruises Guest Services. Guests flying on dates other than the date of (dis)embarkation must arrange their own transfers unless the reason for the different date is because of the purchase of a cruise extension from Windstar Cruises. Transfers for these guests will be available between airport, hotel, and pier, as appropriate, so long as the transfer dates coincide with the dates of the services purchased from Windstar Cruises.

SHIPBOARD ACCOUNT AND CURRENCY EXCHANGE: Our cashless experience is designed to make your life on board as simple as possible. On embarkation day, you will need to register your credit card (Visa®, Discover®, MasterCard®, or American Express®) in order to use your onboard account for shipboard purchases. We do not accept debit cards or prepaid cards. Your card will be pre-authorized at the start of the cruise for \$1. You may make purchases by simply showing your guest identification card and signing a receipt. At the end of your Cruise, you will receive a final statement, and your card will be charged only for the actual amount of your purchases. Please inform your credit card issuer in advance that your card will be used on a Windstar Yacht. This will help prevent delays in obtaining pre-authorization on board. Products and services on board are in USD. Windstar is not liable for any foreign exchange fees imposed by your card issuer.

WINDSTAR AIR PACKAGE ARRANGEMENTS BY WINDSTAR CRUISES MARSHALL ISLANDS, LLC: If you are purchasing a Windstar Air Package, we will arrange for air transportation to the departure point of your Cruise and return air transportation from the termination point of your Cruise to the home city from which you departed. Due to the special fares and capacity controls we have with airlines, we retain the right to select carriers and determine routings. Some routings may involve travel to or from an airport other than in the city where the Ship embarks or disembarks. In those cases, motor coach transportation to and/or from the Ship will be provided. Flight schedules and/or availability may require overnight hotel accommodations either to join and/or to return from your Cruise. Due to airline schedules (and occasionally, lack of flight availability), travel between many major cities and your Cruise may require one (1) or more hotel overnights en route. If necessary, the cost of this hotel accommodation is not included in the airfare and is your responsibility. Hotels will be selected by Windstar Cruises and might not be at the port. You are responsible for meals and items of a personal nature.

SCHEDULE CHANGES; AIR DELAYS: We reserve the right to alter air flights as required by airline schedule changes. If tickets have already been issued, we will adjust your itinerary or air carrier, accordingly. In that event, we may ask you to return your tickets. Should you choose to alter your airline schedule in any way once your tickets have been issued, airline charges which result will be your responsibility. If our assistance is requested in changing airline arrangements within sixty (60) days of departure, an additional administrative charge will be levied in addition to any charges imposed by airlines. If your flights are delayed, refer to our Setting Sail booklet for instructions.

SEAT ASSIGNMENTS; SPECIAL SERVICES; FARES; LOST TICKETS; BAGGAGE CHARGES; AIR TAXES AND FEES: We cannot make or confirm seat assignments, special meals, or other special services. Your travel agent may assist with these arrangements. If, however, airline fuel or other surcharges or additional governmental taxes or levies are imposed, we reserve the right to pass these through to you. Please keep your airline tickets in a safe place. Should they be lost, you will be responsible for their replacement. Each airline has its own baggage allowance policy. You are responsible for any excess baggage charges imposed by airlines. Air add-on costs quoted by Windstar Cruises will not include passenger facility charges, federal flight segment taxes for each flight segment (takeoff and landing), the September 11 Security Fee per passenger enplanement, international arrival and departure taxes assessed in foreign countries (the amount of which may be charged in the currency of the foreign country and is subject to change), or new taxes which may be enacted.

LIABILITY AND RELATIONSHIP WITH AIRLINES: We will use commercially reasonable efforts to arrange for your air transportation. If, however, due to any cause beyond our control, we are unable to arrange for air transportation (including, for example, because of capacity controls placed upon us by airlines due to the types of fares under which we book) or the air transportation we arrange is unavailable or otherwise fails to materialize, our sole liability will be limited to refunding the air add-on paid. Our relationship with airlines is that of an independent travel agent. We assume no liability for any acts or omissions of any airline including, without limitation, those involving cancellation of flights, schedule changes, re-routings, damage to or delay or loss of baggage, flight delays, equipment failures, accidents, pilot or other staff shortages, overbooking, or computer errors. Accordingly, you will not have any right to claim or recover against us as a consequence of any act or omission of any airline. The liabilities and obligations of an airline to you, and your rights against an airline, are subject to any and all terms and conditions of the airline’s ticket and tariffs and any and all governmental laws and regulations bearing upon or otherwise relating to such rights, liabilities, and obligations.

LIABILITY AND RELATIONSHIP WITH WINDSTAR LAND PACKAGE PROVIDERS: If, due to any cause beyond our control, we are unable to arrange for any Windstar Land Package or any desired portion thereof, our sole liability will be limited to refunding the Windstar Land Package add-on paid. Our relationship with providers of Windstar Land Package accommodations or services is that of an independent travel agent. We assume no liability for any acts or omissions of any Windstar Land Package provider or subcontractor including, without limitation, cancellation, damage to or delay or loss of baggage, delays (including any delay in rejoining the Ship or missing the sailing or any flight), equipment failures, accidents, staff shortages, overbooking, or computer errors.

BEST IN THE WORLD

"Our Windstar cruise ruined us for any other cruise line," raved one reader, summing up the effusive praise that readers had for this boutique operator. Voters consistently mentioned the high-quality food on Windstar's voyages, and the fact that its smaller vessels can visit ports not normally accessible to larger ships. "This is our favorite cruise line for so many reasons," said one voter, recalling a trip aboard Wind Surf. "The most important are the small number of passengers and the wonderful service." Another distinction? Windstar has three sail-powered ships, which are particularly appealing to many of the voters who ranked this line No. 1. "The fact that the ship cruises under sails nearly half of the time is special," said one reader who also traveled on Wind Surf. "It's a glorious and romantic way to see unique places."
